● *If war breaks out, can the United States stay out of it?*

● *If the United States goes to war what will I do?*

● These questions are uppermost in the minds of the youth of the country today. Rearmament, collective action or isolation, battle ships or coastal fortifications, are topics to be heard every day.

● The Youth Forum is proud to present Congressman **JERRY O'CONNELL** speaking on this vital topic. Elected to the Montana Legislature when only 21, he is today, at the age of 29, a national figure. His resolute progressive views, and the capacity to fight for these views, places him in the forefront as a leader of the progressive youth of the country. The timeliness and importance of the topic, the appropriateness of the speaker, and the interest of the audience, marks this meeting as an outstanding event of the Youth Forum season.

THIS IS THE ANNUAL SENIOR-JUNIOR NIGHT.

*All members of Ford Hall Forum
are invited.*
