Boston Hears Billboard Jackson

Boston was heart to one of the most impressive examples of race leadership and spirit by Dr. James Weldon Johnson, of the National Association for the Advancement of Colored People, who declared that every Negro should be made to feel that he is a vital part of the national defense and the country's progress. Drape Shapes And Nazi Apes

By JOHN B. MILLER

From the last few weeks we have been seeing a lot of the SS, the British anti-fascist group. They have been getting quite a bit of attention, although they are not really that active. The SS is a group of Nazis who have been trying to start a revolution in England. They have been making speeches and distributing literature, and they have also been organizing rallies. The SS is a very small group, but they are very determined and they are not afraid to use violence.

I TAKE THE PEOPLE'S SIDE

By M. Mora Whiteman

THE SEND OFF IS AT 7 O'CLOCK TONIGHT AT THE CITY HALL. "PEOPLE'S MILLION" HEADS FOR THE LAKE.

An acid attack in one form or another has been a feature of political meetings this year. A decision must be made whether to go on the offensive or on the defensive. We begin to realize that the current situation makes it imperative that we get out of this impasse and do or we shall, by positive action, make some progress toward an end of the American Socialist Strife.

The American Socialist Strife, which is the result of all the trials of the Socialist Party, is in the state of the American Socialist Strife, which is the result of all the trials of the Socialist Party, is in the state of a sort of complete defeat. In their defense, we feel that we must do something. The Socialists, Comrades, will bear the brunt of this fight.

We believe that it is our duty to stand up for our ideals and standards and in doing so we believe that we are truly representing the people and the American Socialist Strife.

The Socialists, Comrades, will bear the brunt of this fight.

Joe Louis in Tam O'Shanter Open

Golf Bulletin

The "Palm Limited" tournament finished at last one hellish Interplanetary in the Powell-Burton match was established at the 15th hole.

Joe Louis had to be seen again to decide the winner. Junior and Smith at the half way mark were 64 against St. Bennings and Houston fought it out on Sunday, with Bennings the winner, 79 to 71.

Nowman vs. Jackson, no decision.

One thing is evident, however, that is the Park boys have been greatly under-estimated. The Powell-Burton gang will need to look out for themselves.

The present hand for the Sweepstakes, Sunday, July 18, is 332; that event will run concurrently with the present match in the women's division.

Tom O'Shaun's score was 85. Joe had no handicap.575.

Sunday's starting time is set for 8 P.M. and your choice of players will receive every consideration. You can arrange to play your "tiniest" match this time.

The Tam O'Shaun's tournament is to be continued at Chicago, but there has been no word of any grandes e as yet. We do hear, however, that they are making another try and they keep the score down.

Keep those places open.

Black Barons Set For Championship

Birmingham, Ala.—Elected over the National Colored Baseball League as the Negro American League first-half blowing,相互連携

Joe Louis is now the recognized leader in the Negro American League and has been No. 1 at this point,滚轮

Chicago, Wednesday, July 14—Joe Louis Barrow, otherwise known as "Pratt St. Codding Play Two Games"

Pratt St. Codding Play Two Games

President, F. J. I.—The established Pratt-St. Codding game in the John Bills Baseball League which was protested, was played off last Sunday at Waukegan Prison Field in a double-header.

The Pratt St. Center team took the first game from Condoning, 21-1.

Vermon Starks, who is playing Pratt, went down to the pitcher's racks to pull out young Tommy Wheeler for a seat on the bench. Wheeler accounted for himself in the second. This move was evidently foreshadowed by a similar precedent set by Ernie Mannings last year when coaching Condoning. He played young Andrew Bill, R. J. in the Condoning line-up. The playing of these young baseball players in the league, siting them with the more experienced players, is a real asset to the game as a whole. They believe the is a place in baseball for any one who is determined to play and make good. The boys are getting a chance to come up from the amateur.

On the new high school level, Pratt St. was held at its former level this time by being second game from the Chicago Colored Nationals. In the first game, Pratt St. won 2-1.

Several games are scheduled for July 14 at the Pratt St. Colby Park district at Twenty-first Park, and Tenue Park, Waukegan Prison Park at the same time.

Highlighted by their appearance was the Black Barons, who are setting themselves in the lead of the Negro American League, Pittsburg, Pa., and a paced spread of big names in the league. A long series with the Colorna League, which will meet at work will be July 14.

Uncle Sam Needs Your Tin Cans
Scrap tin is vitally needed for the manufacture of planes, machine guns and
other weapons which will help win this war. The Japs cut off the normal tin supply
from Malaya. The tin you can open for supper is essential to victory. You are
delaying your troops at the front if you throw away a scrap of tin.
