HISTORY OF SUFFOLK UNIVERSITY

The Law School, the first unit of the University, was established in September, 1906, to provide professional training for ambitious young men and women of moderate means. In 1914 the school was chartered with degree-granting powers by the Legislature of Massachusetts.

Educational facilities have been expanded in the belief that training in the liberal arts and sciences is an integral part of a balanced education. The College of Liberal Arts was founded in 1934, the Graduate School of Law in 1935, the College of Journalism in 1936, and the College of Business Administration in 1937. The various departments were incorporated by the Massachusetts Legislature in 1937.

Physical growth of the University has been accompanied by professional recognition. On the level of national accreditation, Suffolk University is a member of the New England Association of Colleges and Secondary Schools, and the Law School is fully approved by the American Bar Association.

The University is also a member of the Association of American Colleges, and all schools and departments are approved by the Board of Collegiate Authority of the Massachusetts Department of Education. The Veterans Administration approves all courses for GI benefits.

Located on Beacon Hill, directly behind the State House, near the building housing the Supreme Judicial, Superior, Probate, Land and Municipal Courts, Suffolk University provides excellent accommodations for educational work. In the University building are the Administrative Offices, University Library, Auditorium, classrooms, completely
SUFFOLK UNIVERSITY

equipped and modern laboratories for biology, chemistry, geology and physics, and the University Bookstore.

Although the physical equipment of a university is important, the quality of its educational program is even more significant. The true measure of a university is reflected in the record of its graduates. Early in its history, Suffolk University gained recognition for the quality of its Faculty and the success of its graduates. Judges, lawyers, bankers, businessmen, educators, and leaders in civic and political life owe their advancement to the quality of training received at Suffolk University.

THE LAW LIBRARY

The Law Library, containing over twenty-five thousand volumes, is located on the third floor of the University and is part of the University Library. By yearly appropriations and gifts from Alumni and others it is constantly increasing its collection.

The Library includes all of the reported decisions of all the states, in the National Reporter System, and all of the official reports of many of the states; reports of all the decisions of the Supreme Court of the United States and other Federal courts; reports of selected Federal Administrative Agencies; the American Digest; Corpus Juris and Corpus Juris Secundum; American Jurisprudence and American Law Reports. It contains a full set of English reports and a large collection of legal periodicals, text-books and casebooks.

With regard to statutory material, the Library has the United States Statutes at Large, the United States Code Annotated, all the compilations of the Massachusetts statutes, the Annotated Laws of Massachusetts, the Massachusetts General Laws Annotated, the statutes of the New England and other selected states.

The Law Library is open from 9:00 A.M. to 10:00 P.M. Monday through Friday, and 9:00 A.M. to 5:00 P.M. Saturday.

The Massachusetts State Library, a collection of 600,000 volumes, containing many state papers, legislative materials, and other legal research aids, is housed in the State House and easily accessible to law students.

Also available for student use is the Public Library of the City of Boston. This library is one of the largest in the world, containing about 2,000,000 volumes.
METHOD OF INSTRUCTION

Competent practice of law requires an ability to analyze and marshal complicated fact situations, as well as a knowledge of legal principles and a trained power of reasoning. Successful study of law depends upon the ability of the student to acquire the skilled lawyer's mode of thought — the legal mind.

The method of instruction in Suffolk University Law School combines the study of cases and texts with lectures and classroom discussion, and is designed to develop in the student lawyer-like proficiency in analysis, reasoning and expression, and an integrated understanding of related fields of law. Problems are assigned to all students for training in legal thought, research and writing. Whenever practicable, classes are taught in small groups on a seminar basis.

MOOT COURT PRACTICE

An integrated Moot Court program has been established for the purpose of acquainting the students with the elements of pleading, practice, trial, brief-writing and appellate argument. It is felt that a prospective lawyer should gain some practical experience in law school and not be confronted with such matters for the first time after he has been admitted to the Bar.

PRACTICE AND PROCEDURE

The course in Practice and Procedure, which is required of all students, deals particularly with Massachusetts practice at both trial and appellate levels, and involves consideration of the following: jurisdiction of the various courts; venue; forms, substance and service of writs including attachments and arrest; the various kinds of action at law; parties; declarations; motions to dismiss, answers in abatement, demurrers, answers to the merits; amendments; interrogatories; notice to admit facts; proceedings before auditors and masters; exceptions; appeals; reports; judgment; execution; extraordinary writs.

TRIAL COURT

A Trial Court practice course is also required. Each student must take a contested case through trial in a Moot Court, (either a District Court, a Probate Court, or the Superior Court with or without a jury,) preserving rights of review. The jurisdiction of these Moot Courts is based upon that of the like Courts of Massachusetts. Each of the Courts has a student Clerk.

Practice in these Courts is conducted strictly in accordance with the law and rules of courts of the Commonwealth of Massachusetts. Stu-
dent counsel draw their own writs and other process, have them served by the Moot Court Sheriff and returned to the Clerk's Office. Each counsel drafts and files his own pleadings and other papers within the times fixed by law. Failure to do so entails the consequences which would follow such default in actual litigation. Sessions of the Courts are held for interlocutory matters, and actual trials are held before juries impaneled from the student body or in sessions without jury.

In all respects, the effort is to approximate as nearly as possible the experience which the young lawyer will have in his first years at the Bar, whether practicing by himself or as a junior in a law office, and thus acquaint the student with court procedure and develop in him a sense of professional responsibility.

APPELLATE COURT

An optional activity in which all students are urged to participate is that of Moot Appellate Court. In this program the student handles the appellate brief and argument of a case upon an assigned record supposed to be under review in the Moot Court, (either the Supreme Court, the Supreme Judicial Court, or the Court of last appeal in the jurisdiction of a fictitious state.)

Upper-class students, under Faculty supervision, assume a large part of the responsibility for the conduct of this Court; they act as student counsellors in the preparation of briefs and as judges sitting on the appellate arguments.

NATIONAL MOOT COURT COMPETITION

Suffolk University Law School participates in the National Moot Court Competition conducted annually under the auspices of the Young Lawyers Committee of the Bar of the City of New York. The students who show the most promise in the Appellate Court program are selected as the team to represent the Law School in this Competition.

STUDENT BAR ASSOCIATION

The regular student body is integrated as The Student Bar Association of Suffolk University Law School. This Association operates under a Charter granted by the Dean and Faculty, and is affiliated with the American Law Student Association, the national organization of Student Bar Associations operated under the sponsorship of the American Bar Association.

The objectives of the Association, as described in its Charter, are "to assist in the development of a sound program of legal education, to promote understanding and coordination of activity among the members
of the Law School community, and to foster cooperation with national, state and local bar associations, and with other law schools through participation in the American Law Student Association."

Under the leadership of its Officers and Board of Governors elected from the upper classes of the student body, the Association sponsors, coordinates and carries on various student activities. It operates through standing committees, whose titles, indicative of the major fields of Association interest, are as follows: Appellate Court Practice, By-Law, Election, Legal Memo Publication, Prelaw Club, and Social.

A student Delegate represents the Association at the Annual Meeting of the American Law Student Association, held in conjunction with the Annual Meeting of the American Bar Association. Officers of the Association also attend the Annual Regional Conference of the Student Bar Associations of the Law Schools of the First Circuit.

**EXTRACURRICULAR ACTIVITIES**

Outstanding students participate in legal internship in the office of the Middlesex County District Attorney, where the program was initiated in this region, and also in the office of the Attorney General of Massachusetts. Others gain practical experience through clerkships in leading law offices.

Student activities sponsored by the University are open to qualified students in the Law School. Maintenance of a satisfactory scholastic standard is a prerequisite for participation in such activities.

*The Wig and Robe Society* is a private organization in which all male students in the Law School are eligible for membership. It maintains club rooms in close proximity to the School in which it has the reports of the Supreme Judicial Court of the Commonwealth, the Federal Reports, Corpus Juris, text books and other legal material available to its membership. Guest lecturers are procured to speak on problems of the law. It is an aim of the Society to foster a closer unity between students, Faculty and alumni.

**SCHOLARSHIPS**

**SUFFOLK UNIVERSITY SCHOLARSHIPS**

The Trustees of the University have established four full scholarships to be awarded annually to entering first year students who are graduates of Suffolk University who have maintained high scholastic standing in their college work. These scholarships are awarded and continued in the discretion of the Faculty Administrative Committee of the Law School.
TRUSTEES' SCHOLARSHIPS

The Trustees of the University have established the following full scholarships:

The David I. Walsh Scholarships in memory of the late Senator David I. Walsh of Massachusetts, to be awarded annually to a graduate of the College of the Holy Cross.

The Louis D. Brandeis Scholarships in memory of the late Justice Louis D. Brandeis of the United States Supreme Court, to be awarded annually to a graduate of Brandeis University.

The Charles Doe Scholarships in memory of Charles Doe, a graduate of Dartmouth College in the class of 1849, Justice of the Supreme Judicial Court of New Hampshire for thirty-five years and Chief Justice for twenty years, to be awarded annually to a graduate of Dartmouth College.

The Merrimack College Scholarships, to be awarded annually to a graduate of Merrimack College.

Each of the above Trustees' Scholarships, covering full tuition charges, is available annually to a student who is worthy and desirous of studying law at Suffolk University Law School, upon nomination by the President of each of the aforementioned institutions. Each recipient will receive the scholarship for one year, and if he maintains a satisfactory average in the Law School, the scholarship will continue until he receives his degree.

The William F. A. Graham Scholarship, established by the Trustees in memory of the late William F. A. Graham, Esq., of the class of 1924, long a Trustee of Suffolk University, covering full tuition charges, is to be awarded annually by the Faculty to a student who typifies the high ideals exemplified by the life of Mr. Graham.

ALUMNI FUND SCHOLARSHIPS

The Suffolk University Law School Alumni Association finances by contributions to the Alumni Fund many scholarships which are awarded each year to upper-class students on the basis of scholarship, character and need. During the past academic year forty-two students received such scholarships covering all or part of the annual tuition fee.

A limited number of these scholarships are also available to outstanding applicants for admission to the Law School.
STEINBERG SCHOLARSHIP

The Steinberg Scholarship, established by Louis H. Steinberg of the class of 1925, consists of the income of 60 shares of U. S. Steel Corporation stock and 120 shares of Bethlehem Steel Corporation stock and is awarded annually to that senior in the evening division of the school who has the highest average for the three preceding years.

FAIRCHILD SCHOLARSHIP

The Fairchild Scholarship, established in 1926 by Mrs. Julian D. Fairchild of Brooklyn, N. Y., in memory of her late husband, yields an income of $100 a year, and is awarded to some member of the freshman class on the basis of scholarship, character and need.

AWARDS

The Boston Safe Deposit and Trust Company sponsors annually an Estate Planning and Drafting Contest for students of Suffolk University Law School, with awards of $250, $150, and $100 for the best legal memoranda on and drafts of a plan for a fictitious estate of a moderately wealthy client. This contest serves as an adjunct to the elective course in Estate Planning, and affords the students participating therein an opportunity for intensive practical experience in that field.

The Lawyers Title Insurance Corporation of Richmond, Virginia, has established an annual award of $100 to the graduating student, in either the day or evening division, who has attained the highest weighted average in Real Property subjects.

The Lawyers Co-operative Publishing Company has established annual awards of separately bound volumes of the material in American Jurisprudence on the following subjects, to be awarded to the highest ranking students in the courses related thereto:

LOAN FUNDS

The Bar Association of Norfolk County Student Loan Fund, in the amount of $1,000, the first to be set up in this region by a Bar Association, was established in 1958 to assist promising students of limited means, with preference to be given to residents of Norfolk County.

The Boston Bar Association Student Loan Fund, in the sum of $500, was created in 1959 by donations of its members for the purpose of aiding deserving law students.

These Funds are in addition to other loan funds available to all students of the University.

ADMISSION REQUIREMENTS

Suffolk University Law School, in compliance with the prelegal college educational requirements of the American Bar Association, accepts as regular students only applicants who have satisfactorily completed at least three-quarters of the credits acceptable for a bachelor's degree from an approved college or university.

A limited number of applicants whose experience and achievement, in the judgment of the Faculty, have qualified them for the study of law despite a lack of sufficient collegiate credits, may be admitted as special students.

Applicants who do not meet the foregoing requirements may consult the Registrar of Suffolk University for a program of day or evening studies which will prepare them for admission to the Law School.

Applicants who may desire to practice law elsewhere than in Massachusetts are advised to inquire of the Secretary of the Board of Bar Examiners of such other jurisdiction to determine their eligibility, and to insure their completion of all local requirements. Some states now require such procedures as Law Student Registration, the filing of a Law Student's Qualifying Certificate, and other formalities before the applicant begins the study of law, under the rules for admission to the local bar.

RECOMMENDED PRELEGAL STUDY

The Faculty does not specify particular subjects for prelegal education. Our students come from many universities, of varied curricula, and the great disparity found in the quality of teaching, method and content
of various college courses makes it impractical to designate particular subjects as the "best" preparation for the study of law. However, it may be said that concentration in one or more of the usual fields of the arts and sciences and the humanities, such as history, government, philosophy, literature, mathematics, economics and the like, is desirable. Undergraduate courses in at least elementary accounting are recommended, as they furnish a background helpful in many courses in law school.

The importance of proficiency in English, both written and spoken, cannot be overemphasized.

COMBINED DEGREE PROGRAM

A student who, through study in one of the Colleges of Suffolk University, has earned three-quarters of the credits required for a Bachelor's degree may be eligible to follow the program set forth in the Suffolk University College Bulletin, under which he may receive his college degree upon satisfactory completion of the first year Law School subjects as listed in the three year course, whether such courses are taken in the day or evening division. Inquiries concerning eligibility for this program should be directed to the Dean of the University.

ADMISSION PROCEDURE

Application for admission must be made on the form provided therefor, which may be obtained from the Registrar. If the applicant has not previously attended Suffolk University, the application must be accompanied by an Application Fee of $10.00 which is not refundable.

The applicant must request the Registrars of all colleges and graduate or professional schools previously attended to forward official transcripts of his records directly to the Registrar of Suffolk University Law School.

If a period of time other than that of a usual academic vacation has intervened during or since the applicant's attendance at a college or university, he must also furnish to the Registrar a statement in writing describing his occupation or other activity during that interim.

The applicant must also arrange to have letters of opinion concerning his character, intelligence, industry and aptitude for the study of law sent directly to the Registrar by two responsible persons not related to the applicant.
All applications are voted on by the Faculty Administrative Committee. Notification of the action taken will be sent by mail to the applicant at the address given on the application unless otherwise requested in writing.

REGISTRATION

Registration is accomplished as far as possible by mail prior to the commencement of classes. Registration forms will be mailed to applicants who are accepted.

A student who requires a special program of courses should make an appointment for a personal interview with the Registrar well in advance of the opening of the semester.

LEGAL APTITUDE TEST

Applicants for admission to Suffolk University Law School are advised, but not required, to take the Law School Admission Test conducted by the Educational Testing Service of New Jersey. This test is conducted several times annually in the major cities of the United States. For information and application form write the Educational Testing Service, Post Office Box 592, Princeton, New Jersey. Examinees should request that the results of the test be forwarded to Suffolk University Law School.

TRANSFER STUDENTS

A student who has maintained a satisfactory academic record in another law school and who meets the Admission Requirements of Suffolk University Law School may apply for admission as a transfer student.

An application by a student with an unsatisfactory record at another law school will not be considered.

ADVANCED STANDING

In the discretion of the Faculty Administrative Committee, advanced standing for the degree of Bachelor of Laws may be granted for courses successfully completed by students in good standing in approved law schools.

In any event the right is reserved to refuse such credit, or to allow it only upon condition or after examination.
DAY AND EVENING DIVISIONS

FULL-TIME STUDY

Courses for the degree of Bachelor of Laws in Suffolk University Law School are offered in day and evening divisions. The regular course in the day division consists of three academic years of full-time study of law.

Under the Regulations of the School, the Standards of the American Bar Association, and Rules of the Board of Bar Examiners of the Commonwealth of Massachusetts, only those students who can devote substantially all of their working time to the study of law are eligible to enroll in the full-time day division and complete their law course in three school years or six semesters.

PART-TIME STUDY

Students who cannot devote substantially all of their working time to the study of law may enroll in the evening division and complete their work for the degree in four school years or eight semesters, or may take a special program of part-time study in the day division.

The basic subjects in the day and evening divisions are the same. Students in both divisions are held to the same academic standards.

COMMENCEMENT OF COURSES

The regular three year course in the day division program commences only in September.

The regular four year course in the evening division program commences in September and also at the beginning of the second semester, in late January or early February.

September entrants will be offered the Schedule of Courses listed in this Catalogue, subject to possible current changes. The Courses to be offered to evening division classes entering in the second semester are announced each year in December.

Special programs are arranged upon consultation with the Registrar.

SEMESTER HOUR REQUIREMENTS

The academic year consists of two semesters, the First or Fall Semester, commencing in September, and the Second or Spring Semester, commencing in late January or early February.

The regular full-time day division three year course requires six semesters of fifteen semester hours each of class work.

The regular part-time evening division four year course requires eight semesters of nine semester hours each of class work.

The special part-time day division course requires credits for seventy-two semester hours of class work, computed on the basis of the semester hours allotted to the same courses in the evening division.

CLASS HOURS

All classes consist of 50 minute periods. Classes in the day division begin at 9 a.m., and end not later than 5 p.m., Monday through Friday. Classes in the evening division are conducted between 6 p.m. and 9 p.m. on Monday, Wednesday and Friday.

Class schedules are announced shortly before the commencement of each semester.

CURRICULUM

The development of a well-rounded legal education demands a thorough training with special emphasis upon the fundamental branches of the law. There are other subjects, which, while important and valuable from the standpoint of information, are less vital to the understanding of basic principles or to the development of legal reasoning.

The curriculum, accordingly, includes certain courses which are required, and others among which some degree of election is permitted.

(a) Such candidate must have completed at least three years of full-time study in law school, of which at least the last year shall have been taken in Suffolk University Law School, or have completed at least four years of part-time study in law school, whether day or evening, of which at least the last year shall have been taken in Suffolk University Law School.

(b) Such candidate must have obtained a general weighted average of at least 75 per cent, and have outstanding failures in no more than 6 semester hours in the full-time division, and in no more than 5 semester hours in the part-time division.

Compliance with the foregoing requirements will not entitle a candidate, as of right, to the degree. Degrees are awarded by the Trustees of Suffolk University on recommendation by the Faculty Administrative Committee. Recommendation may be withheld by the Committee for cause other than scholastic deficiency.

LAW SCHOOL

REGULATIONS

1. Only students who can devote substantially all their working time to the study of law are eligible for admission to the three-year full-time day division program. (See also Regulations, No. 7)

2. Students in course may not omit courses or examinations scheduled, or take courses or examinations not scheduled for their respective classes, except by prior permission of the Faculty Administrative Committee or the Dean.

3. A student out of course must obtain approval of his program of study by the Faculty Administrative Committee prior to registration.

4. A student who fails to attend classes, to perform assignments or to take examinations may be dismissed from the Law School or placed on probation by the Faculty Administrative Committee.

5. A student who fails to meet the terms of probation may be dismissed from the Law School by the Faculty Administrative Committee.

If any such student is permitted to remain in the Law School he shall automatically be on probation, the terms of which shall be determined by the Faculty Administrative Committee.

7. A student who has been dismissed from the Law School for scholastic deficiency, who believes that there were extenuating circumstances beyond his control which establish that such deficiency was not due to his lack of ability or failure to apply himself diligently to the study of law, may as a matter of right file a written petition to the Faculty Administrative Committee for reinstatement, stating therein such facts specifically and fully.

In the case of a student in the three-year full-time day division program, outside employment does not constitute a ground for such petition. (See Regulations, No. 1)

Reinstatement and the terms thereof are in the discretion of the Faculty Administrative Committee.

Failure to take such next examination in any course constitutes a waiver of the privilege with respect to that course unless authorized or excused by the Faculty Administrative Committee, and the student’s grade for such course shall be finally recorded as F.

11. The Faculty Administrative Committee reserves the right to change the schedule of lectures, the program of instruction, the requirements for credits or degrees, and any rule or regulation established for the government of the student body in the School.
