HISTORY OF SUFFOLK UNIVERSITY
The Law School, the first unit of the University, was established in September, 1906, to provide professional training for ambitious young men and women of moderate means. In 1914 the school was chartered with degree-granting powers by the Legislature of Massachusetts. The College of Liberal Arts was founded in 1934, the Graduate School of Law in 1935, the College of Journalism in 1936, and the College of
Business Administration in 1937. The various departments were incorporated by the Massachusetts Legislature in 1937.

Physical growth of the University has been accompanied by professional recognition. On the level of national accreditation, Suffolk University is a member of the New England Association of Colleges and Secondary Schools, and the Law School is fully approved by the American Bar Association.

The University is also a member of the Association of American Colleges and the Association of University Evening Colleges, and all schools and departments are approved by the Board of Collegiate Authority of the Massachusetts Department of Education. The day and evening curricula of the Law School are also registered with the Department of Education of the State of New York. The Veterans Administration approves all courses for GI benefits.

Located on Beacon Hill, directly behind the State House, near the buildings housing the Supreme Judicial, Superior, Probate, Land and Municipal Courts, Suffolk University provides excellent accommodations for educational work. In the University building are the Administrative Offices, University Library, Auditorium, classrooms, completely equipped and modern laboratories for biology, chemistry, geology and physics, and the University Bookstore.

Although the physical equipment of a university is important, the quality of its educational program is even more significant. The true measure of a university is reflected in the record of its graduates. Early in its history, Suffolk University gained recognition for the quality of its Faculty and the success of its graduates. Judges, lawyers, bankers, businessmen, educators, and leaders in civic and political life owe their advancement to the quality of training received at Suffolk University.

**THE LAW LIBRARY**

The Law Library, containing over twenty-nine thousand volumes, is located on the third floor of the University. By yearly appropriations and gifts from Alumni and others it is constantly increasing its collection.

The Library includes all of the reported decisions of all the states, in the National Reporter System, and all of the official reports of many of the states; reports of all the decisions of the Supreme Court of the United States and other Federal courts; reports of selected Federal Administrative Agencies; the American Digest; Corpus Juris and Corpus Juris Secundum; American Jurisprudence and American Law Reports.
It contains a full set of English reports and a large collection of legal periodicals, textbooks and casebooks.

With regard to statutory material, the Library has the United States Statutes at Large, the United States Code Annotated, all the compilations of the Massachusetts statutes, the Annotated Laws of Massachusetts, the Massachusetts General Laws Annotated, the statutes of the New England and other selected states.

The Law Library is open from 9:00 A.M. to 10:00 P.M. Monday through Friday, and 9:00 A.M. to 5:00 P.M. Saturday.

The Massachusetts State Library, a collection of 600,000 volumes, containing many state papers, legislative materials, and other legal research aids, is housed in the State House and easily accessible to law students.

Also available for student use is the Public Library of the City of Boston. This library is one of the largest in the world, containing about 2,000,000 volumes.

METHOD OF INSTRUCTION

Competent practice of law requires an ability to analyze and marshal complicated fact situations, as well as a knowledge of legal principles and a trained power of reasoning. Successful study of law depends upon the ability of the student to acquire the skilled lawyer's mode of thought — the legal mind.

The method of instruction in Suffolk University Law School combines the study of cases and texts with lectures and classroom discussion, and is designed to develop in the student lawyer-like proficiency in analysis, reasoning and expression, and an integrated understanding of related fields of law. Problems are assigned to all students for training in legal thought, research and writing. Whenever practicable, classes are taught in small groups on a seminar basis.

MOOT COURT PRACTICE

An integrated Moot Court program has been established for the purpose of acquainting the students with the elements of pleading, practice, trial procedure, brief-writing and appellate argument. It is felt that a prospective lawyer should gain some practical experience in law school and not be confronted with such matters for the first time after he has been admitted to the Bar.
PRCTICE AND PROCEDURE

The course in Practice and Procedure, which is required of all students, deals particularly with Massachusetts practice at both trial and appellate levels, and involves consideration of the following: jurisdiction of the various courts; venue; forms, substance and service of writs including attachments and arrest; the various kinds of action at law; parties; declarations; motions to dismiss, answers in abatement, demurrers, answers to the merits; amendments; interrogatories; notice to admit facts; proceedings before auditors and masters; exceptions; appeals; reports; judgment; execution; extraordinary writs.

TRIAL COURT

A Trial Court practice course is also required. Each student must take a contested case through trial in a Moot Court, (either a District Court, a Probate Court, or the Superior Court with or without a jury,) preserving rights of review. The jurisdiction of these Moot Courts is based upon that of the like Courts of Massachusetts. Each of the Courts has a student Clerk.

Practice in these Courts is conducted strictly in accordance with the law and the rules of the various courts of the Commonwealth of Massachusetts. Student counsel draw their own writs and other process, and have them served by the Moot Court Sheriff and returned to the Clerk's Office. Each counsel drafts and files his own pleadings and other papers within the times fixed by law. Failure to do so entails the consequences which would follow such default in actual litigation. Sessions of the Courts are held for interlocutory matters, and actual trials are held before juries impaneled from the student body or in sessions without jury.

In all respects, the effort is to approximate as nearly as possible the experience which the young lawyer will have in his first years at the Bar, whether practicing by himself or as a junior in a law office, and thus acquaint the student with court procedure and develop in him a sense of professional responsibility.

APPELLATE COURT

An optional activity in which all students are urged to participate is that of Moot Appellate Court. In this program the student handles the appellate brief and argument of a case upon an assigned record supposed to be under review in the Moot Court, (either the Supreme Court, the Supreme Judicial Court, or the Court of last appeal in the jurisdiction of a fictitious state.)

Upper-class students, under Faculty supervision, assume a large part
LAW SCHOOL

of the responsibility for the conduct of this Court; they act as student counsellors in the preparation of briefs and as judges sitting on the appellate arguments.

NATIONAL MOOT COURT COMPETITION

Suffolk University Law School participates in the National Moot Court Competition conducted annually under the auspices of the Young Lawyers Committee of the Bar of the City of New York. The students who show the most promise in the Appellate Court program are selected as the team to represent the Law School in this Competition.

STUDENT BAR ASSOCIATION

The regular student body is integrated as The Student Bar Association of Suffolk University Law School. This Association functions under a Charter granted by the Dean and Faculty, and is affiliated with the American Law Student Association, the national organization of Student Bar Associations sponsored by the American Bar Association.

The objectives of the Suffolk University Law School Bar Association, as described in its Charter, are "to assist in the development of a sound program of legal education, to promote understanding and coordination of activity among the members of the Law School community, and to foster cooperation with national, state and local bar associations, and with other law schools through participation in the American Law Student Association."

Under the leadership of its Officers and Board of Governors elected from the upper classes of the student body, the Association sponsors, coordinates and carries on various student activities. It operates through standing committees, whose titles, indicative of the major fields of Association interest, are as follows: Appellate Court Practice, By-Law, Election, Publication, Prelaw Club, and Social.

A student Delegate represents the Association at the Annual Meeting of the American Law Student Association, held in conjunction with the Annual Meeting of the American Bar Association. Officers of the Association also attend the Annual Regional Conference of the Student Bar Associations of the Law Schools of the First Circuit.

EXTRACURRICULAR ACTIVITIES

Outstanding students participate in legal internship in the office of
the Middlesex County District Attorney, where the program was initiated in this region, and also in the office of the Attorney General of Massachusetts. Others gain practical experience through clerkships in various law offices.

Student activities sponsored by the University are open to qualified students in the Law School. Maintenance of a satisfactory scholastic standard is a prerequisite for participation in such activities.

The *Wig and Robe Society* is a private organization in which all male students in the Law School are eligible for membership. It maintains club rooms in close proximity to the School in which it has the reports of the Supreme Judicial Court of the Commonwealth, the Federal Reports, Corpus Juris, textbooks and other legal material available to its membership. Guest lecturers are procured to speak on problems of the law. It is an aim of the Society to foster a closer unity between students, Faculty and alumni.

**SCHOLARSHIPS**

**SUFFOLK UNIVERSITY SCHOLARSHIPS**

The *Trustees of the University* have established four full tuition scholarships to be awarded annually to entering first year students who are graduates of Suffolk University who have maintained high scholastic standing in their college work. These scholarships are awarded and continued in the discretion of the Faculty Scholarship and Loan Committee.

**TRUSTEES' SCHOLARSHIPS**

The *Trustees of the University* have established the following full tuition scholarships:

The *David I. Walsh Scholarships* in memory of the late Senator David I. Walsh of Massachusetts, to be awarded annually to a graduate of the College of the Holy Cross.

The *Louis D. Brandeis Scholarships* in memory of the late Justice Louis D. Brandeis of the United States Supreme Court, to be awarded annually to a graduate of Brandeis University.

The *Charles Doe Scholarships* in memory of Charles Doe, a graduate of Dartmouth College in the Class of 1849, Justice of the Supreme Judicial Court of New Hampshire for thirty-five years and Chief Justice for twenty years, to be awarded annually to a graduate of Dartmouth College.
The Merrimack College Scholarships, to be awarded annually to a graduate of Merrimack College.

Each of the above Trustees' Scholarships, covering full tuition charges, is available annually to a student who is worthy and desirous of studying law at Suffolk University Law School, upon nomination by the President of each of the aforementioned institutions. Each recipient will receive the scholarship for one year, and if he maintains a satisfactory average in the Law School, the scholarship will continue until he receives his degree.

The William F. A. Graham Scholarship, established by the Trustees in memory of the late William F. A. Graham, Esq., of the Class of 1924, long a Trustee of Suffolk University, covering full tuition charges, is to be awarded annually by the Faculty Scholarship and Loan Committee to a student who typifies the high ideals exemplified by the life of Mr. Graham.

ALUMNI FUND SCHOLARSHIPS

The Suffolk University Law School Alumni Fund, created and maintained by contributions of alumni and other friends of the Law School, finances the following scholarships:

Alumni Fund Class Leader Scholarships, five of which, covering a year's tuition, are awarded annually to the upper-classmen with the highest average for the preceding year in their respective classes in the Day and Evening Divisions, and the sixth, covering one-half of a year's tuition, to the student with the highest average for the Spring Semester in the group which entered in the preceding January.

Alumni Fund Scholarships, covering all or part of a year's tuition, which are made available annually to upper-classmen with a minimum average of 80% (B−) for the previous academic year, on the recommendation of the Faculty Scholarship and Loan Committee on the basis of scholarship, character and need.

Alumni Fund Entrance Scholarships, covering all or part of tuition charges, which are made available to applicants for admission to the Law School whose college scholastic records, in the judgment of the Faculty Scholarship and Loan Committee, are outstanding. A recipient will retain the scholarship for so long as he maintains a minimum average of 80% (B−) during his course of study.

During the past academic year, thirty-one students received the benefits of such Alumni Fund Scholarships.
STEINBERG SCHOLARSHIP

The Steinberg Scholarship, established by Louis H. Steinberg of the Class of 1925, consists of the income of 60 shares of U. S. Steel Corporation stock and 120 shares of Bethlehem Steel Corporation stock, and is awarded annually to the student in the fourth year class in the evening division who has the highest cumulative average for the three preceding years.

FAIRCHILD SCHOLARSHIP

The Fairchild Scholarship, established in 1926 by Mrs. Julian D. Fairchild of Brooklyn, N. Y., in memory of her late husband, yields an income of $100 a year, and is awarded to a member of the first year class selected by the Faculty Scholarship and Loan Committee on the basis of scholarship, character and need.

GRADUATE FELLOWSHIP

The Trustees of the University have established a Graduate Fellowship, to be awarded to a graduating student of the Law School whose record, in the judgment of the Trustees, has been outstanding. The Fellowship carries a substantial stipend, to enable the recipient to pursue a year of full-time graduate study at a leading law school of his choice. Specific recommendation by the Faculty and its approval of a projected course of graduate study are prerequisites for consideration by the Trustees of a candidate for this Fellowship.

AWARDS

The Boston Safe Deposit and Trust Company sponsors annually an Estate Planning and Drafting Contest for students of Suffolk University Law School, with awards of $250, $150, and $100 for the best legal memoranda on and drafts of a plan for a fictitious estate of a moderately wealthy client. This contest serves as an adjunct to the elective course in Estate Planning, and affords the students participating therein an opportunity for intensive practical experience in that field.

The American Society of Composers, Authors and Publishers annually conducts the Nathan Burkan Memorial Competition, in which prizes of $250 and $100 are awarded in each participating law school for the best papers based on original research in the field of copyright and related law. Winning papers also compete for national awards and publication in the “ASCAP Copyright Law Symposium”.

The Lawyers Title Insurance Corporation of Richmond, Virginia, has established an annual award of $100 to the graduating student, in either the day or evening division, who has attained the highest weighted average in Real Property subjects.

The Lawyers Co-operative Publishing Company makes annual awards of separately bound volumes of the material in American Jurisprudence on the following subjects, to be awarded to the highest ranking students in the courses related thereto:

LOAN FUNDS

The Bar Association of Norfolk County Student Loan Fund, in the amount of $1,000, the first to be set up in this region by a Bar Association, was established in 1958 to assist promising students of limited means, with preference to be given to residents of Norfolk County.

The Boston Bar Association Student Loan Fund, in the sum of $500, was created in 1959 by donations of its members for the purpose of aiding deserving law students.

The Suffolk University Law School Alumni Fund, in addition to providing scholarships for academic excellence, makes available funds for loans to students in good standing who are in need of financial assistance.

PRELEGAL STUDY

The Faculty does not specify particular subjects for prelegal education. Our students come from many universities, of varied curricula, and the great disparity found in the quality of teaching, method and content of various college courses makes it impractical to designate particular subjects as the "best" preparation for the study of law. However, it may be said that concentration in one or more of the usual fields of the arts and
sciences and the humanities, such as history, government, philosophy, literature, mathematics, economics and the like, is desirable. Undergraduate courses in at least elementary accounting are recommended, as they furnish a background helpful in many courses in law school.

The importance of proficiency in English, both written and spoken, cannot be overemphasized.

COMBINED DEGREE PROGRAM

A student who, through study in one of the Colleges of Suffolk University, has earned three-quarters of the credits required for a Bachelor's degree may be eligible to follow the program set forth in the Suffolk University College Bulletin, under which he may receive his college degree upon satisfactory completion of the first year Law School subjects as listed in the three year course, whether such courses are taken in the day or evening division. Inquiries concerning eligibility for this program should be directed to the Dean of the University.

LEGAL APTITUDE TEST

All first year students are required to take the Law School Admission Test, and have the results forwarded to the Law School. Although the Test is not a prerequisite for application for admission, it is urged that it be taken prior thereto, if possible. Any student who has not taken the Test prior to his admission to the Law School will be required to take the Test next given thereafter.

The Test is given each year in February, April, August and November in the major cities of the United States. For information and application form, address Law School Admission Test, Educational Testing Service, 20 Nassau Street, Princeton, New Jersey.

ADMISSION REQUIREMENTS

Suffolk University Law School, in compliance with the prelegal college educational requirements of the American Bar Association, accepts as regular students only applicants who have satisfactorily completed at least three-quarters of the credits acceptable for a bachelor's degree from an approved college or university. However, as may be noted from an examination of the roster of the Candidates for Bachelor of Laws Degree, practically all of our students have previously earned a bachelor's degree.
A limited number of applicants whose experience and achievement, in the judgment of the Faculty, have qualified them for the study of law despite a lack of sufficient collegiate credits, may be admitted as special students. Before he will be considered for admission as a special student, a candidate must obtain from the Board of Bar Examiners of the jurisdiction in which he intends to practice a written statement to the effect that his prelegal educational background satisfies its requirements for eligibility to take the Bar Examination.

One who is not eligible for admission as a regular or special student may consult the Registrar of the College Departments of Suffolk University for a program of day or evening studies which will prepare him for admission to the Law School.

Some states now require such procedures as Law Student Registration, the filing of a Law Student's Qualifying Certificate, and other formalities before an applicant begins the study of law, under the rules for admission to the local bar. Therefore, persons who may desire to practice law elsewhere than in Massachusetts are advised to inquire of the Secretary of the Board of Bar Examiners of such other jurisdiction to determine their eligibility and to insure their completion of all local requirements for the Bar Examination.

ADMISSION PROCEDURE

Application for admission must be made on the form provided therefor, which may be obtained from the Registrar. If the applicant has not previously attended Suffolk University, the application must be accompanied by an Application Fee of $10 which is not refundable.

The applicant must request the Registrars of all colleges and graduate or professional schools previously attended to forward official transcripts of his records directly to the Registrar of Suffolk University Law School.

If a period of time other than that of a usual academic vacation has intervened during or since the applicant's attendance at a college or university, he must furnish to the Registrar a statement in writing accounting for his occupation or other activity during that interim.

The applicant must also arrange to have letters of opinion concerning his character, intelligence, industry and aptitude for the study of law sent directly to the Registrar by two responsible persons not related to the applicant.

All applications are voted on by the Faculty Administrative Committee. Notification of the action taken will be sent by mail to the applicant.
at the address given on the application unless otherwise requested in writing.

After an applicant has been notified of his admission to the Law School, he is required, as a part of the initial registration procedure, to furnish to the Registrar a passport-type photograph to be included with his records for the purpose of identification.

REGISTRATION

Registration is accomplished as far as possible by mail prior to the commencement of classes. Registration forms will be mailed to applicants who have been admitted to regular courses.

A student who requires a special program of courses should make an appointment for a personal interview with the Registrar well in advance of the opening of the semester.

TRANSFER STUDENTS

A student who has maintained a satisfactory academic record in another law school and who meets the Admission Requirements of Suffolk University Law School may apply for admission as a transfer student.

An application by a student with an unsatisfactory record at another law school will not be considered.

In the discretion of the Faculty Administrative Committee, advanced standing for the degree of Bachelor of Laws may be granted for courses successfully completed by students in good standing in approved law schools.

DAY AND EVENING DIVISIONS

FULL-TIME STUDY

Courses for the degree of Bachelor of Laws in Suffolk University Law School are offered in day and evening divisions. The regular course in the day division consists of three academic years of full-time study of law.

Under the Regulations of the School, the Standards of the American Bar Association, and Rules of the Board of Bar Examiners of the Commonwealth of Massachusetts, No. 1b.
Commonwealth of Massachusetts, only those students who can devote *substantially all of their working time* to the study of law are eligible to enroll in the full-time day division and complete their law course in three school years or six semesters.

**PART-TIME STUDY**

Students who cannot devote substantially all of their working time to the study of law may enroll in the evening division and complete their work for the degree in four school years or eight semesters, or may take a part-time special program of study in the day division.

The basic subjects in the day and evening divisions are the same. Students in both divisions are held to the same academic standards.

**COMMENCEMENT OF COURSES**

The regular three year course in the day division program commences only in September.

The regular four year course in the evening division program commences in September and also at the beginning of the second semester, in late January.

Special programs are arranged upon consultation with the Registrar.

**SEMESTER HOUR REQUIREMENTS**

The academic year consists of two semesters, the First or Fall Semester, commencing in September, and the Second or Spring Semester, commencing in late January.

The regular full-time day division three year course requires six semesters of fifteen semester hours each of class work.

The regular part-time evening division four year course requires eight semesters of nine semester hours each of class work.

A part-time special day division course requires credits for seventy-two semester hours of class work, computed on the basis of the semester hours allotted to the same courses in the evening division.

**CLASS HOURS**

All classes consist of 50 minute periods. Classes in the day division begin at 9 a.m., and end not later than 5 p.m., Monday through Friday. Classes in the evening division are conducted between 6 p.m. and 9 p.m. on Monday, Wednesday and Friday.

Class schedules are announced shortly before the commencement of each semester.
SUFFOLK UNIVERSITY

CURRICULUM

The development of a well-rounded legal education demands a thorough training with special emphasis upon the fundamental branches of the law. There are other subjects, which, while important and valuable from the standpoint of information, are less vital to the understanding of basic principles or to the development of legal reasoning.

The curriculum, accordingly, includes certain courses which are required, and others among which some degree of election is permitted.

Required courses are shown in the Schedules of Regular Courses. A list of elective courses follows.

GRADING SYSTEM

Course examinations are numerically graded, and a student’s standing is determined on the basis of a weighted average. Reports of grades are made by letters which have the following per cent values:

- 90% and above A
- 87-89% B+
- 83-86% B
- 80-82% B –
- 75-79% C (Satisfactory Pass)
- 70-74% D (Unsatisfactory Pass)

REQUIREMENTS FOR BACHELOR OF LAWS DEGREE

A candidate for the degree of Bachelor of Laws must comply with the following requirements:

(a) Such candidate must have completed at least three years of full-time study in law school, of which at least the last year shall have been taken in Suffolk University Law School, or have completed at least four years of part-time study in law school, whether day or evening, of which at least the last year shall have been taken in Suffolk University Law School.

(b) Such candidate must have obtained a general weighted average of at least 75%, and have outstanding failures in no more than two courses.

Compliance with the foregoing requirements will not entitle a candidate, as of right, to the degree. Degrees are awarded by the Trustees of Suffolk University on recommendation by the Faculty Administrative Committee. Recommendation may be withheld by the Committee for cause other than scholastic deficiency.

HONORS

Students who have complied with all requirements for the degree of Bachelor of Laws, and whose scholastic achievement, in the judgment of the Faculty Administrative Committee, has been outstanding, will be recommended for the degree with honors.

GRADUATE COURSES

The Graduate Division of Suffolk University Law School offers courses which are open to members of the Bar, law school graduates, and other persons qualified for participation by virtue of occupation, training or experience. Courses currently being offered are announced each semester in a Prospectus which may be obtained from the Registrar.

A program of study in such courses may be taken for credit toward the degree of Master of Laws by qualified graduates of approved law schools. Persons who wish to become candidates for the Master's degree should apply to the Registrar for an appointment for a personal interview with the Chairman of the Faculty Committee on Graduate Studies.
REGULATIONS

1. Only students who can devote substantially all their working time to the study of law are eligible for admission to the three year full-time day division program. (See also Regulations, No. 5.)

2. Students in course may not omit courses or examinations scheduled, or take courses or examinations not scheduled for their respective classes, except by prior permission of the Faculty Administrative Committee or the Dean.

3. A student out of course must obtain approval of his program of study by the Faculty Administrative Committee prior to registration.

4. A student who for any academic year has a weighted average of less than 75%, or a full-time day student whose work in any academic year has been unsatisfactory in three or more courses or more than six semester hours, or a part-time student whose work in any academic year has been unsatisfactory in two or more courses, is not in good standing, and an appropriate academic sanction will be imposed by the Faculty Administrative Committee.

   Such sanction, depending on the degree of scholastic deficiency, will be either —

   a.) Dismissal from the Law School,
   b.) Probation, prescribing specific conditions under which the student will be permitted to remain in the Law School, or
   c.) Academic Warning, under which no special terms are imposed. A student who has received an Academic Warning may advance with his Class, but is considered to have received a formal admonition that he is not in good academic standing.

5. A student who has been dismissed from the Law School for scholastic deficiency, who believes that there were extenuating circumstances beyond his control which establish that such deficiency was not due to his lack of ability or failure to apply himself diligently to the study of law, may as a matter of right file a written petition to the Faculty Administrative Committee for reinstatement, stating therein such facts specifically and fully.

   *In the case of a student in the three year full-time day division*
program, interference with study by employment or other outside activity voluntarily undertaken does not constitute ground for such a petition. (See Regulations, No. 1.)

Reinstatement and the terms thereof are in the discretion of the Faculty Administrative Committee.

6. A student who fails to attend classes, to perform assignments or to take examinations may be dismissed from the Law School or placed on Probation by the Faculty Administrative Committee.

7. A student who fails to meet the terms of Probation may be dismissed from the Law School by the Faculty Administrative Committee.

8. A student who has received a grade of D or better in any course may not take a re-examination in that course unless he has been placed on Probation the conditions of which provide otherwise.

9. A student who has failed to take the examination or who has received an F in any course or courses, and who has not been dismissed from the Law School, and has not been placed on Probation the conditions of which provide otherwise, may take the next regular examination in the same division in such course or courses. Special make-up examinations are not given. A student may take only one re-examination in any course, and the higher of the two grades received will stand as the final grade. A fee of $5 is charged for each re-examination.

Failure to take such next regular examination in any course constitutes a waiver of the privilege with respect to that course unless authorized or excused by the Faculty Administrative Committee or the Dean, and the student's grade for such course shall be finally recorded as F.

10. The Faculty Administrative Committee reserves the right to change the schedule of lectures, the program of instruction, the requirements for credits or degrees, and any rule or regulation established for the government of the student body in the School. Any such change may be made applicable to students already enrolled in the School.
