HISTORY OF SUFFOLK UNIVERSITY

The Law School, the first unit of the University, was established in September, 1906, to provide professional training for ambitious young men and women of moderate means. In 1914 the school was chartered with degree-granting powers by the Legislature of Massachusetts. The College of Liberal Arts was founded in 1934, the Graduate School of Law in 1935, the College of Journalism in 1936, and the College of Business Administration in 1937. The various departments were incorporated by the Massachusetts Legislature in 1937.

Physical growth of the University has been accompanied by professional recognition. On the level of national accreditation, Suffolk University is a member of the New England Association of Colleges and Secondary Schools, and the Law School is fully approved by the American Bar Association.

The University is also a member of the Association of American Colleges and the Association of University Evening Colleges, and all schools and departments are approved by the Board of Collegiate Authority of the Massachusetts Department of Education. The day and evening curricula of the Law School are also registered with the Department of Education of the State of New York. The Veterans Administration approves all courses for GI benefits.

Located on Beacon Hill, directly behind the State House, near the buildings housing the Supreme Judicial, Superior, Probate, Land and Municipal Courts, Suffolk University provides excellent accommodations for educational work. In the University buildings are the Administrative Offices, University Library, Auditorium, classrooms, laboratories for biology, chemistry, geology and physics, the University Bookstore, and cafeteria.

Although the physical equipment of a university is important, the quality of its educational program is even more significant. The true measure of a university is reflected in the record of its graduates. Early in its history, Suffolk University gained recognition for the quality of its Faculty and the success of its graduates. Judges, lawyers, bankers, businessmen, educators, and leaders in civic and political life owe their advancement to the quality of training received at Suffolk University.

THE LAW LIBRARY

The Law Library, containing over thirty-four thousand volumes, is located on the fourth floor of the new building. By yearly appropriations and gifts from Alumni and others it is constantly increasing its collection. It is open from 9:00 A.M. to 10:00 P.M. Monday through Friday, from 9:00 A.M. to 5:00 P.M. on Saturday, and from 1:00 P.M. to 9:00 P.M. on Sunday.

The Library includes all of the reported decisions of all the states, in the National Reporter System, and all of the official reports of many of the states; reports of all the decisions of the Supreme Court of the United States and other
Federal courts; reports of selected Federal Administrative Agencies; the American Digest; Corpus Juris and Corpus Juris Secundum; American Jurisprudence and American Jurisprudence 2d, and American Law Reports. It also contains a full set of English reports and a large collection of legal periodicals, textbook and casebooks.

With regard to statutory material, the Library has the United States Statutes at Large, the United States Code Annotated, all the compilations of the Massachusetts statutes, the Annotated Laws of Massachusetts, the Massachusetts General Laws Annotated, the Statutes of the New England and other selected states, and Halsbury’s Statutes of England.

The Law Library in the new building has a capacity of 88,000 volumes.

The Massachusetts State Library, a collection of 600,000 volumes, containing many state papers, legislative materials, and other legal research aids, is housed in the State House and easily accessible to law students.

Also available for student use is the Public Library of the City of Boston. This library is one of the largest in the world, containing about 2,000,000 volumes.

**METHOD OF INSTRUCTION**

Competent practice of law requires an ability to analyze and marshal complicated fact situations, as well as a knowledge of legal principles and a trained power of reasoning. Successful study of law depends upon the ability of the student to acquire the skilled lawyer’s mode of thought—the legal mind.

The method of instruction in Suffolk University Law School combines the study of cases and texts with lectures and classroom discussion, and is designed to develop in the student lawyer-like proficiency in analysis, reasoning and expression, and an integrated understanding of related fields of law. Problems are assigned to all students for training in legal thought, research and writing. Whenever practicable, classes are taught in small groups on a seminar basis.

**MOOT COURT PRACTICE**

An integrated Moot Court program has been established for the purpose of acquainting the students with the elements of pleading, practice, trial procedure, brief-writing and appellate argument. It is felt that a prospective lawyer should gain some practical experience in law school and not be confronted with such matters for the first time after he has been admitted to the Bar.

**Practice and Procedure**

The course in Practice and Procedure, which is required of all students, deals particularly with Massachusetts practice at both trial and appellate levels, and involves consideration of the following: jurisdiction of the various courts;
venue; forms, substance and service of writs including attachments and arrest; the various kinds of actions at law; parties; declarations; motions to dismiss, answers in abatement, demurrers, answers to the merits; amendments; interrogatories; notice to admit facts; proceedings before auditors and masters; exceptions; appeals; reports; judgment; execution; extraordinary writs.

**Trial Court**

A Trial Court practice course is also required. Each student must take a contested case through trial in a Moot Court, (either a District Court, a Probate Court, or the Superior Court with or without a jury,) preserving rights of review. The jurisdiction of these Moot Courts is based upon that of the like Courts of Massachusetts. Each of the Courts has a student Clerk.

Practice in these Courts is conducted strictly in accordance with the law and the rules of the various Courts of the Commonwealth of Massachusetts. Student counsel draw their own writs and other process, and have them served by the Moot Court Sheriff and returned to the Clerk’s Office. Each counsel drafts and files his own pleadings and other papers within the times fixed by law. Failure to do so entails the consequences which would follow such default in actual litigation. Sessions of the Courts are held for interlocutory matters, and actual trials are held before juries impaneled from the student body or in sessions without jury.

In all respects, the effort is to approximate as nearly as possible the experience which the young lawyer will have in his first years at the Bar, whether practicing by himself or as a junior in a law office, and thus acquaint the student with court procedure and develop in him a sense of professional responsibility.

**Appellate Court**

All first year day students are required to participate in a Moot Appellate Court program. In this activity the student handles the appellate brief and argument of a case upon an assigned record under review in the Moot Court, (either the Supreme Court, the Supreme Judicial Court, or the Court of last appeal in the jurisdiction of a fictitious state.)

Upper-class students, under Faculty supervision, assume a large part of the responsibility for the conduct of this Court; they act as student counsellors in the preparation of briefs and as judges sitting on the appellate arguments.

**National Moot Court Competition**

Suffolk University Law School participates in the National Moot Court Competition conducted annually under the auspices of the Young Lawyers Committee of the Bar of the City of New York. The students who show the most promise in the Appellate Court program are selected as the team to represent the Law School in this Competition.
STUDENT BAR ASSOCIATION

The regular student body is integrated as The Student Bar Association of Suffolk University Law School. This Association functions under a Charter granted by the Dean and Faculty, and is affiliated with the American Law Student Association, the national organization of Student Bar Associations sponsored by the American Bar Association.

The objectives of the Suffolk University Law School Bar Association, as described in its Charter, are "to assist in the development of a sound program of legal education, to promote understanding and coordination of activity among the members of the Law School community, and to foster cooperation with national, state and local bar associations, and with other law schools through participation in the American Law Student Association."

Under the leadership of its Officers and Board of Governors elected from the upper classes of the student body, the Association sponsors, coordinates and carries on various student activities. It operates through standing committees, whose titles, indicative of the major fields of Association interest, are as follows: Appellate Court Practice, By-Law, Election, Publication, and Social.

A student Delegate represents the Association at the Annual Meeting of the American Law Student Association, held in conjunction with the Annual Meeting of the American Bar Association. Officers of the Association also attend the Annual Regional Conference of the Student Bar Associations of the Law Schools of the First Circuit.

THE LAW REVIEW

The Suffolk University Law Review is published by an editorial staff chosen from second and third year day students and third and fourth year evening students on the basis of high academic achievement and proficiency in legal writing. Each issue contains articles on timely legal subjects prepared by members of the bar, by law school professors or by other experts in law, as well as notes on recent decisions, comments on selected legal subjects and reviews of recent books prepared by student staff members under the guidance of a faculty adviser. The publication of the Law Review is considered a part of the general educational program of the school. Law Review membership is considered the highest honor the school can confer upon its students.

EXTRACURRICULAR ACTIVITIES

Through the cooperation of the Attorney General of Massachusetts and of the District Attorneys of Middlesex County, (where the program was initiated in this region), Suffolk County, Essex County, and Norfolk County, outstanding students participate in legal internship programs. Others gain practical experience through clerkships in various law offices.
INDIGENT DEFENDANT PROGRAM

Pursuant to Rule 11 of the Supreme Judicial Court, Commonwealth of Massachusetts, our law school has established an Indigent Defendant Program in the Somerville District Court, Somerville, Massachusetts. Senior law students, both in the day and evening divisions who qualify under the above rule and are certified as such by the Dean of the law school, participate in the defense of indigent defendants. The program at the law school is administered by a faculty committee; cases are assigned by the court to a faculty member who is a lawyer and the students under his supervision prepare and defend the case in court. The program is designed to give to the students clinical training in the art of trial practice.

Student activities sponsored by the University are open to qualified students in the Law School. Maintenance of a satisfactory scholastic standard is a prerequisite for participation in such activities.

The Wig and Robe Society is a privately operated study club in which all male students in the Law School are eligible for membership. It maintains club rooms near the School in which it has the reports of the Supreme Judicial Court of the Commonwealth, the Federal Reports, Corpus Juris, textbooks and other legal material available to its membership. Guest lecturers are procured to speak on problems of the law. It is an aim of the Society to foster a closer unity between students, Faculty and alumni.

The Suffolk University Law School Alumni Fund, created and maintained by contributions of alumni and other friends of the Law School, finances the following scholarships:

Alumni Fund Class Leader Scholarships, five of which, covering a year's tuition, are awarded annually to the upper-classmen with the highest average for the preceding year in their respective classes in the day and evening divisions, and the sixth, covering one-half of the year's tuition, to the student with the highest average for the Spring Semester in the group which entered the evening division in the preceding January.

Alumni Fund Scholarships, covering all or part of a year's tuition, which are made available annually to upperclassmen with a minimum
of 83% (B) for the previous academic year, on the recommendation of the Faculty Scholarship Committee on the basis of scholarship, character and need.

Alumni Fund Entrance Scholarships, covering all or part of tuition charges, which are made available to applicants for admission to the Law School whose college scholastic records, in the judgment of the Faculty Scholarship Committee, are outstanding. Continuation of such scholarships shall be conditioned upon the students' maintaining a minimum average of 83% (B).

During the past academic year, 35 students received the benefits of such Scholarships.

The following alumni have contributed scholarships as follows for the school year 1967-1968:

- Nelson G. Burke (2) 1935 $2,000.
- Joseph A. Caulfield 1924 1,000.

GRADUATE FELLOWSHIP

The Trustees of the University have established a Graduate Fellowship, to be awarded to a graduating student of the Law School whose record, in the judgment of the Trustees, has been outstanding. The Fellowship carries a substantial stipend, to enable the recipient to pursue a year of full-time graduate
study at a leading law school of his choice. Specific recommendation by the Faculty and its approval of a projected course of graduate study are prerequisites for consideration by the Trustees of a candidate for this Fellowship.

AWARDS

The Boston Safe Deposit and Trust Company sponsors annually an Estate Planning and Drafting Contest for students of Suffolk University Law School, with awards of $250, $150, and $100 for the best legal memoranda on and drafts of a plan for a fictitious estate of a moderately wealthy client. This contest serves as an adjunct to the elective course in Estate Planning, and affords the students participating therein an opportunity for intensive practical experience in that field.

The American Society of Composers, Authors and Publishers annually conducts the Nathan Burkan Memorial Competition, in which prizes of $250 and $100 are awarded in each participating law school for the best papers based on original research in the field of copyright and related law. Winning papers also compete for national awards and publication in the “ASCAP Copyright Law Symposium.”

The Lawyers Title Insurance Corporation of Richmond, Virginia, has established an annual award of $100 to the graduating student, in either the day or evening division, who has attained the highest weighted average in Real Property subjects.

The Lawyers Co-operative Publishing Company makes semi-annual awards of separately bound volumes of the material in American Jurisprudence on the following subjects, to be awarded to the highest ranking students in the courses related thereto:

The Bureau of National Affairs, Inc. annually makes available an award of a year’s subscription to “United States Law Week” to the graduating student who, in the judgment of the Faculty Administrative Committee, has made the most satisfactory scholastic progress in his final year.
LOAN FUNDS

The Bar Association of Norfolk County Student Loan Fund, in the amount of $1,000, the first to be set up in this region by a Bar Association, was established in 1958 to assist promising students of limited means, with preference to be given to residents of Norfolk County.

The Boston Bar Association Student Loan Fund, in the sum of $500, was created in 1959 by donations of its members for the purpose of aiding deserving law students.

The Unity Student Loan Fund was established in 1962 by a gift of $2,000 from a friend of Suffolk University Law School to aid deserving students in satisfactory academic standing to finance their law studies.

The Massachusetts Bar Association Student Loan Fund was established in 1962 through a donation of $6,250 by that Association derived from gifts of $4,750 from the Massachusetts Law Society Fund and $1,500 from the Gerald P. Walsh Memorial Fund, which, through a cooperative arrangement with United Student Aid Funds, Inc. and Chemical Bank New York Trust Company, serves as a reserve for the underwriting of long-term loans to full-time students who have given evidence of their ability to complete successfully the study of law.

The American Bar Association Fund for Legal Education was established in 1964 to make available loan funds for law students in accredited law schools. To be eligible for such a loan, a student must have completed his first year of law study, must be regularly enrolled and in good standing.

The Suffolk University Law School Alumni Fund, in addition to providing scholarships for academic excellence, makes available funds for loans to students in good standing who are in need of financial assistance.

Applications for loans should be filed with the Chairman of the Faculty Loan Committee.

PRELEGAL STUDY

The Faculty does not specify particular subjects for prelegal education. Our students come from many universities, of varied curricula, and the great disparity found in the quality of teaching, method and content of college courses makes it impractical to designate particular subjects as the “best” preparation for the study of law. However, it may be said that concentration in one or more of the usual fields of the arts and sciences and the humanities, such as history, government, philosophy, literature, mathematics, economics and the like, is desirable. Undergraduate courses in at least elementary accounting are recommended, as they furnish a background helpful in many courses in law school.

The importance of proficiency in English, both written and spoken, cannot be overemphasized.
COMBINED DEGREE PROGRAM

A student who, through study in one of the Colleges of Suffolk University, has earned three-quarters of the credits required for a Bachelor's degree may be eligible to follow the program set forth in the Suffolk University College Bulletin, under which he may receive his college degree upon satisfactory completion of the first year Law School subjects as listed in the three year course, or their equivalent in the evening division. Inquiries concerning eligibility for this program should be directed to the Director of Admissions of the University.

LAW SCHOOL ADMISSION TEST

Every applicant for admission to Suffolk University Law School is required to take the Law School Admission Test before consideration will be given to his application, unless good cause for failure to take such Test is evident or is demonstrated. It is to the applicant's advantage to take the Test before or as soon as possible after he makes application, because early admission may thereby be facilitated. In the event that a student is admitted without having taken the Test, he will be required to take the Test on the first testing date following his admission.

The Test is given each year in February, April, August and November in the major cities of the United States. For information and application form, address Law School Admission Test, Educational Testing Service, 20 Nassau Street, Princeton, New Jersey 08540.

ADMISSION REQUIREMENTS

Candidates for admission to Suffolk University Law School must have completed the work accepted for a bachelor's degree in an accredited college or university, or must be pursuing a combined course of study leading to a bachelor's degree at Suffolk University.

In view of the large number seeking admission to the law school, we suggest that applicants file as early as possible. Although there is no specific closing date for filing applications for September 1967, it is recommended that applicants for the Day Division file no later than May 1, and applicants for the Evening Division file no later than June 15.

A limited number of applicants whose maturity, experience and achievement, in the judgment of the Faculty Administrative Committee, have qualified them for the study of law despite a lack of sufficient collegiate credits, may be admitted as special students. Before he will be considered for admission as a special student, a candidate must obtain from the Board of Bar Examiners of the jurisdiction in which he intends to practice a written statement to the effect that his prelegal educational background satisfies its requirements for eligibility to take the Bar Examination.

One who is not eligible for admission as a regular or special student may consult the Registrar of the College Departments of Suffolk University for a program of day or evening studies culminating in a bachelor's degree.
Suffolk University

Some states now require such procedures as Law Student Registration, the filing of a Law Student's Qualifying Certificate, and other formalities before an applicant begins the study of law, under the rules for admission to the local bar. Therefore, persons who may desire to practice law elsewhere than in Massachusetts are advised to inquire of the Secretary of the Board of Bar Examiners of such other jurisdiction to determine their eligibility and to insure their completion of all local requirements for the Bar Examination.

ADMISSION PROCEDURE

Application for admission must be made on the form provided therefor, which may be obtained from the Registrar. Each application must be accompanied by an Application Fee of $10, which is not refundable.

The applicant must request the Registrars of all colleges and graduate or professional schools previously attended to forward official transcripts of his records directly to the Registrar of Suffolk University Law School.

If a period of time other than that of a usual academic vacation has intervened during or since the applicant’s attendance at a college or university, he must furnish to the Registrar a statement in writing accounting for his occupation or other activity during that interim.

The applicant must also arrange to have letters of opinion concerning his character, intelligence, industry and aptitude for the study of law sent directly to the Registrar by two responsible persons not related to the applicant.

All applications are voted on by the Faculty Admissions Committee. Notification of the action taken will be sent by mail to the applicant at the address given on the application unless otherwise requested in writing.

Each applicant who has been accepted for admission is required to notify the Law School in writing of his intention to enter the school and a deposit of $50 must accompany such notice to insure that a space will be available. This deposit is not refundable but will be applied toward the tuition for the first semester. However, under no circumstances will the deposit be refunded or applied toward any other semester.

After an applicant has been notified of his admission to the Law School, he is required, as a part of the initial registration procedure, to furnish to the Registrar two photographs at least 2" x 2" in size to be included with his records for the purpose of identification.

REGISTRATION

Registration is accomplished as far as possible by mail prior to the commencement of classes. Registration forms will be mailed to applicants who have been admitted to regular courses. However, registrations will not be processed
unless the form, when returned, is accompanied by a tuition deposit of $50, which will be credited to the first tuition payment. The tuition deposit will not be refunded to applicants who fail to attend.

A student who requires a special program of courses other than one prescribed by the Faculty Administrative Committee should make an appointment for a personal interview with the Registrar well in advance of the opening of the semester.

TRANSFER STUDENTS

A student who has maintained a satisfactory academic record in another law school and who meets the Admission Requirements of Suffolk University Law School may apply for admission as a transfer student.

An application by a student with an unsatisfactory record at another law school will not be considered.

In the discretion of the Faculty Admissions Committee, advanced standing for the degree of Bachelor of Laws may be granted for courses successfully completed by students in good standing in other law schools approved by the American Bar Association.

DAY AND EVENING DIVISIONS

Courses for the degree of Bachelor of Laws are offered in day and evening divisions. Suffolk University Law School is the only law school in Massachusetts approved by the American Bar Association which conducts part-time evening division courses leading to the degree.

FULL-TIME STUDY

The regular course in the day division consists of three academic years of full-time study of law. Under the Regulations of the School, the Standards of the American Bar Association, and the Rules of the Board of Bar Examiners of the Commonwealth of Massachusetts, only those students who can devote substantially all of their working time to the study of law course in three school years or six semesters.

PART-TIME STUDY

Students who cannot devote substantially all of their working time to the study of law may enroll in the evening division and complete their work for the degree in four school years or eight semesters.

The basic subjects in the day and evening divisions are the same. Students in both divisions are afforded the same quality of instruction and are held to the same academic standards.

1 Regulations Nos. 1 and 5.
2 Standards of the American Bar Association for Legal Education, No. (1) (b).
3 Rules of the Board of Bar Examiners of the Commonwealth of Massachusetts, No. 1b.
COMMENCEMENT OF COURSES

The regular three year course in the day division program commences *only* in September.

A regular four year course in the evening division program commences in September and also at the beginning of the Second Semester, in late January.

SEMESTER HOUR REQUIREMENTS

The academic year consists of two semesters, the First or Fall Semester, commencing in September, and the Second or Spring Semester, commencing in late January.

The regular full-time day division three year course requires six semesters of fifteen semester hours each of class work.

The regular part-time evening division four year course requires eight semesters of nine semester hours each of class work.

CLASS HOURS

All classes consist of 50 minute periods. Classes in the day division begin at 9 A.M. and end not later than 5 P.M., Monday through Friday. In recent years, classes in the evening division have been conducted between 6 P.M. and 9 P.M. on Monday, Wednesday and Friday. Because of increasing enrollment some evening students may be required to attend classes on Tuesdays, Thursdays and Fridays rather than Mondays, Wednesday and Fridays.

Class Schedules are announced shortly before the commencement of each semester.

CURRICULUM

The development of a well-rounded legal education demands a thorough training with special emphasis upon the fundamental branches of the law. There are other subjects, which, while important and valuable from the standpoint of information, are less vital to the understanding of basic principles or to the development of legal reasoning.

The curriculum, accordingly, includes certain courses which are required, and others among which some degree of election is permitted.

Required courses are shown in the Schedules of Regular Courses. A list of elective courses follows.
ELECTIVE COURSES

Advanced Taxation  Labor Law
Choice of Business Entity  Land Court Jurisdiction

*Required of all January entrants.

GRADING SYSTEM

Course examinations are numerically graded on the scale of 100%, and a student's class standing is determined on the basis of his weighted average, which is cumulated after the first year. Reports of grades are made by letters which have the following per cent values:

A  90% and above
B+  87-89%
B   83-86%
B−  80-82%
C  75-79%  (Satisfactory)
D  70-74%  (Unsatisfactory)
F  Below 70%  (Failure)

A student is required to maintain good academic standing. For a statement of conditions under which a student is not in good standing, and the consequences thereof, see Regulations, No. 4.

DEAN’S LIST

Students whose weighted average is 83% or above for any academic year are eligible for the Dean’s List.

REQUIREMENTS FOR THE DEGREE OF

BACHELOR OF LAWS

A candidate for the degree of Bachelor of Laws must comply with the following requirements:

(a) Such candidate must have completed at least three years of full-time study in law school, of which at least the last year shall have been taken in Suffolk University Law School, or have completed at least four years of part-time study in Law School, of which at least the last year shall have been taken in Suffolk University Law School.

(b) Such candidate must (1) have obtained a general weighted average of at least 75%, (2) be in good academic standing and (3) have failures outstanding in no more than two courses.

Compliance with the foregoing minimum academic requirements will not entitle a candidate, as of right, to the degree. Degrees are awarded by the Trustees of Suffolk University on recommendation by the Faculty Administrative Committee. Recommendation may be withheld by the Committee for cause other than that of scholastic deficiency.

HONORS

Students who have complied with all requirements for the degree of Bachelor of Laws, and whose scholastic achievement, in the judgement of the Faculty Administrative Committee, has been outstanding, will be recommended for the degree with honors.

GRADUATE PROGRAM

Graduate Degree

A program of study may be taken for credit toward the degree of Master of Laws by qualified graduates of law schools approved by the American Bar Association. Persons who wish to become candidates for the Master's degree should apply to the Secretary of the Law School Faculty well in advance of the opening of classes for an appointment for a personal interview with the Chairman of the Faculty Committee on Graduate Studies.

Continuing Legal Education

The Graduate Division of Suffolk University Law School offers courses which are available as a form of continuing legal education to members of the Bar, law school graduates, and other persons qualified for participation by virtue of occupation, training or experience. Courses currently being offered are announced each semester in a Prospectus which may be obtained from the Registrar.
REGULATIONS

1. Only students who can devote substantially all of their working time to the study of law are eligible for admission to the three year full-time day division program. *(See also Regulations, No. 5.)*

2. Students may not omit courses or examinations scheduled, or take courses or examinations not scheduled for their respective programs, except by prior permission of the Faculty Administrative Committee or the Dean.

3. Special programs of study which have not been prescribed by the Faculty Administrative Committee must be arranged with the Registrar prior to registration.

4. A student who for any academic year has a weighted average of less than 75%, or a full-time day student whose work in any academic year has been unsatisfactory in three or more courses or more than six semester hours, or a part-time student whose work in any academic year has been unsatisfactory in two or more courses, is not in good academic standing, and an appropriate sanction will be imposed by the Faculty Administrative Committee.

   Such sanction, depending on the degree of scholastic deficiency, will be either —
   (a) Dismissal from the Law School,
   (b) Probation, prescribing specific conditions under which the student will be permitted to remain in the Law School, or
   (c) Academic Warning, under which no special terms are imposed. A student who has received an Academic Warning may advance with his Class, but is considered to have received a formal admonition that he is not in good academic standing.

5. A student who has been dismissed from the Law School for academic deficiency, who believes that there were extenuating circumstances beyond his control which establish that such deficiency was not due to his lack of ability or failure to apply himself diligently to the study of law, may as a matter of right file a written petition to the Faculty Administrative Committee for reinstatement, stating therein such facts specifically and fully. Each petitioner shall submit an original and 15 copies of such petition to the office of the Dean within 15 days of receipt of notice of dismissal. A filing fee of $10 is required.

   *In the case of a student in the three year full-time day division program, interference with study by employment or other outside activity voluntarily undertaken does not constitute ground for such a petition. (See Regulations, No. 1.)*

   Reinstatement and the terms thereof are in the discretion of the Faculty Administrative Committee.
6. A student who without adequate reason therefor fails to attend classes, to perform assignments or to take the examination in any course or courses, or who is guilty of conduct unbecoming a student of the law, may be dismissed from the Law School, placed on Probation, or given a Formal Warning by the Faculty Administrative Committee.

7. A student who fails to meet the terms of Probation may be dismissed from the Law School by the Faculty Administrative Committee.

8. A student who has received a grade of D or better in any course may not take a re-examination in that course unless he has been placed on Probation the conditions of which provide otherwise.

9. A student who has failed to take the examination in any course or courses, and who has not been dismissed from the Law School or placed on Probation the conditions of which provide otherwise, must take the next regular examination in the same division in such course or courses. No fee will be charged for such examination.

10. A student who has received a failing grade of F in any course or courses, and who has not been dismissed from the Law School or placed on Probation the conditions of which provide otherwise, may take the next regular examination in the same division in such course or courses. Special make-up examinations are not given. A student may take only one re-examination in any course, and the grade received in the re-examination will be the final grade. A fee of $5 is charged for each re-examination. Failure to take such next regular examination in any course constitutes a waiver of the privilege with respect to that course unless authorized or excused by the Faculty Administrative Committee or the Dean, and the grade originally received for such course shall be final. (See Requirements for the Degree of Bachelor of Laws, (b).)

11. The Faculty Administrative Committee reserves the right to change the schedule of classes, the program of instruction, the requirements for credits or degrees, and any rule or regulation established for the government of the student body in the School. Any such change may be made applicable to students already enrolled in the School.
