THE LAW SCHOOL

The Law School, the first unit of the University, was established in September, 1906, to provide professional training for ambitious young men and women of moderate means. In 1914 the school was chartered with degree-granting powers by the Legislature of Massachusetts. The College of Liberal Arts was founded in 1934, the Graduate School of Law in 1935, the College of Journalism in 1936, and the College of Business Administration in 1937. The various departments were incorporated by the Massachusetts Legislature in 1937.

Physical growth of the University has been accompanied by professional recognition. On the level of national accreditation, Suffolk University is a member of the New England Association of Colleges and Secondary Schools, and the Law School is fully approved by the American Bar Association.

The University is also a member of the Association of American Colleges and the Association of University Evening Colleges, and all schools and departments are approved by the Board of Collegiate Authority of the Massachusetts Department of Education. The day and evening curricula of the Law School are also registered with the Department of Education of the State of New York. The Veterans Administration approves all courses for GI benefits.

Located on Beacon Hill, directly behind the State House, near the buildings housing the Supreme Judicial, Superior, Probate, Land and Municipal Courts, Suffolk University provides excellent accommodations for educational work. In the University buildings are the Administrative Offices, University Library, Auditorium, classrooms, laboratories for biology, chemistry, geology and physics, the University Bookstore, and cafeteria.

Although the physical equipment of a university is important, the quality of its educational program is even more significant. The true measure of a university is reflected in the record of its graduates. Early in its history, Suffolk University gained recognition for the quality of its Faculty and the success of its graduates. Many judges, lawyers, bankers, businessmen, educators, and leaders in civic and political life owe their advancement to the quality of training received at Suffolk University.

THE LAW LIBRARY

The Law Library, containing approximately forty-two thousand volumes, is located on the fourth floor of the new building. By early appropriations and gifts from Alumni and others it is constantly increasing its collection. During the academic year 1968-1969, approximately four thousand volumes will have been added. It is open from 9:00 A.M. to 10:00 P.M. Monday through Friday, from 9:00 A.M. to 5:00 P.M. on Saturday, and from 1:00 P.M. to 9:00 P.M. on Sunday.

The Library includes all of the reported decisions of all the states, in the National Reporter System, and all of the official reports of many of the states; reports of all the decisions of the Supreme Court of the United States and other
Federal courts; reports of selected Federal Administrative Agencies; the American Digest; Corpus Juris and Corpus Juris Secundum; American Jurisprudence and American Jurisprudence 2d, and American Law Reports. It also contains a full set of English reports and a large collection of legal periodicals, textbooks and casebooks.

With regard to statutory material, the Library has the United States Statutes at Large, the United States Code Annotated, all the compilations of the Massachusetts statutes, the Annotated Laws of Massachusetts, the Massachusetts General Laws Annotated, the Statutes of the New England and other selected states, and Halsbury's Statutes of England.

The Law Library in the new building has a capacity of 88,000 volumes.

The Massachusetts State Library, a collection of 600,000 volumes, containing many state papers, legislative materials, and other legal research aids, is housed in the State House and easily accessible to law students.

Also available for student use is the Public library of the City of Boston. This library is one of the largest in the world, containing about 2,000,000 volumes.

**METHOD OF INSTRUCTION**

Competent practice of law requires an ability to analyze and marshal complicated fact situations, as well as a knowledge of legal principles and a trained power of reasoning. Successful study of law depends upon the ability of the student to acquire the skilled lawyer's mode of thought—the legal mind.

The method of instruction in Suffolk University Law School combines the study of cases and texts with lectures and classroom discussion, and is designed to develop in the student lawyer-like proficiency in analysis, reasoning and expression, and an integrated understanding of related fields of law. Problems are assigned to all students for training in legal thought, research and writing. Whenever practicable, classes are taught in small groups on a seminar basis.

**MOOT COURT PRACTICE**

An integrated Moot Court program has been established for the purpose of acquainting the students with the elements of pleading, practice, trial procedure, brief-writing and appellate argument. It is felt that a prospective lawyer should gain some practical experience in law school and not be confronted with such matters for the first time after he has been admitted to the Bar.

**PRACTICE AND PROCEDURE**

The course in Practice and Procedure deals particularly with Massachusetts practice at both trial and appellate levels, and involves consideration of the following: jurisdiction of the various courts; venue; forms, substance and service
of writs including attachments and arrest; the various kinds of actions at law; parties; declarations; motions to dismiss, answers in abatement, demurrers, answers to the merits; amendments; interrogatories; notice to admit facts; proceedings before auditors and masters; exceptions; appeals; reports; judgment; execution; extraordinary writs.

**Trial Court**

A Trial Court practice course is an elective. Each student must take a contested case through trial in a Moot Court, (either a District Court, a Probate Court, or the Superior Court with or without a jury,) preserving rights of review. The jurisdiction of these Moot Courts is based upon that of the like Courts of Massachusetts. Each of the Courts has a student Clerk.

Practice in these Courts is conducted strictly in accordance with the law and the rules of the various Courts of the Commonwealth of Massachusetts. Student counsel draw their own writs and other processes, and have them served by the Moot Court Sheriff and returned to the Clerk's Office. Each counsel drafts and files his own pleadings and other papers within the times fixed by law. Failure to do so entails the consequences which would follow such default in actual litigation. Sessions of the Courts are held for interlocutory matters, and actual trials are held before juries impaneled from the student body or in sessions without jury.

In all respects, the effort is to approximate as nearly as possible the experience which the young lawyer will have in his first years at the Bar, whether practicing by himself or as a junior in a law office, and thus acquaint the student with court procedure and develop in him a sense of professional responsibility.

**Appellate Court**

All first year day students are required to participate in a Moot Appellate Court program. In this activity the student handles the appellate brief and argument of a case upon an assigned record under review in the Moot Court, (either the Supreme Court of the United States, the Supreme Judicial Court, or the Court of last appeal in the jurisdiction of a fictitious state.)

Upper-class students, under Faculty supervision, assume a large part of the responsibility for the conduct of this Court; they act as student counsellors in the preparation of briefs and as judges sitting on the appellate arguments.

**NATIONAL MOOT COURT COMPETITION**

Suffolk University Law School participates in the National Moot Court Competition conducted annually under the auspices of the Young Lawyers Committee of the Bar of the City of New York. The students who show the most promise in the Appellate Court program are selected as the team to represent the Law School in this Competition.
STUDENT BAR ASSOCIATION

The regular student body is integrated as The Student Bar Association of Suffolk University Law School. This Association functions under a Charter granted by the Dean and Faculty, and is affiliated with the American Law Student Association, the national organization of Student Bar Associations sponsored by the American Bar Association.

The objectives of the Suffolk University Law School Bar Association, as described in its Charter, are “to assist in the development of a sound program of legal education, to promote understanding and coordination of activity among the members of the Law School community, and to foster cooperation with national, state and local bar associations, and with other law schools through participation in the American Law Student Association.”

Under the leadership of its Officers and Board of Governors elected from the upper classes of the student body, the Association sponsors, coordinates and carries on various student activities. It operates through standing committees, whose titles, indicative of the major fields of Association interest, are as follows: Appellate Court Practice, By-Law, Election, Publication, and Social.

A student Delegate represents the Association at the Annual Meeting of the American Law Student Association, held in conjunction with the Annual Meeting of the American Bar Association. Officers of the Association also attend the Annual Regional Conference of the Student Bar Associations of the Law Schools of the First Circuit.

THE LAW REVIEW

The Suffolk University Law Review is published by an editorial staff chosen from second and third year day students and third and fourth year evening students on the basis of high academic achievement and proficiency in legal writing. Each issue contains articles on timely legal subjects prepared by members of the bar, by law school professors or by other experts in law, as well as notes on recent decisions, comments on selected legal subjects and reviews of recent books prepared by student staff members under the guidance of a faculty adviser. The publication of the Law Review is considered a part of the general educational program of the school. Law Review membership is considered the highest honor the school can confer upon its students.

EXTRACURRICULAR ACTIVITIES

Through the cooperation of the Attorney General of Massachusetts and of the District Attorneys of Middlesex County, (where the program was initiated in this region), Suffolk County, Essex County, and Norfolk County, outstanding students participate in legal internship programs. Others gain practical experience through clerkships in various law offices.
The Law Clerk and Legal Intern Programs seek to involve the student in clinical work in various agencies in the Commonwealth.

The Law Clerk program is unique among the law schools in Massachusetts. Second and third year students are assigned as Law Clerks to Justices of various District Courts to assist the Justices in research and in preparation of memoranda on issues before the courts in actual cases. Nine courts are participating: District Court of Lawrence, District Court of Lowell, Central District Court of Northern Essex, District Court of Central Middlesex, First District Court of Eastern Middlesex, Central District Court of Worcester, Third District Court of Eastern Middlesex, Municipal Court of the Roxbury District and Newburyport District Court.

The Legal Intern program places second and third year students in the offices of: Attorney General-Commonwealth of Massachusetts, Middlesex County District Attorney, Suffolk County District Attorney, Corporation Counsel, City of Boston, Plymouth County District Attorney, Norfolk County District Attorney, Legal Aid Society of Greater Lawrence, Lynn Neighborhood Legal Services, Inc., and Essex County District Attorney. The students assist by interviewing witnesses; research; preparation of memoranda, briefs for appeals and other documents for filing in court; and involvement in general administrative work of the agencies.

Participating students have found the experience obtained in these programs invaluable, and the agencies have reported that the assistance rendered by the students has been helpful in alleviating the overload in the functioning of their offices.

The Indigent Defendant Program. Pursuant to Rule 11 of the Supreme Judicial Court, Commonwealth of Massachusetts, our law school has established an Indigent Defendant Program in the Somerville District Court, Somerville, Massachusetts. Senior law students, both in the day and evening divisions who qualify under the above rule and are certified as such by the Dean of the law school, participate in the defense of indigent defendants. The program at the law school is administered by a faculty committee; cases are assigned by the court to a faculty member and the students under his supervision prepare and defend the case in court. The program is designed to give to the students clinical training in the art of trial practice.

Student activities sponsored by the University are open to qualified students in the Law School. Maintenance of a satisfactory scholastic standard is a prerequisite for participation in such activities.

The Wig and Robe Society is a privately operated study club in which all male students in the Law School are eligible for membership. It maintains club rooms near the School in which it has the reports of the Supreme Judicial Court of the Commonwealth, the Federal Reports, Corpus Juris, textbooks and other legal material available to its membership. Guest lecturers are procured to speak on problems of the law. It is an aim of the Society to foster a closer unity between students, Faculty and alumni.
Felix Frankfurter Chapter, Phi Alpha Delta Law Fraternity, from its very inception, has always encouraged and promoted a high ethical standard of conduct among all of its members, a continuing education in the law for its practicing members, and scholastic attainment and professional development among its student members.

To its members it offers practical training to help bridge the gap between the academic emphasis in law school and the actual handling of clients and their problems; it affords its members an opportunity to associate with prominent members of the bench and the bar at fraternity-sponsored functions; it furnishes the young lawyer a forum in which he may become acquainted with practicing attorneys from throughout the country; and through its active chapters it gives the law student the opportunity to develop friendships which will ripen into life-long professional associations.

Students who have completed two years of day or three years of evening law school and who are members of the fraternity may be eligible for a scholarship. Applications and detailed information can be received from Professor Fenton or the Frankfurter Chapter Justice.

GRADUATE FELLOWSHIP

The TRUSTEES OF THE UNIVERSITY have established a Graduate Fellowship, to be awarded to a graduating student of the Law School whose record, in the judgment of the Trustees, has been outstanding. The Fellowship carries a substantial stipend, to enable the recipient to pursue a year of full-time graduate study at a leading law school of his choice. Specific recommendation by the Faculty and its approval of a projected course of graduate study are prerequisites for consideration by the Trustees of a candidate for this Fellowship.

AWARDS

The BOSTON SAFE DEPOSIT AND TRUST COMPANY sponsors annually an Estate Planning and Drafting Contest for students of Suffolk University Law School, with awards of $250, $150, and $100 for the best legal memoranda on and drafts of a plan for a fictitious estate of a moderately wealthy client. This contest serves as an adjunct to the elective course in Estate Planning, and affords the students participating therein an opportunity for intensive practical experience in that field.

The AMERICAN SOCIETY OF COMPOSERS, AUTHORS AND PUBLISHERS annually conducts the Nathan Burkan Memorial Competition, in which prizes of $250
Suffolk University

and $100 are awarded in each participating law school for the best papers based on original research in the field of copyright and related law. Winning papers also compete for national awards and publication in the “ASCAP Copyright Law Symposium.”

The Lawyers Title Insurance Corporation of Richmond, Virginia, has established an annual award of $100 to the graduating student, in either the day or evening division, who has attained the highest weighted average in Real Property subjects.

The Lawyers Co-operative Publishing Company makes semi-annual awards of separately bound volumes of the material in American Jurisprudence on the following subjects, to be awarded to the highest ranking students in the courses related thereto:

LOAN FUNDS

The Bar Association of Norfolk County Student Loan Fund, in the amount of $1,000, the first to be set up in this region by a Bar Association, was established in 1958 to assist promising students of limited means, with preference to be given to residents of Norfolk County.

The Boston Bar Association Student Loan Fund, in the sum of $500, was created in 1959 by donations of its members for the purpose of aiding deserving law students.

The Unity Student Loan Fund was established in 1962 by a gift of $2,000 from a friend of Suffolk University Law School to aid deserving students in satisfactory academic standing to finance their law studies.

The Massachusetts Bar Association Student Loan Fund was established in 1962 through a donation of $6,250 by that Association derived from gifts of $4,750 from the Massachusetts Law Society Fund and $1,500 from the Gerald P. Walsh Memorial Fund, which, through a cooperative arrangement with United Student Aid Funds, Inc. and Chemical Bank New York Trust Company, serves as a reserve for the underwriting of long-term loans to full-time students who have given evidence of their ability to complete successfully the study of law.
The Maine Bar Association has established a Loan Fund, the purpose of which is to assist needy law students who are residents of Maine and who intend to practice in that state. Applicants shall communicate directly with the Maine Bar Association, P.O. Box 788, Augusta, Maine 04330.

The American Bar Association Fund For Legal Education was established in 1964 to make available loan funds for law students in accredited law schools. To be eligible for such a loan, a student must have completed his first year of law study, must be regularly enrolled and in good standing.

The Suffolk University Law School Alumni Fund, in addition to providing scholarships for academic excellence, makes available funds for loans to students in good standing who are in need of financial assistance.

Applications for loans should be filed with the Chairman of the Faculty Loan Committee.

PRELEGAL STUDY

The Faculty does not specify particular subjects for prelegal education. Our students come from many universities, of varied curricula, and the great disparity found in the quality of teaching, method and content of college courses makes it impractical to designate particular subjects as the "best" preparation for the study of law. However, it may be said that concentration in one or more of the usual fields of the arts and sciences and the humanities, such as history, government, philosophy, literature, mathematics, economics and the like, is desirable. Undergraduate courses in at least elementary accounting are recommended, as they furnish a background helpful in many courses in law school.

The importance of proficiency in English, both written and spoken, cannot be overemphasized.

COMBINED DEGREE PROGRAM

A student who, through study in one of the Colleges of Suffolk University, has earned three-quarters of the credits required for a Bachelor's degree may be eligible to follow the program set forth in the Suffolk University College Bulletin, under which he may receive his college degree upon satisfactory completion of the first year Law School subjects as listed in the three year course, or their equivalent in the evening division. Inquiries concerning eligibility for this program should be directed to the Director of Admissions of the University.

LAW SCHOOL ADMISSION TEST

Every applicant for admission to Suffolk University Law School is required to take the Law School Admission Test before consideration will be given to his application, unless good cause for failure to take such Test is evident or is demonstrated. It is to the applicant's advantage to take the Test before or as soon as possible after he makes application, because early admission may thereby be facilitated. In the event that a student is admitted without having taken the Test, he will be required to take the Test on the first testing date following his admission.
The Test is given each year in February, April, August and November in
the major cities of the United States. For information and application form,
address Law School Admission Test, Educational Testing Service, 20 Nassau
Street, Princeton, New Jersey 08540.

ADMISSION REQUIREMENTS

Candidates for admission to Suffolk University Law School must have
completed the work accepted for a bachelor’s degree in an accredited college or
university, or must be pursuing a combined course of study leading to a bach­
elor’s degree at Suffolk University.

In view of the large number seeking admission to the law school, we sug­
gest that applicants file as early as possible. Although there is no specific closing
date for filing applications for September 1969, it is recommended that appli­
cants for the Day Division file no later than May 1, and applicants for the
Evening Division file no later than June 14.

Some states now require such procedures as Law Student Registration, the
filing of a Law Student’s Qualifying Certificate, and other formalities before
an applicant begins the study of law, under the rules for admission to the local
bar. Therefore, persons who may desire to practice law elsewhere than in Massa­
chusetts are advised to inquire of the Secretary of the Board of Bar Examiners
of such other jurisdiction to determine their eligibility and to insure their com­
pletion of all local requirements for the Bar Examination.

ADMISSION PROCEDURE

Application for admission must be made on the form provided therefor,
which may be obtained from the Registrar. Each application must be accom­
panied by an Application Fee of $10, which is not refundable.

The applicant must request the Registrars of all colleges and graduate or
professional schools previously attended to forward official transcripts of his
records directly to the Registrar of Suffolk University Law School.

If a period of time other than that of a usual academic vacation has inter­
vened during or since the applicant’s attendance at a college or university, he
must furnish to the Registrar a detailed resume in writing accounting for his
occupation or other activity during that interim.

The applicant must also arrange to have letters of opinion concerning his
character, intelligence, industry and aptitude for the study of law sent directly
to the Registrar by two responsible persons not related to the applicant.

All applications are voted on by the Faculty Admissions Committee. Noti­
fication of the action taken will be sent by mail to the applicant at the address
given on the application unless otherwise requested in writing.

Each applicant who has been accepted for admission is required to notify
the Law School in writing of his intention to enter the school and a deposit of
$50 must accompany such notice to insure that a space will be available. This
deposit is not refundable but will be applied toward the tuition for the first
semester. However, under no circumstances will the deposit be refunded or applied toward any other semester.

In addition, each applicant is required, as part of the initial registration procedure, to furnish the Registrar with two passport-type photographs (in appropriate business attire) of approximately 2 1/4” x 3” size. These photographs are not to be submitted prior to notification of admission, but are to be supplied with the notice of intention to enter the school mentioned in the previous paragraph.

REGISTRATION

Registration is accomplished as far as possible by mail prior to the commencement of classes. Registration forms will be mailed to applicants who have been admitted to regular courses. However, registrations will not be processed unless the form, when returned, is accompanied by two passport-type photographs of approximately 2 1/4” x 3” and a tuition deposit of $50, which will be credited to the first tuition payment. The tuition deposit will not be refunded to applicants who fail to attend.

A student who requires a special program of courses other than one prescribed by the Faculty Administrative Committee should make an appointment for a personal interview with the Registrar well in advance of the opening of the semester.

TRANSFER STUDENTS

A student who has maintained a satisfactory academic record in another law school and who meets the Admission Requirements of Suffolk University Law School may apply for admission as a transfer student.

An application by a student with an unsatisfactory record at another law school will not be considered.

In the discretion of the Faculty Admissions Committee, advanced standing for the degree of Juris Doctor may be granted for courses successfully completed by students in good standing in other law schools approved by the American Bar Association.

DAY AND EVENING DIVISIONS

Courses for the degree of Juris Doctor are offered in day and evening divisions.

FULL-TIME STUDY

The regular course in the day division consists of three academic years of full-time study of law. Under the Regulations of the School, the Standards of the American Bar Association, and the Rules of the Board of Bar Examiners of the Commonwealth of Massachusetts, only those students who can devote substantially all of their working time to the study of law are eligible to enroll in the full-time day division and complete their law course in three school years or six semesters.

1 Regulations Nos. 1 and 4.
2 Standards of the American Bar Association for Legal Education, No. (1) (b).
3 Rules of the Board of Bar Examiners of the Commonwealth of Massachusetts, No. 1b.
PART-TIME STUDY

Students who cannot devote substantially all of their working time to the study of law may enroll in the evening division and complete their work for the degree in four school years or eight semesters.

The basic subjects in the day and evening divisions are the same. Students in both divisions are afforded the same quality of instruction and are held to the same academic standards.

COMMENCEMENT OF COURSES

The regular three year course in the day division and the regular four year course in the evening division commence only in September.

SEMESTER HOUR REQUIREMENTS

The academic year consists of two semesters, the First or Fall Semester, commencing in September, and the Second or Spring Semester, commencing in late January.

The regular full-time day division three year course requires six semesters of fifteen semester hours each of class work.

The regular part-time evening division four year course requires eight semesters of nine semester hours each of class work.

CLASS HOURS

All classes consist of 50 minute periods. Classes in the day division begin at 9 A.M. and end not later than 5 P.M., Monday through Friday. Classes in the evening division are conducted between 6 P.M. and 9 P.M. on Monday, Wednesday and Friday.

Class Schedules are announced shortly before the commencement of each semester.

CURRICULUM

The development of a well-rounded legal education demands a thorough training with special emphasis upon the fundamental branches of the law. There are other subjects, which, while important and valuable from the standpoint of information, are less vital to the understanding of basic principles or to the development of legal reasoning.

The curriculum, accordingly, includes certain courses which are required, and others among which some degree of election is permitted.

Required courses are shown in the Schedules of Regular Courses. A list of elective courses follows.

GRADING SYSTEM

Course examinations are numerically graded on the scale of 100%, and a student’s class standing is determined on the basis of his weighted average, which is cumulated after the first year. Reports of grades are made by letters which have the following per cent values:

A 90% and above
B+ 87-89%
B 83-86%
B− 80-82%
C 75-79% (Satisfactory)
D 70-74% (Unsatisfactory)
F Below 70% (Failure)

A student is required to maintain good academic standing. For a statement of conditions under which a student is not in good standing, and the consequences thereof, see Regulations, No. 4.

DEAN’S LIST

Students whose weighted average is 83% or above for any academic year are eligible for the Dean’s List.

REQUIREMENTS FOR THE DEGREE OF
JURIS DOCTOR

A candidate for the degree of Juris Doctor must comply with the following requirements:

(a) Such candidate must have completed at least three years of full-time study in law school, of which at least the last year shall have been taken in Suffolk University Law School, or have completed at least four years of part-time study in law school, of which at least the last year shall have been taken in Suffolk University Law School.

(b) Such candidate must (1) have obtained a general weighted average of at least 75%, (2) be in good academic standing and (3) have failures outstanding in no more than two courses.

Compliance with the foregoing minimum academic requirements will not entitle a candidate, as of right, to the degree. Degrees are awarded by the Trustees of Suffolk University on recommendation by the Faculty Administrative Committee. Recommendation may be withheld by the Committee for cause other than that of scholastic deficiency.

HONORS

Students who have complied with all requirements for the degree of Juris Doctor, and whose scholastic achievement, in the judgment of the Faculty Administrative Committee, has been outstanding, will be recommended for the degree with honors.

GRADUATE PROGRAM

Graduate Degree

A program of study may be taken for credit toward the degree of Master of Laws by qualified graduates of law schools approved by the American Bar Association. Persons who wish to become candidates for the Master's degree should apply to the Secretary of the Law School Faculty well in advance of the opening of classes for an appointment for a personal interview with the Chairman of the Faculty Committee on Graduate Studies.

CONTINUING LEGAL EDUCATION

The Graduate Division of Suffolk University Law School offers courses which are available as a form of continuing legal education to members of the Bar, law school graduates, and other persons qualified for participation by virtue of occupation, training or experience. Courses currently being offered are announced each semester in a Prospectus which may be obtained from the Registrar.
REGULATIONS

1. Only students who can devote substantially all of their working time to the study of law are eligible for admission to the three year full-time day division program. 
   (See also Regulations, No. 4.)

2. Students may not omit courses or examinations scheduled, or take courses or examinations not scheduled for their respective programs, except by prior permission of the Faculty Administrative Committee or the Dean.

3. Special programs of study which have not been prescribed by the Faculty Administrative Committee must be arranged with the Registrar prior to registration.

4. a) A student is academically deficient and not in good academic standing when for any academic year he: (i) has a weighted average of less than 75%, or (ii) if a full time student has unsatisfactory grades in more than two courses or more than nine hours, or (iii) if a part time student has unsatisfactory grades in more than two courses or more than six hours.
   The Faculty Administrative Committee will impose an appropriate sanction on the academically deficient student.

b) A student will be notified of his academic deficiency before the Faculty Administrative Committee dismisses him or imposes probation. Within fifteen days of receiving notice of academic deficiency the student may file with the Dean a typewritten “Petition for Consideration.” Ten copies of the Petition must be filed with a filing fee of $10. The Petition must state specifically and fully any extraordinary extenuating circumstances beyond the student’s control which rebut the presumption raised by the record and which establish that the deficiency was not due to lack of ability or failure to apply himself diligently to the study of law. The Petition must indicate if the circumstances are still operative. If such circumstances are related to physical or psychological incapacity before or during examinations, convincing medical proof of the existence of the condition must accompany the Petition. Interference with study by employment or outside voluntary activity is not an extenuating circumstance for a student enrolled in the full-time day division. The Faculty Administrative Committee may require any academically deficient student to submit to an interview before it takes action on his case.

c) The Faculty Administrative Committee may dismiss a student who is academically deficient. A Petition for Readmission may not be filed until one year after dismissal and will not be granted except in rare cases of great merit. No student may file more than one Petition for Readmission.

d) An academically deficient student who has not been dismissed is on probation until his deficiency is removed. The Faculty Administrative Committee will prescribe the terms of probation. The Committee may
require a student to repeat a course, take a re-examination, or repeat an entire academic year. Grades received on re-examinations or in repeated courses are final. Grades received on re-examination, when course is not repeated, will not exceed 75%.

5. A student who is not academically deficient may remove unsatisfactory grades from his record by re-examination. Re-examination shall be the next regular examination in the same division; the Dean may waive this requirement on a showing of good cause. Grades received in re-examinations are final and will not exceed 75%. Only one re-examination can be taken.

6. Students are expected to perform all class assignments and to attend class. Failure to meet these requirements may result in exclusion from the course, probation, suspension, or dismissal.

7. A student may be placed on disciplinary probation, suspended or dismissed for conduct unbecoming a student of the law.

*The Amended Requirements for the First Degree in Law:*

A candidate for the degree of Juris Doctor: (J.D.), must be in good academic standing and comply with the following requirements:

(a) The candidate must have completed at least three years of full-time study in law school, or have completed at least four years of part-time study in law school. At least the last year of such study shall have been at Suffolk University Law School.

(b) The candidate's complete law school record must (1) show a cumulative weighted average of at least 75% and (2) show unsatisfactory grades outstanding in no more than three courses, of which not more than two are failures.

Degrees are awarded by the Trustees of Suffolk University on the recommendation of the Faculty Administrative Committee. Recommendation may be withheld by the Committee for good cause other than failure to meet the foregoing requirements.

**APPLICATION**

The Regulations apply to all students now or hereafter enrolled in the law school. The Requirements for the First Degree in Law apply to all day students enrolled on or after September 1, 1967, and all evening students enrolled on or after September 1, 1966.

**EXCEPTIONS:** To avoid extreme hardship in a particular case, the Faculty Administrative Committee may vote a degree to a student under the prior regulations if that student:

a) enrolled as a day student in September, 1967.

b) enrolled as an evening student in September, 1966.
8. The Faculty Administrative Committee reserves the right to change the schedule of classes, the program of instruction, the requirements for credits or degrees, and any rule or regulation established for the government of the student body in the School. Any such change may be made applicable to students already enrolled in the School.
