Suffolk University admits qualified men and women of any age, race, color, religious belief, or national or ethnic origin to all the rights, privileges, programs and activities generally available to students of the University. It does not discriminate because of age, race, color, religious belief, national or ethnic origin or marital or parental status in administration of its admissions policies, educational policies, scholarship and loan programs, athletic programs, or any of the academic or non-academic programs administered by any division of the University. Suffolk University does not discriminate on the basis of sex in violation of Title IX of the Educational Amendments of 1973, or any of the regulations specified in these Amendments, in the academic or non-academic programs which it offers. The University does not discriminate on the basis of handicap in violation of Section 504 of the Rehabilitation Act of 1973, or the regulations it specifies, in admission or access to its programs and activities. Inquiries concerning Title IX and other federal and state non-discrimination legislation may be referred to the Personnel and Equal Employment Opportunity Office, 8 Ashburton Place, 7th floor. Inquiries regarding Section 504 of the Rehabilitation Act may be directed to the Dean of Students who is the University Coordinator.

**Rights and Privacy (Buckley Amendment)**

In keeping with provisions of the Family Educational Rights and Privacy Act of 1974 (P.L. 93-380) as amended (P.L. 93-568), also known as the Buckley Amendment, Suffolk University will provide eligible students or their parents with the opportunity to review the student's education records, to seek corrections of information contained in those records, and to limit disclosure of information from those records. The University is required to give students or their parents annual written notice of these rights and the right to file complaints with HEW concerning alleged failures by the institution to comply with the requirements of the Act. A written policy governing institutional record keeping is on file at the Registrar's Office.

The provisions on privacy are affected by Section 510 of the Veterans Education and Employment Act of 1976 (P.L. 94-52) which provides that notwithstanding P.L. 93-568, records and accounts pertaining to veterans as well as those of other students shall be available for examination by government representatives. The exception is found in title 38 of the U.S. Code, Section 1790(c).

Retention

National studies indicate that of entering freshmen, the median percent graduated in four years varies from 35% to 40%. At Suffolk University, 38% of entering freshmen are graduated in four years, and 49% in six years.

Degrees

College of Liberal Arts and Sciences

School of Law
- Day and Evening Division: J.D., M.P.A./J.D.

School of Management
- Day and Evening Divisions, Undergraduate: B.S.B.A.
- Day and Evening Divisions, Graduate: M.B.A. and M.P.A., M.P.A./JD
- Day and Evening Divisions, Postgraduate: Advanced Professional Certificate
- Saturday Executive Program: M.B.A.

- 375,000 Square Feet
- 49 Classrooms
- 31 Laboratories
- Law School Library
- College Library
- 40-Acre R.S. Friedman Cobscook Bay Laboratory
- John P. Chase Computer Room
History  Suffolk University is located on Beacon Hill in Boston, Massachusetts. Founded in 1906 by Gleason and Hiram Archer as Suffolk Law School — the Law School has become one of New England's most prestigious. In 1934 the College of Liberal Arts first offered courses for undergraduates. Rapid growth followed with the establishment of the College of Business Administration in 1937, which was later named the School of Management. In April 1937 the Law School and the Colleges were incorporated into Suffolk University by the action of the Massachusetts legislature.

Suffolk University pioneered in creating an opportunity for working men and women, the sons and daughters of immigrants and other minority groups, to acquire a college education — at a time when such a concept was still socially and politically unpopular. Its faith has been justified, for the concept of non-discrimination has become the law of the land.

During the past three years, the University's four main buildings have been thoroughly modernized at a cost of twelve million dollars in order to provide new laboratories, libraries, cafeteria, and offices for faculty and administration. In addition, in 1968 Suffolk University established the Robert S. Friedman Cobscook Bay Laboratory at Edmunds, Maine, near the Bay of Fundy, for purposes of teaching and research in marine biology. This forty acre field station is also used as a summer campus in other fields and is frequently used by research biologists from other universities.

The events of history occur not only in time, but also in a place. The strategic location of Suffolk University has played a major part in the successful accomplishment of its mission. Beacon Hill is an excellent place for an institution of liberal and professional education, a place where tomorrow's decision makers meet today's. The University's location next to the State Capitol, state and local courts, and three blocks from the heart of the Federal, State and City government office complexes, provides students a ready access to a panoramic view of government in action. Beacon Hill is a very short distance from the center of the business and financial districts of Boston, and also is only a few minutes walk from the theater and music centers of the city. The University is close to the main station of Boston's transportation system, which provides quick access to excellent libraries, museums, and sites of historical significance in Boston and surrounding communities.

University Mission  Suffolk University is an independent, coeducational institution located on Beacon Hill, in the heart of Boston, close to the centers of government and law, science and medicine, education and technology, commerce and culture. Under the policies established by its Board of Trustees, the University provides educational opportunities of high quality in order to assist a wide range of students to realize greater social, economic and professional opportunities.

Since its inception, Suffolk University's fundamental mission has been to respond to the evolving needs of society by providing an opportunity for motivated and capable students to obtain a quality education in a challenging yet supportive environment, at an affordable cost. This mis-
sion includes a commitment to public service, research and continuing education. In achieving its mission, the University places students at the center of its efforts and value structure, and emphasizes academic excellence through teaching based on the application of theory and research to practice. The University offers day and evening programs at both the graduate and undergraduate levels throughout the year.

The Law School, which confers the JD degree, provides instruction of the highest quality in legal theory, process and practice, taking advantage of the urban setting to educate students from the northeastern United States and from across the nation.

The purpose of the College of Liberal Arts and Sciences is to provide a traditional liberal arts education with a professional component, one which is comprehensive and thorough, which prepares students to live enlightened and productive lives and to earn a living. The College offers liberal arts programs in the humanities, the natural and social sciences, including undergraduate career-related and professional tracks in each major, as well as graduate programs in education.

The School of Management offers programs in management and public administration for the public, non-profit, and private sectors that develop ability in problem solving and decision making in an organized setting.

As a private, urban university accessible to people of varied ages and of all religious, ethnic, and socio-economic backgrounds, Suffolk University serves a metropolitan and, to a growing extent, regional and national clientele. The University provides academic services for people of various levels of preparation and ability, and programs of sufficient depth and academic quality as to challenge the most able.

**University Goals** In order to respond to the above mission, Suffolk University has formulated the following specific goals toward which are directed the efforts of all divisions of the University. Additional statements of goals appropriate to the various colleges and of the University are published in their respective Bulletins.

- Provide educated men and women for professions such as business, industry, government, law, education, journalism, social work, science and technology.
- Meet local needs by providing continuing education programs for adults, by serving as a cultural center for the community, by providing training manpower for employers, and by facilitating student involvement in community service activities.
- Improve the University's ability to serve economically disadvantaged students by improving services in admissions, financial aid, advising, counseling, career planning, and placement.
- Provide the necessary financial and physical resources for program support through improved development and fund-raising.
- Contribute to the solution of some of the social, economic, and political problems facing greater Boston and the state of Massachusetts.

**Accreditations** Suffolk University is accredited by the New England Association of Schools and Colleges, Inc., the American Chemical Society, the American Bar Association, the Association of American Law Schools, and the National Association of Schools of Public Affairs and Administration. Specified programs in Education have been approved by the State Department of Education for inclusion in the reciprocity privileges of the Interstate Certification Compact. The University Counseling Center is accredited by the International Association of Counseling Centers.

**Memberships** Suffolk University holds membership in the American Association of Colleges for Teacher Education, American Association of Collegiate Schools of Business Assembly, American College Personnel Association, American Council on Education, Association of American Colleges, Association of College Unions — International Association of Independent Col-
The following statement reflects current objectives of the School of Management, and are additional to those stated for the University on previous pages.

The School of Management at Suffolk University emphasizes pragmatic management education for working and preprofessional people. The School expects that most students will have on-going work commitments which will compliment their educational commitment.

The School seeks to serve New England business and government primarily from its Beacon Hill location, but may develop participation in the broader educational network serving business, government and other non-profit groups.

The School supports faculty and students in maintaining close ties with business, government, academic and professional organizations to insure that teaching, public service and research are organized to meet the expectations of students, employers, alumni and the general public.

**Admissions**

Students may apply for admission to Suffolk University for the Fall, Spring, or Summer sessions and may attend full or part-time.

**Freshmen** The Admissions Committee judges freshmen applicants based on a successful high school college preparatory program. A rigid pattern of college subjects is not required. Consideration is given to the quality of the high school subjects, class rank, recommendation of the high school counselor, the College Board scores, and other pertinent information. Suffolk uses rolling admissions. Early decisions are given when there is evidence of three years of highly successful college preparatory study and above-average SAT’s (Junior scores).

**Transfers** Transfer applicants are accepted based on successful work at accredited two-year colleges, four-year colleges, or other institutions of collegiate rank. The last thirty hours in any bachelor’s degree program must be earned at Suffolk. Credit shall be allowed for “D” grades if a transfer student attended a regionally accredited institution and if the overall average is 2.0 or better.

If the transfer student has attended more than one institution, this policy shall be valid for each respective accredited institution, rather than collectively.

The School of Management will accept direct transfer of credit for lower division (freshman/sophomore) level courses taken at regionally accredited two-year and four-year colleges with appropriate grades providing that such courses correspond directly to lower division courses offered at Suffolk University during freshman/sophomore years. Freshman and sophomore courses taken at a two-year or four-year college that are not required at Suffolk until the junior/senior year will not be transferable, unless validated.
The following validation techniques are recognized by the School of Management:

1. College-Level Subject Examinations administered by the College Board, Princeton, New Jersey. (CLEP)

2. Successful completion of an advanced course in the subject field for which the course in transfer is a foundation. Upon completion of an advanced course, a student must submit a Petition Validation Form to the Office of the Dean, School of Management.

The following upper division (junior/senior) level courses where either the CLEP or advanced courses are available:

**Graduate Students** Refer to Graduate Section of Bulletin for admission information.

**Advanced Placement** College credit may be awarded for College Board Advanced Placement Tests taken in high school. Six semester hours are awarded for each test successfully completed.

**College Level Examination Placement Tests (CLEP)** A maximum of 60 semester hours of credit may be awarded for the results of the CLEP tests. A maximum of thirty semester hours may be awarded for the five tests in the General Examination. The other thirty hours may be awarded for subject tests. The CLEP Test is administered by the College Board. In order to ensure that test scores are received in time for graduation, students must take the tests prior to the last semester of their senior year. However, this does not preclude students from taking a CLEP-Test in lieu of repeating a failed course.

**Communication Process** Selected Freshman students will be required to take Writing Skills ENG 001 and Communication Process ENG 002 (3 semester hours of credit each). These courses have been developed in an effort to help students improve their study and verbal skills so that they will more effectively realize their academic potentials while at Suffolk University. Students who wish to select this course may do so with the consent of the instructor.

**Evening Degree Students** Applicants for degree status in the Evening Division are expected to meet the same requirements as day students. An Equivalency Certificate issued by any State Department of Education may be used in lieu of a high school diploma.

**Senior Citizens** Senior citizens (65 or over) may take tuition-free undergraduate courses at Suffolk on a space-available basis. Applicants should consult the Admissions Office for enrollment procedures. A $15 application fee is charged.

**Continuing Education** Men and women who have delayed or interrupted their education may take day or evening courses either as special non-degree students or as degree candidates. While most continuing education students attend evenings, those with family responsibilities or who work nights have the opportunity to attend days on either a part-time or full-time basis. Applicants should consult the Admissions Office for enrollment procedures. A wide range of advisory and supportive services is available to Continuing Education students.
Non-Degree Students  Non-degree students must comply with the same academic policies, rules and regulations governing matriculated students. Non-degree students are required to submit a non-degree student application. The School of Management admits non-degree students, on a space available basis, in the undergraduate and MPA programs. The School of Management does not admit non-degree students in the MBA program. Students who enter as special non-degree undergraduate students and wish to become degree candidates should complete the regular admissions application in order to be reclassified as matriculating degree status students. Qualified non-degree undergraduate students who wish to apply for degree matriculating status may do so anytime before 30 hours of course work are completed. All non-degree students, with the exception of senior citizens, must apply for degree matriculating status when 30 hours of course work are successfully completed.

International Students  A special information sheet is available for international students. The application deadline for the Fall Semester is March 1. All credentials must be received by April 15. International students applying for the Spring Semester (January) must apply by October 1. All credentials must be received by November 15.

Students may be required to take Eng. 003, English as a Second Language, prior to taking Eng. 101 or 102, if a language deficiency exists as determined through testing by the English Department or the Test of English as a Foreign Language (TOEFL).

Re-Admission to Suffolk University  Students re-entering Suffolk University after an absence of one semester or more should request a special re-entry form from the Admissions Office. Students seeking re-admission after 12 months will be re-admitted under the current curriculum. Re-entry is on a space available basis.

Notification of Acceptance  Applicants are notified of the Admission Committee's decision as soon as all required credentials are received.

Housing  Suffolk University does not have dormitories. Students must make private arrangements for housing.

Associate Degrees  The Associate degree is not offered by the School of Management. The Associate degrees in Arts or Sciences will be granted to those students who have satisfactorily completed 62 semester hours in the prescribed curricula. The candidate for this degree must present a request in writing to the Registrar at the beginning of the final semester. At least thirty semester hours toward the degree must be earned at Suffolk University.

Admission Information  Applications for admission to the School of Management and College of Liberal Arts and Sciences may be obtained by writing to the Admissions Office, Suffolk University, 8 Ashburton Place, Boston, Massachusetts 02108. The Admissions Office is open Monday through Friday, 8:45 a.m. to 4:45 p.m. Telephone: 723-2945 or 723-4700 Extension 71.
Financial Information

Tuition

Tuition charges are based on (1) the number of courses carried and on (2) whether the student is in the undergraduate or graduate program. A full-time course load consists of either four or five courses or 12-17 semester hours of credit per term.

Full-Time Course Load (12-17 Semester hours per term.)

- **Undergraduate Courses**: $3990 per year
  - $1995 per semester

- **Graduate MPA**: $4680 per year
  - $2340 per semester

- **Graduate MBA**: $4830 per year
  - $2415 per semester

- **Graduate MED**: $4440 per year
  - $2220 per semester

- **Excess Courses**: $133 per semester hour — undergraduate
  - $156 per semester hour — graduate — MPA
  - $161 per semester hour — graduate — MBA
  - $148 per semester hour — graduate — MED

Part-Time (1 to 3 courses per term — 11 semester hours maximum), extension and summer courses

- **Undergraduate**: $354 per 3 credit course
  - $118 per semester hour

- **Graduate — MPA**: $468 per 3 credit course
  - $156 per semester hour

- **Graduate MBA**: $483 per 3 credit course
  - $161 per semester hour

- **Graduate MEDI**: $444 per 3 credit course
  - $148 per semester hour

- **Executive MBA**: $613 per 3 credit course

- **Executive MPA**: $598 per 3 credit course

Tuition charges are subject to change by action of the Board of Trustees. Any such change may be made applicable to students already enrolled in the University.

It can be assumed that during your years of attendance, with continued inflation and its effect on the cost of education, tuition will probably rise each year.

Tuition Payment Plans

While the tuition and fees for each semester are due at the time of registration, students who find it necessary may arrange to pay on a deferred payment basis under Payment Plan 2. It must be clearly understood, however, that each student who registers is obligated for the tuition charges of the full semester, even though in approved emergencies the student's tuition liability may be reduced as described on page 12.

There are two payment plans available:

- **Plan 1**: One payment of all charges (for full semester) at time of registration for each semester. Students carrying only one course must use this plan.

- **Plan 2**: Two payments — one half at time of registration; one half in sixty days. (Limited to students carrying two or more courses.)

A service charge of $10 per semester is added to the tuition bill under Plan 2.
In the event that the second installment under Plan 2 is not paid on time, a $10 Late Payment Fee is charged.

If a student does not pay tuition or fees as required according to the regulations published in the Bulletin and in Registration Information, or make satisfactory arrangements for such payment with the Manager of Student Accounts, he or she will be dismissed immediately from the University. Collection agency costs or attorney fees will be added to delinquent accounts if necessary.

No other provision is made for installment payment, whether monthly, quarterly or otherwise, directly with the University. Parents or students who wish to make such arrangements should do so with a bank or other commercial firm that handles such financing.

Many states have a bank guarantee program for long-term low interest education loans. Parents should investigate and evaluate the different programs before committing themselves to a particular repayment schedule. Whenever required, the University will be happy to cooperate with parents in arranging for loans with these outside institutions.

**Summer Session Tuition** The 1983 Summer Session rate will be:
- Undergraduate $330 per 3 semester hour
- MPA & MED $417 per 3 semester hour
- MBA $432 per 3 semester hour

The 1984 Summer Session rate will be:
- Undergraduate $354 per 3 semester hour
- MPA $468 per 3 semester hour
- MBA $483 per 3 semester hour
- MED $444 per 3 semester hour

All summer session students who take one course will be required to pay their tuition in full, plus fees if any, at the time of registration.

**Tuition Liability** Students who are obliged to withdraw from the university or to drop courses before the end of the fourth week of the fall or spring terms will, on the recommendation of the Dean of Students and approval of the Manager of Student Accounts receive a reduction of their tuition liability according to the following schedules:

**Undergraduate and Graduate Programs (excluding Executive MBA)**

<table>
<thead>
<tr>
<th>Withdrawal Notice or Drop Form filed and approved:</th>
<th>Student is liable for:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prior to start of classes</td>
<td>0%</td>
</tr>
<tr>
<td>Within two weeks from start of classes</td>
<td>20%</td>
</tr>
<tr>
<td>Within three weeks from start of classes</td>
<td>50%</td>
</tr>
<tr>
<td>Within four weeks from start of classes</td>
<td>75%</td>
</tr>
<tr>
<td>After four weeks from start of classes</td>
<td>100%</td>
</tr>
</tbody>
</table>

**Executive MBA Program**

<table>
<thead>
<tr>
<th>Withdrawal Notice or Drop Form filed and approved:</th>
<th>Student is liable for:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prior to start of classes</td>
<td>0%</td>
</tr>
<tr>
<td>Within two weeks from start of classes</td>
<td>50%</td>
</tr>
</tbody>
</table>

All adjustments in the student's tuition liability will be based on the date on which the Withdrawal Form or Drop Form is received by the Registrar's Office. Non-attendance does not constitute official withdrawal. The Summer Session Tuition Liability is published separately.

The tuition deposit of entering full-time students is non-refundable.
**Fees**

Application Fee (non-refundable)  
$20.00

Tuition Deposit (full-time applicants only, non-refundable)  
100.00

Deferred Tuition (service charge for installment payments)  
10.00

Late Registration (first two weeks)  
25.00

Late Registration (after first two weeks)  
50.00

Tuition Surcharge (per semester for each laboratory course designated with an “L” or “F” in the course title)  
30.00

Change of Course (charged after second week)  
10.00

SCUBA  
150.00

Make-up Examination (per examination) — petition Dean of Students  
10.00

Transcripts (first copy free, $1.00 for second copy, and $.50 per additional copy made at the same time)  
1.00

Petition for Readmission (students dropped for academic or other reasons)  
15.00

Graduation Fee — June graduation and commencement  
25.00

January and September graduation  
8.00

Student Activities Fee (per semester) —  
Full-time undergraduate  
22.50

Full-time graduate  
5.00

Part-time undergraduate and graduate (except MBA)  
5.00

All MBA  
10.00

Special fees are assessed for courses involving travel, theatre tickets, and similar expenses.

**Graduation Fee** June Graduates. The graduation fee, including diploma, is $25. This fee is payable whether or not the student attends the graduation ceremony. As there is no formal graduation ceremony in January or September, the graduation fee is $8 (cost of diploma). January and September graduates also are invited to attend the June graduation ceremony and, if attending, must pay the full graduation fee of $25. This fee, together with any other unpaid balance, must be paid when the application for degree is filed.

**Transcript of Record** Students may obtain certified transcripts of their college record from the Registrar’s Office. There is no charge for the first transcript. A charge of $1 is made for the second copy and for subsequent copies not ordered at the same time. In the event that several transcripts are ordered at one time, a charge of $1 will be made for the second copy and of $.50 each for additional copies. Requests for transcripts should be made in writing at least one week in advance of the date on which a transcript is desired. No transcript will be issued until the transcript fee has been paid. The University reserves the right to refuse to issue a full transcript of the record of any student who has not fulfilled all financial obligations due the University.

No transcript requests will be honored during the registration periods. Requests must be made in writing or by coming to the Registrar’s Office in person. No telephone requests will be honored.

**Late Registration Fee** A fee of $25.00 is charged to any student who registers during the first two weeks of classes and a $50.00 fee will be charged after the start of the second two weeks of classes.
Office of Financial Aid

General Information Throughout the history of Suffolk University, it has been general policy to encourage and foster education for students of limited means. Commitment to this goal of keeping higher education affordable is apparent in the University's policy of maintaining tuition costs substantially below those of other private institutions of higher learning in the Boston area. Even so, university study represents a significant financial burden for many families. Several financial aid programs have been established to help alleviate this burden.

There are four main sources of financial aid: the federal government, the state government, the university, and private sources. Federal programs include grants, low interest loans, and a work-study program. The Commonwealth of Massachusetts awards grants to full-time undergraduate state residents who demonstrate financial need. The university and private agencies/organizations award scholarships and grants to needy students.

Financial awards are made to assist students in financing the cost of education when their personal and family resources are not sufficient. The difference between the total cost of education and the total possible family contribution is expressed as the financial need. In general, higher family incomes require greater expected contributions to university costs. Particular family circumstances and student summer and/or part-time earnings also have a bearing on financial need. As a member of the National College Scholarship Service (CSS), Suffolk University adheres to the principle that the total amount of financial assistance shall not exceed the student's demonstrated financial need.

Any undergraduate or graduate student enrolled in a degree program of at least six semester hours of credit may apply for financial aid consideration. Most awards are limited to students enrolled full-time. A student must also be in good academic standing and must be a citizen or national of the United States. All undergraduate aid applicants are expected to file Basic Educational Opportunity (PELL) Grant and state scholarship applications.

Financial aid awards usually are granted for an academic year of study, September through May. One-half of the amount of aid granted will be credited to the student's tuition account in the fall semester and one-half in the spring semester. Awards are usually offered as a "package", i.e., some combination of the three kinds of aid (grants, loans, and employment).

At the time of publication federal and state legislation was pending that could result in changes to the provisions and regulations of certain financial aid programs outlined herein. Contact the Office of Financial Aid for further information.

Loans

Guaranteed Student Loan Program The Guaranteed Student Loan Program (GSLP) enables students to borrow from commercial lenders in order to finance their educational expenses. While the majority of these loans are made by banks and other financial institutions, they are guaranteed by a state agency and insured by the federal government.

Academic year limits and total aggregate limits are established as follows:

<table>
<thead>
<tr>
<th>Category</th>
<th>Annual Loan Limits</th>
<th>Aggregate Loan Limits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Undergraduate</td>
<td>$2500</td>
<td>$12,500</td>
</tr>
<tr>
<td>Graduate</td>
<td>$5000</td>
<td>$25,000</td>
</tr>
</tbody>
</table>

The aggregate amount for graduate students includes loans obtained at the undergraduate level.

Effective with the passage of the Higher Education Amendment Act of 1980, the interest rate has been raised from 7 percent to 9 percent for any new student borrower who obtains a loan under this program for a period of instruction beginning after January 1, 1981. A new borrower is a student who does not have an outstanding GSLP loan on the date the promissory note is signed. Students whose loans carry a 9 per-
cent interest rate will be granted a 6 month grace period; that is, loan repayment does not begin until 6 months after graduation, after withdrawal, or after attendance status becomes less than half-time.

The interest rate will remain at 7 percent on loans made to student borrowers with outstanding GSLP loans. Loans borrowed under the 7 percent interest rate continue to carry the 9 month grace period.

Deferment of repayment of principal is allowed during any period in which the borrower is pursuing a full-time course of study and up to three years in which the borrower is a member on active duty in the Armed Forces of the United States or a volunteer under the Peace Corps Act. While the borrower is in school, in grace period, or in deferment status, the interest is paid by the federal government.

Prior to completion of the bank loan application, the student applicant must have a Suffolk University Loan application and financial aid transcript(s) from previous institutions on file.

**Parent Loans for Undergraduate Students (PLUS)** This federal loan program was established on January 1, 1981 for parents of undergraduate dependent students. The maximum amount a parent may borrow for any one student in any academic year is $3000 at 9 percent interest. The aggregate loan amount for each dependent student is $15,000. Repayment is required to begin within 60 days after disbursement, and there is no in-school federal interest subsidy on these loans.

Parents may obtain application forms at any bank or financial institution that participates in this program. General application procedures are the same as those outlined under the Guaranteed Student Loan Program.

**National Direct Student Loan Program (NDSL)** The National Direct Student Loan (NDSL) Program is directly administered and awarded by the Office of Financial Aid as part of the Federal Campus-Based Aid Programs. Generally an NDSL loan is awarded to a student as part of a total aid package.

With the changes in the Higher Education Amendment Act of 1980, there are now various categories of NDSL loans based on the date of the promissory note:

- **Prior to October 1, 1980** — 3% interest and 9 months grace period. October 1, 1980 to June 30, 1981 — Any and all loans negotiated within this period are still set at the 3 percent interest rate, however the grace period is for only 6 months.
- **July 1, 1981 and after** — After this date, all loans will be at 5 percent interest and 6 months grace period.

No interest is charged for these loans until repayment begins. Repayment is required to begin 6 or 9 months after a student ceases to be at least a half-time student due to graduation, withdrawal, or less than half-time attendance. Details on repayment schedules are set by the Accounting Office.

These loans are need-based and cannot exceed the following limits: Undergraduate — Combined total of not more than $3000 during the first two years of study and not more than $6000 during undergraduate career.

Graduate — Combined total of not more than $12,000 for undergraduate and graduate studies.

Cancellation of an NDSL loan is allowed under certain conditions, i.e. teaching of emotionally, economically, and mentally handicapped students; death; or permanent disability.

**Scholarships/Grants**

**Pell Grant (formerly Basic Educational Opportunity Grant — BEOG)** This federal grant renamed PELL Grant after Senator Claiborne Pell, is designed to assist undergraduate students. Awards range from $200 to $1670. The actual amount a student receives depends on the financial information reported on
his/her application and 1) full-time or part-time status, 2) length of enrollment during the academic year, and 3) the cost of education. A student applies for this grant by completing the Financial Aid Form (FAF) of the College Scholarship Service and by checking Box 1 in item #43 on this same form. Four to six weeks after the student submits the application, he/she will receive direct notification from the Basic Grant Program Office. The Student Eligibility Report (SER) will indicate whether or not the student qualifies, and will estimate the award amount.

**Massachusetts State Scholarship Program** Full-time undergraduate students who are legal residents of the Commonwealth of Massachusetts are eligible for Massachusetts State Scholarship consideration. This scholarship is awarded directly to students by the Massachusetts State Scholarship Office. State Grants range to $900 depending on the student’s financial need.

The application procedure consists of completion of the Financial Aid Form (FAF). The applicant should list this state scholarship program on line #42. The Massachusetts State Scholarship Program code is #0558. Applicants must file the FAF by March 1 of the preceding academic year.

**Other Scholarships/Grants** Other major scholarship/grant programs include the Supplemental Educational Opportunity Grant (SEOG), Matching State Grant, and the Trustee Scholarship (Suffolk University). For information on ROTC remuneration and scholarships, refer to the Military Science section of the College of Liberal Arts and Sciences Bulletin, page 131.

**Suffolk University Scholarships**

In addition to the federal, state and university scholarships already outlined herein, there are several other scholarship funds, each with different criteria.

The Ely Scholarship Fund provides assistance to needy minority males from the City of Boston.

The Neslon Burke Scholarship is available to residents of the state of Rhode Island.

The Thomas Fulham Scholarship is a merit scholarship given on the basis of academic promise and scholastic achievement to entering freshmen.

Other donor/restricted scholarships include the Henry Warren Scholarship, Agnes Driscoll Scholarship, Inner-City Scholarship, and the John E. Fenton Scholarship.

For more information on this and other scholarship programs contact the Office of Financial Aid.

**Employment**

**College Work Study Program (CWSP)** The College Work Study Program (CWSP) provides student employment opportunities either on the university campus or with various non-profit off-campus organizations/agencies. Some of these job opportunities provide work experience related to the student’s educational objective. The earnings from the work position are intended to defray direct and indirect educational expenses.

College Work Study funds are available to undergraduate and graduate students in good academic standing who have demonstrated financial need. Students interested in employment through CWSP are required to submit an application for financial aid.

*(these estimates are subject to change)*
Confidentiality All information provided to the Office of Financial Aid is regarded as confidential and cannot be released without the expressed written consent of the student applicant.

Location The Office of Financial Aid is located on the 8th floor of the Sawyer Building. The telephone number is 723-2937.

Hours 8:45 a.m. to 4:45 p.m. — Monday through Friday.

General information and questions are handled on a walk-in basis by the Office of Financial Aid staff. Appointments with specific administrators are available on request.

Deadlines November 10, 1983 — Spring review/appeal applications and January transfer student applications are due. (Spring 1983 semester)

February 15, 1984 — Summer 1984 applications and other supporting documents are due.

Note: this is a change in the deadline from prior years.

March 1, 1984 — Applications for student financial assistance for 1983-84 academic year must be submitted to the Office of Financial Aid. A complete application includes the filing of the Financial Aid Form (FAF) of the College Scholarship Service (CSS), Suffolk University Aid Application, and official statement of income (i.e., tax return).
**Advising** Among the many advantages of Suffolk University is its relatively small size which enables students to maintain their individuality. Within the setting of a major university, each college affords an opportunity for extensive personal contacts, if desired. Faculty and Administration are readily available to students. Administrators and faculty maintain an "open door" policy. Faculty office hours are posted. An active academic advising program utilizes both faculty and upper class students. A faculty advisor is assigned to each freshman according to the intended major area of study.

Advising at Suffolk University is available with a wide variety of members of the faculty, administration and staff. Problems discussed may be of academic, financial, vocational, social or of any other nature that concerns the student and may affect present or future progress.

Students are encouraged to discuss academic affairs and interests with members of the faculty whose interests overlap their own. The deans want to know and aid their students and may be called on for general discussion as well as for more specific matters.

Advising on personal affairs is readily available in the Dean of Students' Office. United Campus Ministry offers its services for religious, marital, and personal counseling. The Career Planning and Placement Office encourages early and continued discussion of occupational plans, options, and opportunities.

Students are encouraged to assume responsibility for their own affairs as much as possible. A significant part of this responsibility involves securing counsel or assistance whenever needed or helpful.

If a faculty advisor approves a student's program, the student is obliged to follow that program unless approval for change is obtained from the advisor.

**Archives** A collection of Suffolk University yearbooks, catalogs, newspapers, and other memorabilia are housed in the archives. The Suffolk University Archives is located in the Mildred F. Sawyer Library at 8 Ashburton Place.

**Bookstore** The Bookstore is located in the lower level of the Archer Building. It has every facility for the rapid handling of text books and other college supplies. The Bookstore is open from 8:00 a.m. to 8:00 p.m., Monday through Thursday, 8:00 a.m. to 6:00 p.m., Friday, and 8:00 a.m. to 12:00 noon, Saturday.

**Campus Ministry** The Campus Ministry Office is a place where people can drop by for discussion or direction. The Office also provides programs in which contemporary concerns are presented from a religious perspective. Campus Ministers are available for liturgical services and counseling to students, faculty, and staff. The Office is located in the Ridgeway Student Center, Room 22.

**Career Planning and Placement Center** The Career Planning and Placement Center exists to assist students and alumni in developing career plans, in becoming acquainted with the job market and in developing the strategies and techniques needed to secure successful employment.
Placement services include full and part-time job listings, on-campus employment interviewing, workshops in resume writing and job interview techniques, individual and group career counseling, and employment information referrals. Services also include information concerning the job market, occupational trends, and wage and salary fluctuations. In addition to these services, the Placement Center provides students and alumni access to the state job bank through its microfiche viewer.

Located within the Center is a Placement Library which contains descriptive information on hundreds of companies and governmental agencies which hire at the baccalaureate and graduate levels. In addition to this, there are numerous publications concerning the current job market, future employment trends, and salary and wage information. Detailed handout materials on resume writing, job interviewing, how to develop and implement a successful job campaign and a selection of directories of government, business and educational institutions are also housed at the Placement Library.

The Career Planning and Placement Center is located in the Sawyer Building and is open from 8:45-4:45, and on Wednesday evenings until 7:30. Individual appointments with a Placement Counselor can be scheduled during these hours. Visit the Center or call Extension 480 for more information.

Computer Resources The Office of Academic Computing at the School of Management provides hardware, software, and support services to students and faculty. Hardware resources include access to one of the two PRIME 750 computers on-site at the University. This computer can be accessed locally by the School of Management with one of 30 terminals available in the John P. Chase Computer Room. The PRIME can also be accessed using terminals available in the Archer and Fenton buildings, and from various satellite areas. Hardware resources also include a cluster of microcomputers. Programming languages running on the PRIME include: BASIC, COBOL, FORTRAN, PASCAL, and PL/I. Applications software includes: COMPETE, FINANSIM, IFPS (Financial Planning), Investment Analysis, Linear Programming, The Business Policy Game, MINITAB, MODEL, the Sales Management Game, SPSS, TSP, and other business software. Data files are available for course use and research. Support services include educational seminars, newsletters, documentation, and one-on-one consulting on the use of resources by a sizeable staff of student assistants. Access to the PRIME is seven days a week.

The Learning Resource Center The Learning Resource center exists to help students become efficient, independent learners. Staff members work with students individually or in small groups in the instruction of academic skills related to success in college. These academic skills include:

- text study strategies
- listening and note-taking
- critical thinking
- problem-solving
- exam preparation
- time management

Learning Resource Center peer tutors assist students in applying learning and study skills to coursework.

The Learning Resource Center houses an extensive collection of self-study resource materials. These resources for learning study skills and subject area skills can be found in audio/visual programs, print material, or computer-assisted instruction.

The Learning Resource Center is located in the Archer Building, Room 331, on the corner of Derne and Temple Streets. The Center is open 9:00 a.m. to 4:30 p.m., Monday through Friday and evenings as posted each semester. The Center is open to all Suffolk University students. For further information stop by the Center or call 723-4700, X235.

The Library The Mildred F. Sawyer Library, opened in January 1982, occupies
the first two floors and two floors below street level of the Frank Sawyer Building at 8 Ashburton Place. It contains a collection of 90,000 volumes, more than 1,100 current periodicals, and 9,000 microfilm reels and 53,000 microfiches together with reader/printers. There is a special 20,000 volume collection of 19th century Americana on microfiche and a special book collection on Afro-American literature.

The Sawyer Library is an excellent place for quiet study and research. It contains a wide variety of study seats located on all four floors, three rooms for group study, and a browsing area where current newspapers, magazines, and "best seller" books may be found. Also provided are coin-operated photocopiers and typewriters.

A major strength of the Sawyer Library is its Reference service. The Reference area contains a strong collection of special encyclopedias, directories, indexing and abstracting services, and business services. In addition, there are useful collections of corporate annual reports, newsletters, publications of major business associations, and information about Massachusetts and Boston. Reference librarians, who are available during the day, evening and weekend hours of the library, provide assistance to individual students and classes in the use of the library's collections. They also provide computer access to many national bibliographic data bases and library holdings throughout the country.

Important additional library resources are available to students among the many libraries in Boston. The Sawyer Library is a member of the twelve library Fenway Library Consortium. It maintains special information concerning a number of the banking, insurance, governmental, business, and association libraries in the downtown area. As well as the Boston Public Library, students are also able to make on-site use of materials in these libraries, in the State Library, the Kirstein Business Branch of the Boston Public Library, and several other academic libraries. The Sawyer Library systematically collects information about these resources, making it the place-to-start for any research assignment.

The library is open during the regular school term from 8:00 a.m. to 11:00 p.m. Monday through Thursday, 8:00 a.m. to 9:00 p.m. on Friday, from 10:00 a.m. to 5:00 p.m. on Saturday, and on Sunday from 1:00 p.m. to 10:00 p.m. The library is closed on holidays, and also on Sundays during the Summer Sessions.

**Health Center** The University's Health Service Department has the responsibility for providing emergency and primary care as well as health counseling to members of the University's administration, faculty, staff, and student body.

Services include: routine medical care and treatment, referrals to appropriate medical facilities, hypertension screening and follow-up, venereal disease evaluation and referral, health education programs including weight maintenance and fitness, and sports physical examinations.

These services are provided daily by a part-time medical doctor and two registered nurses.

All accidents or injuries occurring on University property as well as any student contracting or exposed to communicable disease should immediately contact the Health Services. It is located on the first floor of the Fenton Building, Room 104. (Telephone extension 260).

**International Student Advice** The Student Activities Office is prepared to assist international students in official relations with a student's home government and/or the United States government. If further assistance in this area is needed, the Foreign Student Advisor should be contacted. For assistance of an academic or personal nature, the international student should feel free to see any faculty member, the Foreign Student Advisor, the Dean of Students, or the Student Activities Office.

**Director of Minority Affairs** The Director of Minority Affairs serves as a resource person, counselor and advocate for American minority students in the area of
personal problems, adjustment issues, academic advice, financial and career planning. The Director will also serve as an advocate with the University on issues of concern to all minority students.
The Office of The Director of Minority Affairs is located in the Archer Building, 723-4700, X613.

**Museum of Afro-American History**
Suffolk University and the Museum of Afro-American History have established a collection of Afro-American literature. Featuring the complete works of noted black writers, the collection serves as the nucleus for a permanent center in Boston for the study of Afro-American literature. It is housed principally in Suffolk University's Sawyer library and will enable both students and visitors to study and enjoy Afro-American literature. The collection will contain the complete works of all important Afro-American writers, including poetry, plays, novels, short stories, and essays in both book and periodical form as well as critical, historical, biographical and bibliographical works on Afro-American literature by writers of all races.

**New Directions**
New Directions is a student-run information, peer counseling, and referral center for the Suffolk University community.
Volunteer staff learn basic helping skills to provide a peer counseling resource on campus where students can help students. New Directions' aim is to respond to the needs of any person who contacts the office. The staff emphasizes that the New Directions office is a place to come and talk, as well as to give and receive information and services. The staff is available to discuss, plan, and channel student-initiated ideas within the University.
New Directions maintains a library of materials on subjects ranging from drugs, alcoholism, and birth control to consumer protection, gay resources, and volunteer opportunities in the Boston community. Pamphlets, books, and personal experience are provided with an honest appraisal of their worth. New Directions enthusiastically provides information about almost everything at Suffolk University.
The office is located in Room 18 of the Ridgeway Building (277-0276).

**Robert S. Friedman Cobscook Bay Laboratory**
The Robert S. Friedman Laboratory at Suffolk University is located in Cobscook Bay, Maine, a region noteworthy for its great tidal fluctuations and its abundance of coastal marine life. The laboratory is a 40 acre camping field station accommodating approximately 50 persons in residence. Student, faculty and staff housing is in wooden tents requiring sleeping bags. A central Comfort Station provides shower and lavatory facilities. Meals are prepared by a kitchen staff and are served in a dining facility. Classroom and laboratory facilities support the instructional programs supplemented by a circulating seawatersystem and collecting boats.

**Veterans Services**
The Registrar's Office functions as a liaison between the Veterans Administration and the University. It certifies and processes both initial and follow-up claims for benefits. It also assists in cases when a veteran who is entitled to benefits has not received them.

**Transfer Student Counselor**
The Transfer Student Counselor's Office is open to both full and part-time students, Monday through Friday, in the Admissions Office at 8 Ashburton Place. The Transfer Student Counselor is available to discuss transfer credit, the selection of courses, academic requirements, and problems encountered in the process of the transfer. After the student's transfer status has been clarified, however, the student must confer with a faculty advisor from his or her major department for subsequent academic advice.

**University Bulletin Boards**
All students are responsible for information posted on the Official University Bulletin
Boards located in the Fenton and Sawyer Buildings.

University Counseling Center
(Department of Psychological Services). The University Counseling Center exists to help students function more effectively by helping them to define and achieve their personal and academic goals. Counseling Center facilities and programs are offered without charge to full and part-time students, faculty, administration, and alumni. Owing to limited resources, it is not always possible to provide complete support services for special non-degree students. When appropriate, referrals will be made to individuals or agencies outside the University.

Services include the following: (1) individual and group counseling related to personal concerns, academic adjustment and career exploration, (2) administration and interpretation of aptitude, achievement, interest and personality tests to assist students in the process of exploring and defining career goals, (3) maintenance of a career/education library, (4) experiential courses in Interpersonal Relations, Helping Skills, and Career Choices/Life Goals designed to increase awareness of self and others and to develop interpersonal and life planning skills, and (5) individual and group consultations to help improve the learning environment at the University.

Strict confidentiality of records and counseling relationships is maintained at all times. No information concerning any person's counseling relationship shall be shared unless a written release is obtained from that person.

Counseling Center services are available Monday through Friday from 9:00 a.m. to 4:30 p.m., on Wednesday evenings from 4:30 to 7:00 p.m., and on other evenings by appointment. Appointments can be made in Archer 20 or by telephone (x 226).

---

Scholastic Honor Societies

**Alpha Delta Sigma Honor Society**
This national honor society recognizes scholastic achievement in marketing and advertising studies. To qualify, students must have completed ninety semester hours, rank in the upper 10% of Marketing majors, have a minimum 3.0 average in marketing courses, have completed or be currently enrolled in a minimum of two marketing courses one of which is in advertising, and be a national member of the American Advertising Federation.

**Alpha Kappa Delta** Alpha Kappa Delta is the National Honor Society for Sociology majors and Graduate Students who have demonstrated excellence in Sociology.

Its purpose is to promote in each of the various chapters an interest in Sociology, Research in Social Problems and activities leading to Human Welfare. The Suffolk Chapter has been designated Iota of Massachusetts.

**Alpha Sigma Lambda** The purpose of Alpha Sigma Lambda, Chapter Alpha Psi, is the advancement and recognition of scholarship among evening students. Membership is restricted to undergraduates who have completed a minimum of thirty semester hours of evening course work at Suffolk University, which must include at least fifteen semester hours outside the student's major field. Students must have been in attendance at a recognized college or university a minimum of four semesters. Chapter Alpha Psi presently limits membership to juniors and seniors. Members shall be elected only from the highest ten percent of the class in scholarship, provided, however, that the minimum grade point average shall not fall below 3.2.

**Beta Beta Beta Biological Society**
The Chi Kappa Chapter at Suffolk University was chartered on October 10, 1978. Beta Beta Beta is an honor and professional society primarily for students of the biologi-
cal sciences. Its goals include promoting student research, publication and exposure to current biological scholarship and career possibilities. Active membership is offered to majors in the biological sciences who have completed at least one term of the sophomore year (including three biology courses) with a 3.00 average in biology and an overall average of 2.70. Associate membership is open to any interested undergraduate.

**Delta Alpha Pi Society**  
At the close of each term the deans and the faculties of the Colleges select high standing junior or senior Day Division students for membership in Delta Alpha Pi. Election is an academic honor and recognizes truly superior achievement by an undergraduate enrolled in any bachelor's degree program. A student may receive this honor, represented by the Delta Alpha Pi key, at the end of the junior year or upon completing the first half of the senior year. The minimum academic requirements for election are as follows:

**Junior Year** (early selection) — A student who has completed between 64 and 93 semester hours of college work, at least 30 of which have been completed at Suffolk University, and who has earned a cumulative honor point average of 3.6 or higher shall be eligible for early selection for the honor society. Students who have more than one grade of F or I are ineligible for election to Delta Alpha Pi.

**Senior Year** (final selection) — A student who has earned 95 semester hours or more at the end of a semester, of which at least 45 semester hours have been earned at Suffolk, and who has earned a cumulative honor point average of 3.4 or higher, shall be eligible for final selection. Generally, the faculty requires a higher average for induction in this society.

**Delta Mu Delta National Honor Society**  
Delta Mu Delta, The School of Management's Gamma Alpha Chapter, honors undergraduate and graduate students who are engaged in the study of business administration. For undergraduate eligibility a student must have completed 61 credits with a cumulative average of 3.2 or better and be in the top 20% of the class. For graduate eligibility a student must have completed one half of the upper level courses with a cumulative average of 3.25 and be in the top 20% of the class. Induction is held in the Spring. Initiation is held in the Spring and early fall.

**Phi Alpha Theta History Honor Society**  
Phi Alpha Theta, a member of the American Association of College Honor Societies and the recognized honor group in the field of history, maintains its Theta Lambda Chapter at Suffolk. Composed of both faculty and student members, the Theta Lambda Chapter is a flourishing group with an outstanding record. Student membership is based on: (1) for juniors, the completion of at least fifteen semester hours of history courses with an average of 3.5, plus a general cumulative average of 3.5; or (2) for seniors, the completion of at least fifteen semester hours of history, averaging 3.5, plus a general cumulative average of 3.25. Transferred credits cannot be counted in the requirements. Invitations to membership are extended, generally, during the junior and senior years. All inducted members remain permanently on the roster of Theta Lambda Chapter.

**Phi Sigma Tau Honor Society**  
The Beta Chapter of Phi Sigma Tau Honor Society in Philosophy was chartered at Suffolk on April 26, 1965. Eligibility is open to all students (whether or not majoring in philosophy) who have successfully completed a minimum of three courses in philosophy with a high B or better average grade, have reached at least the second semester sophomore level and whose academic standing at Suffolk is in the upper quartile.

**Pi Alpha Alpha** is the national honor society for public affairs and administration. Suffolk University, the founding member of Pi Alpha Alpha, has the distinction of being one of ten chapters specifically authorized to admit graduate students. Students in the M.P.A. program who have a minimum grade point average of 3.6, with at least 27
hours of graduate work in the Foundations program (or 18 in other M.P.A. programs) completed at the time of application are eligible for membership. Only the top 20% of a specific graduating class may be admitted to Pi Alpha Alpha.

**Pi Gamma Mu Honor Society**
Massachusetts Gamma Chapter is the Suffolk Chapter of the National Social Science Honor Society Pi Gamma Mu. To qualify for membership, students must have completed 24 semester hours of social science courses with a minimum average of "B" and no failures in government, economics, sociology, history, philosophy, and social psychology. The maximum number of students who may be admitted in any one year is ten percent of upperclassmen specializing in any of the social sciences. Members are elected for life.

**Psi Chi**
The Suffolk University Chapter of Psi Chi, the national honor society in psychology was chartered on April 28, 1978. Psi Chi is a member of the American Association of College Honor Societies. Criteria for membership include (1) junior or senior class status, (2) academic standing in the upper 35th percentile of class, (3) completion and a minimum 3.0 grade point average, (4) completion of at least five courses in psychology or completion of four courses and current enrollment in the fifth, and (5) attainment of at least a 3.25 grade point average in all courses in psychology.

**Sigma Pi Sigma**
The Suffolk University Chapter of the National Society of Physics Students and the physics honor society, Sigma Pi Sigma, was established in 1979. Election to Sigma Pi Sigma membership is conducted by the active Sigma Pi Sigma members. To be eligible, a student does not have to be a physics major but must have rank in the upper 20% of his/her class, have a minimum cumulative grade point average of 3.0 and a physics grade point average of 3.3.

**Sigma Xi**
The purpose of Sigma Xi is to encourage original research in science, pure and applied. A Sigma Xi Club is maintained at Suffolk University.

**Sigma Zeta Honorary Science Society**
Alpha Lambda is the Suffolk Chapter of Sigma Zeta, a national honorary science society. The society's aims are to give recognition to students of superior scholarship in the natural sciences and mathematics, to encourage the attainment of a broader knowledge of and to promote interest in these fields, and to stimulate interest in scientific investigation. Active membership is extended to faculty members in the natural sciences and mathematics and to sophomores, juniors and seniors majoring in one of these fields who meet the grade-point ratio qualifications (i.e., 3.00 in science and mathematics and 2.75 overall).

**Who's Who in American Colleges and Universities**
Students nominated to Who's Who are selected in their senior year on the basis of scholastic and community achievements, scholarship ability, participation and leadership in academic and extracurricular activities, citizenship and service to Suffolk University, and potential for further achievement. Both day and evening students are eligible for consideration.

**Honors in Biology**
The Biology Honors Program (Biology H419) provides recognition to a graduating senior Biology major who has demonstrated academic excellence and the potential for contributing to and profiting from a research experience.

**Honors in English**
Juniors and seniors of high scholastic achievement are selected by the English faculty to take part in a special seminar each semester. They receive scholarly training based on intensive readings in literature. On completion of the program the participants are awarded certificates of merit and given a special notation of their accomplishment on the official record.

**Honors in Humanities**
Students are eligible for Honors in Humanities when they have completed at least 21 hours in humanities courses with an average of at least 3.3. They should maintain an average of 3.0 in other courses, and should make a contribution to the extra-curricular activities.
Honors in Modern Language
Students who have achieved a 3.0 average in general and at least a 3.3 average in modern language are eligible for honors if they are enrolled in a course beyond the intermediate level.

Outstanding Student Award
Each spring the College of Liberal Arts and Sciences presents an Outstanding Student Award to the individual with the highest cumulative grade point average in his/her respective class. To be eligible for consideration, a student must have accrued the following minimum credit hours while in attendance at Suffolk University.

<table>
<thead>
<tr>
<th>Class</th>
<th>Minimum Earned Credit Hours at Suffolk University</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman</td>
<td>15</td>
</tr>
<tr>
<td>Sophomore</td>
<td>42</td>
</tr>
<tr>
<td>Junior</td>
<td>70</td>
</tr>
<tr>
<td>Senior</td>
<td>106</td>
</tr>
</tbody>
</table>

A fifth award is presented to the Senior transfer student with the highest cumulative grade point average who has earned not less than 46 credit hours while in attendance at Suffolk University.

Student Activities
Suffolk University has a varied and well-formulated student activities program for undergraduate and graduate, full and part-time students. The student organizations and student governments in conjunction with the Student Activities Office offer many programs, activities and services. The co-curricular activities program is designed to develop and encourage personal growth in leadership, initiative, cooperation and sportsmanship.

Student Activities Office
This office is a resource to student organizations and provides recreational opportunities for students. The Student Activities Office provides services including: organizational assistance, programming advice, information, budgetary guidance, scheduling coordination, poster and flyer printing, room reservations, a monthly calendar of events, and direct advising for student organizations.

The following organizations are open to all students at Suffolk University. There are many other committees and University programs for those students who want to help shape the future of Suffolk University. For more information, contact the Student Activities Office and consult The Log or After Five (student handbooks).

Recognized Student Organizations and Athletics Opportunities
Accounting Club
Alpha Phi Omega (National Service Fraternity)
Alpha Sigma Lambda (Evening Division Honor Society)
American Chemical Society
American Marketing Association
Athletics (Varsity) — S.U. sponsors varsity intercollegiate teams in basketball, golf, hockey, tennis, and cross country. The University is a member of the National Collegiate Athletic Association, the Eastern Collegiate Athletic Association, the New England College Athletic Confer-
ence, the Massachusetts Association of Intercollegiate Athletics for Women, and the Metropolitan Intercollegiate Athletic Council.

Athletics (Intermurals) — Intermural Sports are offered for both men and women at Suffolk University. Included in the program are flag football, basketball, weightlifting, handball, squash, and softball. Clinics are held for tennis, and self-defense. There is also a swimming program for women.

WSUB Closed Circuit Broadcasting (Television)
WSFR (Radio)
A complete statement of regulations pertaining to both academic and non-academic student activities is available in *The Log*, and in *After Five*, publications of the Day and Evening Division Student Government Associations.

**Registration** Registration for students currently attending the University will be conducted by mail. Appropriate notice will be posted and published as to time and procedure. Registration for new students will be conducted during registration week at the beginning of each semester. The Admissions Office will notify newly accepted students as to time and place.

**Registration Limits** Except in special cases, registration is closed after the first full week in any semester. A late registration fee of twenty-five dollars will be required of students who are authorized to register after one full week of class, and fifty dollars after two full weeks.

**Attendance** Requirements for attendance are established by the instructors in all courses. Instructors are responsible for informing students of their policies and attitudes regarding attendance, at the beginning of each course. The student, when absent from class, has the responsibility of obtaining knowledge of materials covered in classes missed, especially information about announced tests, papers or other assignments. While absence may adversely affect grades in courses when class participation is a determinant in grading, absence *per se* in other courses will not result in academic penalty.

**Class Hours** Classes meet three times a week on Monday, Wednesday, and Friday for 50 minutes, twice a week on Tuesday and Thursday for 75 minutes, and for 2 hours and 40 minutes once a week in late afternoons and evenings. Classes meeting on Monday, Wednesday, and Friday and once a week have a 10 minute break between classes. Classes meeting on Tuesday and Thursday have a 15 minute break. The period between 1:00-2:15 p.m. on Tuesday and Thursday is reserved for student activities, faculty meetings, guest lecturers, and films.

**Change of Address** Students are required to notify the Registrar of any change of home or local address of parent or guardian, or change of legal name. When a student’s legal name is changed, a certified copy of the relevant documents must be submitted to the Registrar. Changes of address must be submitted to the Registrar within 48 hours of the effective date of the change.

**Student Conduct** Acceptable conduct is expected of Suffolk University students at all times. It is assumed that students will understand what generally constitutes acceptable conduct. Specific regulations governing all questions of conduct, and other policies and procedures governing student behavior and disciplinary measures are contained in the Joint Statement on Rights and Freedoms of Students. The Joint Statement can be found in *The Log* and in *After Five*.

**Smoking** Smoking is permitted in the student lounges, in the cafeteria, and in designated areas of the University. No stu-
Dents or faculty members are permitted to smoke in classrooms or in the University Library, due to fire regulations of the Commonwealth of Massachusetts.

**Dismissal** The University reserves the right to suspend, enforce the withdrawal of, or expel a student whose academic standing or conduct is in its judgement unsatisfactory, or who does not comply with the rules and regulations of the University. Any student found guilty of participating in or inciting a riot or an unauthorized or disorderly assembly is subject to appropriate disciplinary action which may include suspension or dismissal.

**Final Examinations** Final examinations are required in all regular courses unless waived by the department chairperson and the Dean.

**Make-Up Examinations** Only when incapacitating illness or other emergency makes attendance at a final examination impossible may a make-up examination be requested. The request should be made promptly (within two weeks) through the Dean of Students. Medical certificate or other verification should accompany the request. Authorized make-up examinations must be taken no later than the next succeeding semester. A fee of ten dollars is charged for each make-up examination. A student who has completed a course with a grade of "F" is not eligible for a make-up examination. Students may, however, take the CLEP Test in lieu of repeating a failed course.

**Normal Full Program** A program of four or five courses is considered a full load for a full-time student in any semester. Permission to take a sixth course may be given only by the Committee on Excess Courses (see below). All full-time undergraduate students are expected to complete at least four courses each semester. Those who fail to do so can only continue with the permission of the dean of the college in which they are enrolled. This policy does not apply to students admitted as continuing education students, non-degree students, or as senior citizens who may carry reduced course loads at their own discretion.

**Add/Drop or Change of Course** Full time students who wish to add, drop, or change a course during the first two weeks of a term must obtain the signatures of the instructors of the affected courses and the faculty advisor. The form is then brought to the Accounting Office. Part-time students must obtain the signature of the instructor of the course they wish to add and the Dean’s Office of their college. The form is processed by the Dean’s Office.

Normally, courses may not be added or changed after the second week and, under no circumstances, after the fourth week. Full-time students who wish to add, drop, or change a course after the first two weeks of a term must obtain the permission and signatures of the instructors of the affected courses and the Dean of Students. Part time students need the signatures of the adding course instructor and, in all cases, the Dean’s Office of their college.

A $10 fee is charged for each course change after the first two weeks of a term. (See page 12 for tuition liability information.)

**Excess Courses** Any course, in addition to the normal five courses, is an excess course. For compelling reasons, such as the need to make up a condition or a failed course, a student may be given special permission to register for a sixth course if the student has been in attendance at Suffolk University two full semesters or more, provided that the cumulative honor point average is 2.5 or better at the time of the petition. Application for the additional course should be made at the Registrar’s Office at the time the student is planning a program in advance of Registration Day. Students in their first two full semesters, excluding summer sessions, are limited to five courses.

In all other cases, permission to take an additional course must be obtained in advance from the Committee on Excess Courses. Petition forms are available in the Registrar’s Office and Office of the Dean. A student may not receive credit for more than six courses in any one semester.
Summer Session students whose average is below 2.5 are ordinarily limited to a program of not more than two courses in each term, but may petition the Committee on Excess Courses for permission to take a third course. Students whose average is 2.5 or better may carry three courses in each term.

**Independent Study Program**

Applicants and present students may submit College Level Examination Program (CLEP) scores at their own options and receive advanced standing credit not to exceed a total of 60 semester hours. This testing program, developed by the College Entrance Examination Board, is intended to enable mature and talented individuals who have acquired their education in non-traditional ways (such as TV courses, on-the-job training, and work experience) to demonstrate their achievement and to receive college credit.

Applicants should have their scores sent to the Director of Admissions. Students presently attending Suffolk University should have their CLEP scores sent to the Dean of Students.

**Directed Study**

Undergraduate

Directed Studies, 5 level courses, are available to Seniors in good academic standing (Juniors with strong records may also be eligible) only when a student's program merits the course, and it has the approval of the student's instructor, advisor and department chairman and Dean. Normally not more than two directed study courses may be attempted and these must be limited to a student's major field of study. The Directed Study must not duplicate course work in the student's curriculum.

Graduate Directed Studies, 9 level courses, are available to graduate students as well. All particulars of these courses must be negotiated with the department chairman of a student's major area of concentration.

**Credits Earned at Other Summer Sessions**

Suffolk University students who wish to accelerate their programs by taking summer courses, with the exception of graduate students in the School of Management, will be expected to take them at Suffolk University. Students who commute more than forty miles, however, may be granted permission to attend another college, but must obtain written permission to do so in advance from the Dean of Students in order to ensure acceptance of their credits. The number of transfer credits will be limited to one credit for each week of summer session attendance. Credit will be withheld unless the course work is completed with a grade of "C" or better, where "D" is the lowest passing grade. Credits earned at summer sessions in other institutions may not be counted as part of the work of the senior year (last 30 semester hours) in any Suffolk University degree program except in extremely unusual and rare instances. Students who transfer more than 62 semester hours may not take courses for credit at other institutions. Courses taken in affiliated programs at Emerson College are an exception to this policy.

**Reports**

Grade reports will be issued to each student soon after the close of each semester.

**Change of Major**

Students changing their major within the School of Management must: 1) complete a "Request for Advisor" form available in the School of Management and 2) complete a "Change of Major" form which is available at the Registrar's Office. Students who desire to change from the College of Liberal Arts and Sciences to the School of Management must first be admitted to the School of Management by the Admissions Office. After admission is granted, steps 1 & 2 must be followed.

**Classification of Students**

Classification of students depends upon the number of semester hours earned prior to the first semester of the current year. Freshman standing is assigned to all those having less than twenty-four semester hours; Sophomore standing, at least twenty-four semester hours; Junior standing, at least fifty-four semester hours; Senior standing, at least eighty-four semester hours.
The Grading System  Effective as of the Fall Semester of 1980, the following grading system will apply to all undergraduate students.

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Honor Point Equivalent</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td>A–</td>
<td>3.7</td>
</tr>
<tr>
<td>B+</td>
<td>3.3</td>
</tr>
<tr>
<td>B</td>
<td>3.0</td>
</tr>
<tr>
<td>B–</td>
<td>2.7</td>
</tr>
<tr>
<td>C+</td>
<td>2.3</td>
</tr>
<tr>
<td>C</td>
<td>2.0</td>
</tr>
<tr>
<td>C–</td>
<td>1.7</td>
</tr>
<tr>
<td>D+</td>
<td>1.3</td>
</tr>
<tr>
<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td>D–</td>
<td>0.7</td>
</tr>
<tr>
<td>F</td>
<td>0</td>
</tr>
<tr>
<td>I</td>
<td>Does not affect honor point average</td>
</tr>
<tr>
<td>L</td>
<td>Does not affect honor point average</td>
</tr>
<tr>
<td>W</td>
<td>Does not affect honor point average</td>
</tr>
<tr>
<td>P</td>
<td>Does not affect honor point average</td>
</tr>
</tbody>
</table>

"A", "A–", "B+" and "B" are honor grades.
"C+", "C", and "C–" represent satisfactory work.
"D+", "D", and "D–" represent passing but unsatisfactory work.
"F" is a failing grade. It indicates (a) that more than half of the course requirements are complete but unsatisfactory by the end of the semester or, (b) that the student dropped the course or withdrew from the University without valid cause after the mid-point of the course (in terms of weeks of class). Students who merely stop attending a course without having completed the official forms should expect to receive a grade of "F". The F grade remains in the cumulative average even if the course is retaken.

"I" (Incomplete) indicates that at least half of the course requirements have been completed with a passing average ("D" or better) at the end of the semester. Incomplete work may be made up not later than the end of the next semester following that in which the course was taken, with the exception that "I" grades in laboratory courses must be made up the next time the laboratory is offered.

Work may be made up for valid reasons (such as illness, etc.).

The Registrar will record grade changes that are made within two weeks after the close of the examination period. Changes made after this period will be recorded at the end of the next semester.

"I" (Lost) is awarded when the student's name appears on a roster, but that student failed to appear in class or disappeared prior to the last day for course changes without complying with the official withdrawal procedures.

"W" signifies official withdrawal from a course. It is assigned administratively, (a) if a student voluntarily drops the course or withdraws from the University prior to the start of the mid-point of the course, in terms of weeks of class, or, (b) if the student drops the course or officially withdraws from the University for valid and serious cause after the mid-point of the course. Valid cause includes serious illness, job transfer, problems involving family responsibilities, and similar circumstances beyond the students' control. The legitimacy of such declarations for cause will be determined by the Dean of Students' Office. Any reasons for cause must be documented, certified and submitted with the completed petition.

Courses officially dropped during the add-drop period will not appear on the student's record.

An excessive number of "W's," "I's" and "L's" can lead to academic probation or dismissal.

Honor Point System  Scholastic averages will be computed as follows: 4.0 Honor Points will be granted for each semester hour of A grade work; 3.7 Honor Points for A– work; 3.3 Honor Points for B+ work; 3.0 for B work; 2.7 for B– work; 2.3 for C+ work; 2.0 for C work; 1.7 for C– work; 1.3 for D+ work; 1.0 for D work; 0.7 for D– work; and 0.0 for F work. Grades of I, W, P and L are not computed in determining Honor Points. In a 3 semester hour course,
a grade of A will count as 12 Honor Points \((3 \times 4.0 \text{ Honor Points} = 12 \text{ Honor Points})\). An average of 2.0 (C) overall and in one’s major is required for graduation. In some departments, a higher average is required in the major.

**Pass-Fail Courses** A Pass-Fail Option is available to students in lieu of letter grades subject to the following limitations and regulations:

Eligibility is restricted to Juniors and Seniors in good academic standing and to those Junior and Senior transfer students who have completed a minimum of 15 semester hours of course work at Suffolk University. This option is limited to four semester courses per student. An exception may be made for Psychological Services PS 503 — Interpersonal Relations, which can be taken by any student as a Pass-Fail course with the consent of the instructor. Pass-Fail courses may not be taken in a student’s major and may not be used to fulfill general college requirements or the related courses required as part of the student’s area of concentration (major).

Students will designate courses as Pass-Fail on their registration forms at the time of registration. No changes from this designation to the letter grade system or vice-versa are permitted after the course-change period has elapsed at the opening of any semester or summer session.

At the end of the semester, instructors will submit letter grades for all students except for those who have chosen to take the course on a Pass-Fail basis. The instructor and the Registrar will transcribe a Pass as P and a Fail as F for those who elected this option.

A Pass received on this basis may be applied toward fulfilling degree credits, but may not be applied toward the quality point average. Students planning to attend Law School or other Graduate Schools should be aware that many Professional and Graduate Schools do not look with favor upon the Pass-Fail system and prefer students to submit traditional letter grades.

**Scholastic Honors**

**The Dean’s Honor List** The Dean’s Honor List is composed of students who are deemed worthy of recognition because of high scholastic achievement.

Dean's List honors are awarded on a semester basis and are announced as soon as possible after the close of the semester.

In order to be considered for the Dean’s List, a student must be in regular attendance during the appropriate semester, and shall have completed a minimum of four courses as a day student or at least three courses as an evening student with an average of 3.0 or better for the semester. A grade of F or I disqualifies a student for the Dean’s List, regardless of average.

**Recognition Day** Students who have excelled in a single academic field, or who otherwise have earned distinction through meaningful campus activities, are formally recognized in ceremonies held at the end of each Spring semester. Recognition Day is one of the oldest of traditions observed at Suffolk University. Its purpose is to respond to excellence wherever it is found in the broad spectrum of undergraduate life. Criteria for selection are diverse, according to the nature of the award. Further information is available in the Student Activities Office, and in the Scholarly Honors Section of this Bulletin, pp. 22-24.

**Graduation With Honors**

1. No student shall be eligible for the Dean’s Honor List in any semester in which he or she receives an F or an I grade, regardless of the academic average.
2. To be eligible to graduate summa cum laude a student must have completed at least 60 semester hours at Suffolk University, have a cumulative average between 3.8 and 4.0 and no grades of F or I.
3. To be eligible to graduate magna cum laude a student must have completed at least 60 semester hours at Suffolk University, have a cumulative average between 3.5 and 3.7, and have no grades of F or I.
4. To be eligible to graduate cum laude a stu-
dent must have completed at least 60 semester hours at Suffolk University, have a cumulative average between 3.0 and 3.4 and have no more than one grade of F or I.

5. Students shall be ineligible to be elected to Delta Alpha Pi who have more than one grade of F or I.

**Leave of Absence** A leave of absence from the School of Management may be granted for up to one year to a student in good academic standing (not subject to academic probation or dismissal). A student applying for a leave of absence must give a definite date for reregistration and must reregister within one year of the date of leaving the School. Due to the time restriction on obtaining a degree, only one leave of absence can be granted. Students on leave will be required to meet the degree requirements under which they were admitted. A leave of absence is granted through the Dean of Student's Office.

A student not returning for reregistration at the specified semester will be classified as an official withdrawal and must apply for readmission to the School of Management through the Admissions Office.

Registration materials can be forwarded to the student upon request by contacting the Registrar's Office in writing (by April 1 for the fall term, by November 1 for the spring term, or by March 1 for the summer term). The address is: Registrar, Suffolk University, 8 Ashburton Place, Boston, Massachusetts 02108. After these dates, a student will be considered a late registrant and may register as such at the times announced in the Bulletin.

**Academic Standing**

<table>
<thead>
<tr>
<th>Subject to Probation</th>
<th>Subject to Dismissal</th>
</tr>
</thead>
<tbody>
<tr>
<td>End of Freshman Year (Less than 25 credits earned)</td>
<td>Average of 1.50-1.79 than 1.50</td>
</tr>
<tr>
<td>End of Sophomore Year (Less than 55 credits earned)</td>
<td>Average of 1.60-1.89 than 1.60</td>

</tr>
<tr>
<td>End of Senior Year (At least 122 credits earned)</td>
<td>2.0 average or better for graduation</td>
</tr>
</tbody>
</table>

**Academic Probation** No student on academic probation shall be eligible to compete in athletics, hold elective or appointed offices, or represent the University in extracurricular or intercollegiate activities. However, a student on academic probation may continue membership in extracurricular activities such as clubs or fraternities, and may write for, but not be a member of the staff of campus publications. In the event one's average does not improve, the Dean of the college or the Academic Standing Committee may require a limitation of extracurricular activities as a condition for continuation at Suffolk University.

Any student who receives 3 or more grades of W, I, or L in any academic year shall be subject to review by the Academic Standing Committee.

**Academic Suspension and Dismissal**

A student who has been placed on probation will generally be given until the following semester's final grading period to establish an acceptable honor point average or demonstrate a significant improvement. Failing to achieve the satisfactory average, the student becomes subject to suspension or dismissal from the University after review by the Faculty Academic Standing Committee. At the end of each fall and spring semester all Freshmen with an average of less than 1.5, all Sophomores with an average of less than 1.6, all Juniors and transfer students with an average of less than 1.8 and all Seniors with an average of less than 1.85 will be in imminent danger of academic dismissal.

At any point during the academic year a student may be dismissed from Suffolk University if, in the opinion of the Academic Standing Committee, the academic record is unsatisfactory.

All day students who are required by the University to enroll in or complete English 001, English 002, English 003, or English 303 and do not do so may be dropped from the University.
Petition for Re-admission A student who has been dismissed for academic deficiency may, as a matter of right, file a petition for readmission with the Academic Standing Committee. This typewritten petition should contain a brief explanation of the cause of past academic difficulties encountered and some indication of the corrective action that has been taken to prevent a reoccurrence of the scholastic failure.

Petitions should include a transcript of all interim college-level work attempted outside Suffolk University, if applicable, and a processing fee of $15 in the form of a check or money order. The filing deadlines for petitioning for re-admission are 30 days prior to the beginning of classes in the semester of reentry for the School of Management, and 15 days prior to the beginning of classes for the College of Liberal Arts and Sciences.

Suspension, Enforced Withdrawal, and Expulsion A student who has been found to have violated the rules of academic probation after a hearing by the Dean of Students or by the Joint Committee on Student Conduct, which hearing has been held at the option of the student, is subject to suspension, enforced withdrawal, or expulsion from the University or appropriate lesser penalties if warranted by the circumstances.

Cheating and Plagiarism Suffolk University insists upon the highest standards of academic integrity in all student work, both written and oral. Penalties for cheating and plagiarism are severe, including possible suspension or expulsion. A full discussion of the responsibilities of students in this matter can be found in the student Log and in After 5.

Transfer students must earn at least a 2.0 honor point average in courses completed at Suffolk University.

Eligibility for Degree In order to be eligible to receive a bachelor’s degree from the University, a student must have at least (1) two honor points for each semester hour of credit earned in courses at the University and (2) a C average (2.0) in the major courses. The last thirty hours in any bachelor’s degree program must be earned at Suffolk University. Eight years is the normal limit for completion of part-time or interrupted degree programs.

Transfer students must earn at least a 2.0 honor point average in courses completed at Suffolk University.

Application for Degree Students must submit an Application for Degree to the Accounting Office at the BEGINNING of the student’s final semester. However, students who take courses in the second evening Summer Session are not eligible for September graduation, but may graduate the following January or June. Upon filing this application, the student is required to pay the graduation fee. The Registrar will not accept any forms for processing until clearance has been granted by the Accounting Office. Failure to comply with this requirement will delay graduation until the end of the following term.

Withdrawal from College If it becomes necessary for a student to withdraw from college, he or she is expected to complete an official withdrawal form obtainable in the Dean of Student’s Office and have an exit interview with the Dean of Students. When circumstances prevent this, the student or parents should write to the Dean of Students concerning the reason that requires withdrawal from college.

Auditing Students who wish to audit a course must obtain the permission of the instructor, list the course on their program at registration time, and mark “audit” beside it. The decision to audit must be made at the start of the course. Students are not permitted to take a course without officially registering for credit or audit. No credit or honor points are awarded for audited courses. The tuition for auditing a course is the same for taking a course for credit.
The School of Management offers a choice of five majors to its full and part-time students: Accounting, Computer Information Systems, Finance, Management, and Marketing.

The program combines a strong background in the liberal arts which provides an awareness of society and culture with an intense study in the selected area of business administration. The business curriculum is in conformance with that of the American Assembly of Collegiate Schools of Business. The student is exposed to many areas of business, obtaining a working knowledge of accounting, computer information systems, marketing, management, finance, and economics. By the junior year a major field of concentration is chosen and an intense study of 18 credits proceeds.

A student will normally be recommended for the degree of Bachelor of Science in Business upon completion of 122 semester hours of course work and a 2.0 cumulative average in accordance with one of the plans for a major outlined in the following section. Full time students normally complete their degrees in four years unless they attend Summer Session to accelerate their programs. Part time students will normally take five, six, or seven years to complete the requirements depending on the course load carried and on whether they attend the Summer Session.

The School of Management offers a full complement of classes in morning, afternoon, and evening hours, Monday through Friday, on a yearly basis. Courses are not offered each semester. Required courses must be taken when they are offered. Fall term runs from early September to mid-December, Spring term runs from mid-January to early May, and Summer term runs from mid-May to the end of August with two separate sessions. Students may enroll in the classes that suit their work and personal schedules. Often a full time student will find that the early morning hours are preferable for classes and late afternoon hours are often convenient for a part-time student. It is expected that full-time students will enroll in day classes. The faculty and content for all courses are the same. Students are encouraged to take full advantage of the School of Management's variety of course time offerings.

Prerequisites The School's curriculum is designed to enable students to acquire knowledge and skills cumulatively, building from the introductory material to more specialized or advanced study in areas of concentration. Prerequisites have been established for courses which require prior preparation in order for the student to benefit fully from the learning experience.
Students are responsible for taking courses in the prescribed sequence. This means that:

1. All prerequisites must be satisfied;
2. Courses assigned to class year must be registered for accordingly. Undergraduate students must have satisfactorily completed 55 credits in order to register for an upper division course (SOM undergraduate courses numbered 310 or higher) for which they have the necessary prerequisites;

**Accounting Courses**

- ACT 212, Principles of Accounting II*
- ACT 311, Managerial Accounting I
- ACT 312, Managerial Accounting II
- ACT 321, Intermediate Accounting I
- ACT 322, Intermediate Accounting II
- ACT 331, Cost Accounting
- ACT 332, Accounting Information Systems: Cost & Managerial Application
- ACT 410, Accounting Theory
- ACT 411, Advanced Accounting I
- ACT 413, Auditing
- ACT 415, Institutional & Govtl. Acct.
- ACT 421, Taxation
- ACT 422, Advanced Taxation

*It is assumed that if ACT 212 is listed as a prerequisite for ACT 311, for example, then ACT 211 (which is a prerequisite for ACT 212) is also a prerequisite for ACT 311. Similarly, if FIN 310 is a prerequisite for FIN 319, for example, then the courses listed as prerequisites for 310 are also prerequisites for FIN 319, etc.

**Business Law Courses**

- BLAW 214, Business Law II (formerly BLAW 213)
- BLAW 215, Business Law III

**Computer Information Systems Courses**

- CIS 311, Bus. Programming w/COBOL I
- CIS 312, Advanced Business Programming w/COBOL II
- CIS 313, Systems Analysis and Design
- CIS 410, Management Information Systems
- CIS 413, Information Systems Consulting Project
- CIS 415, Packaged Software
- CIS 417, Computer Auditing & Control
- CIS 419, Special Topics in CIS
- CIS 420, Computer Simulation & Modeling
- CIS 423, Data Base Management

For further discussion of upper and lower division and level courses, please refer to Undergraduate Course Requirements, pp. 38-50.

Please note: Students will not be permitted to register for courses unless all prerequisite requirements have been satisfied, including appropriate class standing. The registration process will include review of the transcript to validate prerequisites. NO exceptions will be allowed without approval from the Dean’s Office.

**Prerequisites**

- ACT 211, Principles of Acct. I
- ACT 212, Principles of Acct. II
- Math 111, Finite Math
- ACT 311, Managerial Acct. I
- ACT 212, Principles of Acct. II
- ACT 212, Principles of Acct. II
- ACT 212, Principles of Acct. II
- ACT 331, Cost Accounting
- ACT 322, Intermediate Acct. II
- ACT 321, Intermediate Acct. I
- ACT 322, Intermediate Acct. II
- ACT 321, Intermediate Acct. I
- ACT 212, Principles of Acct. II
- ACT 212, Principles of Acct. II
- ACT 413, Auditing
- ACT 415, Institutional & Govtl. Acct.
- ACT 421, Taxation

BLAW 213, Business Law I: Legal Environment of Business (formerly BLAW 211)

**Prerequisites**

- CIS 211, Intro. to Computer Information Systems
- CIS 311, Business Programming w/ COBOL I

- CIS 211, Intro. to Computer Information Systems
- CIS 313, Systems Analysis and Design or Instructor’s Consent
- CIS 331, Systems Analysis and Design or Instructor’s Consent
- CIS 211, Intro. to Computer Information Systems
- CIS 313, Systems Analysis and Design or Instructor’s Consent
- CIS 211, Computer Info. Systems and Instructor’s Consent
- CIS 211, Intro. to Computer Information Systems
- CMPSC 131, Computer Programming I
- CMPSC 132, Computer Programming II
- CIS 313, Systems Analysis & Design
Finance
Courses
FIN 310, Business Finance
FIN 315, Principles of Investments
FIN 319, Credit and Collections
FIN 410, Analysis of Financial Statements
FIN 413, Investment Analysis & Portfolio Management
FIN 417, Multinational Financial Management
FIN 419, Problems of Managerial Finance

Management
Courses
MGT 310, Principles of Management
MGT 313, Personnel Administration
MGT 315, Purchasing Management
MGT 319, Production & Operations Management
MGT 320, Small Business Enterprise Organization & Operation
MGT 323, Labor Relations
MGT 325, Career & Life Planning for Management
MGT 410, Quantitative Decision Making
MGT 419, Problems of General Management

Marketing
Courses
MKT 310, Principles of Marketing
MKT 313, Sales Management
MKT 315, Promotion Management
MKT 317, Consumer Behavior
MKT 319, Marketing Research
MKT 419, Marketing Policies and Strategies

Prerequisites
ACT 212, Principles of Acct. II
EC 213, Principles of Econ. I
EC 214, Principles of Econ. II
MATH 113, Elementary Statistics or
EC 216, Introduction to Statistics
FIN 310, Business Finance
FIN 310, Business Finance
MKT 310, Principles of Marketing
MGT 310, Principles of Management
FIN 310, Business Finance
FIN 315, Principles of Investments
FIN 310, Business Finance, in addition to any two
Finance electives. Must be taken during last year.
FIN 310, Business Finance

Prerequisites
ACT 212, Principles of Acct. II
EC 213, Principles of Econ. I
EC 214, Principles of Econ. II
MATH 113, Elementary Statistics or
EC 216, Introduction to Statistics
MGT 310, Principles of Management
MKT 310, Principles of Marketing
MGT 310, Principles of Management
MKT 310, Principles of Marketing
MGT 310, Principles of Management
MKT 310, Principles of Management
MGT 310, Principles of Management
EC 216, Introduction to Statistics or
MATH 113, Elementary Statistics
MGT 310, Principles of Management

Prerequisites
ACT 212, Principles of Acct. II
EC 213, Principles of Econ. I
EC 214, Principles of Econ. II
EC 216, Introduction to Statistics or
MATH 113, Elementary Statistics
MKT 310, Principles of Marketing
MKT 310, Principles of Marketing
MKT 310, Principles of Marketing
MKT 310, Principles of Marketing
MKT 310, Principles of Marketing
MKT 310, Principles of Marketing
MKT 310, Principles of Marketing and two of the
following three: MKT 313, MKT 317, MKT 319.
CLAS Prerequisites (effective Fall 1984)*

Courses
EC 213, Principles of Economics I
EC 214, Principles of Economics II

Prerequisites
MATH 111, MATH 112, Finite Math I, II
EC 213, Principles of Economics I

Please note that effective Fall 1984 in CLAS Math 111 and 112, Finite Math I and II are prerequisites for EC 213, Principles of Economics I and EC 214, Principles of Economics II. EC 213 is a prerequisite for EC 214, and EC 213, EC 214 are prerequisites for EC 333, Money and Banking.

*New SOM students should follow this sequence beginning with Fall 1983.

Undergraduate Course Sequencing

These are the courses in the undergraduate program which MUST be taken in sequence.

I
MGT 110
MATH 111-112
ENG 101-102

II
ACT 211-212
CIS 211
MATH 213/ECON 216
ENG 213-215
EC 213-214

III
MGT 310
MKT 310
FIN 310
ACT 311-312

IV
Major Electives
MGT 410
MGT 429
Accounting Major

The major in Accounting serves as entry preparation for the professional accounting careers in public practice, industry, and government. Completion of the degree in Accounting meets the degree requirement to sit for the CPA examination in the state of Massachusetts and other states with similar requirements. Non-resident students should contact the State Society of CPA of their resident state to determine specific requirements.

Students who wish to major in Accounting must complete 24 semester hours of course work specifically described in the University catalog. Principles of Accounting is a required course for all majors in Business Administration but may not be counted as part of the Accounting major. Transfer students who major in Accounting must complete 12 credit hours of their senior level accounting at Suffolk University. The 12 credit hours must include Auditing, Advanced Accounting 1 and 11, plus any other senior level accounting course.

Institutional and Governmental Accounting  ACT 415  3
Systems Analysis and Design  CIS 313  3
Management Information Systems  CIS 410  3

Accounting Courses
(Frequency and schedule of offerings subject to change.)

ACT 211 — Principles of Accounting I.
Examines basic accounting theory and the application of theory to practice. Provides the necessary foundation for those who major in accounting as well as those concentrating in other areas of business. Emphasis is placed on the accounting cycle, periodic reporting and basic balance sheet accounts. 1 term 3 semester hours, offered Fall Term.

ACT 212 — Principles of Accounting II.
Prerequisite: ACT 211 — Principles of Accounting I.
A continuation of ACT 211 with emphasis on alternate business formations, corporate accounts, equity reporting, and dividend treatment. Analyzes cause of changes in liquidity and procedures for examining financial statements through margin analysis, ratios and cost-volume-profit analysis. 1 term, 3 semester hours, offered Spring Term.

ACT 311 — Managerial Accounting I.
Prerequisites: ACT 211-212 — Principles of Accounting I & II, Math 111 — Finite Mathematics I
A course designed for, and limited to, non-accounting majors. Surveys accounting principles from the viewpoint of management, income measurement, analysis and interpretation of internal and external accounting reports. Introduces the terminology and systems of cost determination and accounting. Accounting majors may not take this course for credit. 1 term, 3 semester hours, offered Fall and Summer Terms.

ACT 312 — Managerial Accounting II.
Prerequisite: ACT 311 — Managerial Accounting I.
A continuation of ACT 311, with emphasis on relevant costs and the contribution approach to evaluating management decisions. Explores cost analysis and capital budgeting using present value concepts. 1 term, 3 semester hours, offered Spring and Summer Terms.

ACT 321 — Intermediate Accounting I.
Prerequisite: ACT 212 — Principles of Accounting II.
A thorough and in-depth study of conceptual and technical aspects of financial accounting. Emphasis on valuation and measurement problems in income determination and balance sheet presentation. 1 term, 3 semester hours, offered Fall Term.

ACT 322 — Intermediate Accounting II.
Prerequisite: ACT 321 — Intermediate Accounting I.
A continuation of ACT 321. Emphasis on reporting and analysis of non-current assets, liabilities and stockholders' equity. 1 term, 3 semester hours, offered Fall Term.

ACT 331 — Cost Accounting.
Prerequisite: ACT 322 — Intermediate Accounting II.
A study of the procedures, concepts, and purposes underlying the development of a cost accounting system for managerial decisions and reporting. Examines systems for job-order, process, standard cost, and special problems of waste cost variances and cost responsibility. 1 term, 3 semester hours, offered Fall Term.

Prerequisite: ACT 331 — Cost Accounting.
This course will review the alternative systems of internal cost recording and reporting for managerial planning and control purposes within the broader framework of accounting information systems. A continuation of ACT 331. 1 term, 3 semester hours, offered Fall Term.

ACT 410 — Accounting Theory.
Prerequisite: ACT 322 — Intermediate Accounting.
A study of the AICPA publications with emphasis on recent trends and developments as indicated in current accounting periodicals. A study is made of the Statements and Interpretation of the FASB's, Accounting Research and Terminology Bulletin, APB opinions, and other official AICPA publications. Problem solving and student presentations accompany independent research to demonstrate the application of generally accepted accounting principles and concepts. 1 term, 3 semester hours.
**ACT 411 — Advanced Accounting I.**  
Prerequisite: ACT 322 — Intermediate Accounting II.  
A study of selected advanced topics in particular formation and termination, installment sales, consignments, inflection, incomplete data, and changes in financial position. 1 term, 3 semester hours, offered Fall Term.

**ACT 412 — Advanced Accounting II.**  
Prerequisites: Advanced Accounting I is not a prerequisite. Advanced Accounting I and II may be taken independent of each other. However, ACT 322 — Intermediate Accounting II must be taken prior to enrollment in ACT 412.  
An examination of the special problems related to consolidated financial statements, segment reporting and reporting of multinational activities. 1 term, 3 semester hours, offered Spring Term.

**ACT 413 — Auditing.**  
Prerequisite: ACT 322 — Intermediate Accounting II.  
Develops and appreciation and understanding of the auditing process and philosophy. Examines preparation of audit working papers supporting an audit examination, and the report and opinion of the auditor to management, stockholders, and others. Examines internal auditing procedures and objectives as well as those of an independent public accountant. Intensively studies the professional standards for professional public auditors. 1 term, 3 semester hours, offered Fall Term.

**ACT 415 — Institutional and Governmental Accounting.**  
Prerequisite: ACT 212 — Principles of Accounting II.  
A presentation of accounting principles and financial statement reporting for governmental organizations, charitable foundations, hospitals, universities and other nonprofit units. 1 term, 3 semester hours, offered Spring Term.

**ACT 421 — Taxation.**  
Prerequisite: ACT 212 — Principles of Accounting II.  
The main emphasis of the course is on Basic Federal Taxation as it applies to individuals, partnerships and corporations. Practical situations and the preparation of tax returns are discussed. 1 term, 3 semester hours, offered Fall Term.

**ACT 422 — Advanced Taxation.**  
Prerequisite: ACT 421 — Taxation.  
This course is designed to bring about an appreciation and understanding of the impact of taxation on business decisions. Application of tax principles will be illustrated by specific problems, estate and trust planning. 1 term, 3 semester hours, offered Spring Term.

**Business Law Courses**  
**BLAW 213 — Business Law I: Legal Environment of Business (formerly BLAW 211 — Introduction to Business Law).**  
A study of the legal environment within which the modern private, public and international business enterprise must operate, as well as the individual entrepreneur. Emphasis is placed on the historical, ethical, social and governmental influences on our legal system and the importance of the contractual and agency relationship to the system. 1 term, 3 semester hours.

**BLAW 214 — Business Law II.**  
Prerequisite: BLAW 213 — Business Law I: Legal Environment of Business.  
Covers partnerships, corporations, real property, sales and negotiable instruments. 1 term, 3 semester hours, offered each semester.

**BLAW 215 — Business Law III.**  
Prerequisites: Business Law II is not a prerequisite. Business Law II and III may be taken independently of each other. However, BLAW 213 — Business Law I: Legal Environment of Business must be taken prior to enrollment in BLAW 215 — Business Law III.  
Business Law III includes substantive areas of bankruptcy, property, wills, trusts and estates, suretyship and secured transactions, and legal liability of accountants and managers. 1 term, 3 semester hours.
The Computer Information Systems program consists of a 122 credit curriculum designed to prepare students for a variety of professional careers in business, industry, and government; and for graduate work leading to advanced degrees. The primary emphasis of the program is the application and effective use of computer-based information and decision support systems in all areas of management. Students majoring in Computer Information Systems are also exposed to a full complement of management courses.

The above CIS Electives may also be used to complete the Business Elective courses.

CIS Courses are taken in the School of Management.
CMSC Courses are taken in the College of Liberal Arts and Sciences.

### Computer Information Systems Courses

#### CIS 211 — Introduction to Computer Information Systems.

History and fundamentals of computerized data processing; including logical organization of computer systems, data communications, batch processing, time sharing and management information systems concepts. Also introduces data base management systems, security and privacy issues; and use of the BASIC language on the Suffolk Prime computer system. 1 term, 3 semester hours, offered each semester.

#### CIS 212 — Introduction to Computer Programming.

Covers extended applications of the BASIC programming language, with special emphasis on business applications. Topics include problem specification, algorithm formation, logic diagrams, decision tables, subprograms, arrays, string manipulation, filing, output formats, debugging and documentation. Also introduction to text edit and other software packages. Extensive use of the Suffolk Prime Computer System. For non-CIS majors only, or for CIS majors as a free business elective. 1 term, 3 semester hours.

#### CIS 311 — Business Programming with COBOL.

Prerequisite: CIS 211 — Introduction to Computer Information Systems.
An introductory treatment of the COBOL programming language emphasizing simple business applications. Also introduces techniques of structured programming in COBOL and sequential file processing. 1 term 3 semester hours.

#### CIS 312 — Advanced Business Programming with COBOL

Prerequisite: CIS 311 — Business Programming with COBOL.
Covers more advanced features of the COBOL programming language; including table handling, report writing, sorting, and direct access file processing. 1 term, 3 semester hours.

#### CIS 313 — Systems Analysis and Design.

Prerequisites: CIS 211 — Introduction to Computer Information Systems or with instructor’s permission.
Analysis and design of computer based business information systems. Covers the software life cycle, hardware selection, systems requirements, feasibility analysis, system specification and design, reports and forms design, coding, testing, debugging, and
maintenance. Includes special considerations for design of on-line data bases, data communications, and distributed data processing systems. 1 term, 3 semester hours.

**CIS 410 — Management Information Systems.**
Prerequisites: CIS 313 — Systems Analysis and Design or with instructor’s permission.
This advanced course emphasizes philosophies, concepts and practices common to the development and implementation of organizational management information systems. Pertinent MIS concepts and issues are studied through readings, cases, and projects, with emphasis on integrating computer supported systems into the management structure. 1 term, 3 semester hours.

**CIS 413 — Information Systems Consulting Project.**
Prerequisites: CIS 313 — Systems Analysis and Design or with instructor’s permission.
The student seeks out a project on or off campus and performs the systems analysis and design, implementation plan and documentation in the capacity of a professional consultant under faculty supervision. 1 term, 3 semester hours.

**CIS 415 — Packaged Software Products.**
Prerequisites: CIS 211 — Introduction to Computer Information Systems or equivalent.
Examines several widely used software packages relevant to managers, and includes exercises with several packages on the Suffolk computer. Studies the procedures, benefits and disadvantages of purchasing instead of developing applications software. 1 term, 3 semester hours.

**CIS 417 — Computer Auditing and Control.**
Prerequisites: CIS 313 — Systems Analysis and Design or with instructor’s permission.
Discusses issues of security, privacy, reliability, integrity, and control in data processing systems; and examines the role of internal and public auditors with computerized information systems. 1 term, 3 semester hours.

**CIS 419 — Special Topics in Computer Information Systems.**
Prerequisites: CIS 211 — Introduction to Computer Information Systems, and special requirements as announced for each offering of the course. The special topic content and objective will be announced as the course is scheduled. 1 term, 3 semester hours.

**CIS 420 — Computer Simulation and Modeling.**
Prerequisites: CIS 211 — Introduction to Computer Information Systems and knowledge of one programming language.
Studies the development and use of computer based simulation models for analysis of management plans and decisions. Exercise will include using special purpose simulation languages and conventional procedure oriented languages. 1 term 3 semester hours.

**CIS 423 — Data Base Management Systems.**
Prerequisites: CMPSC 131-132 — Computer Programming I & II and CIS 313 — Systems Analysis and Design or with instructor’s permission.
Covers the design and implementation of hierarchical, network, and relational data bases. Also considers query languages, data dictionaries, and the logical versus physical organization of computer based data systems.

**CIS majors must take the required courses listed below in the College of Liberal Arts and Sciences:**

**CMPSC 131-132 — Computer Programming I-II.**
This is the fundamental course designed to provide the necessary background for an understanding of computers and computer languages. Programming assignments in a structured, higher-level language such as PL/I or Pascal will introduce the student to methods of problem solving, development of algorithms, and designing, coding, debugging, and documenting programs. Topics will include an overview of computer organization, sorting and searching, string processing, simple data structures and levels of software. Structured programming techniques will be emphasized throughout. 2 terms, 6 semester hours.
Finance Major

The Finance curriculum exposes the student to the primary concepts and skills necessary to understand the problems involved in providing funds for a business, controlling and planning the flow of these funds within the enterprise, and relating these aspects to the monetary and financial structure of the economy. Finance majors learn the functional phases of finance such as banking, insurance, real estate, investments and related occupations.

The major in Finance may be attained by the completion of 18 semester hours of course work.

Finance Courses
(Frequency and Scheduling of courses is subject to change.)

FIN 310 — Business Finance
A study of the functions of business finance, forms of business organization, acquiring and administering funds, instruments of corporate finance and capital budgeting. 1 term, 3 semester hours, offered each semester.

FIN 313 — General Insurance
Stresses theory, practice, and problems of risk-bearing in business; including life, property and casualty insurance, and corporate risk management. 1 term, 3 semester hours, offered each semester.

FIN 315 — Principles of Investments.
Prerequisite: FIN 310 — Business Finance
An introduction to the investment of funds by individuals and institutions, including budgeting, insurance, wills and trusts, real estate, income taxes, pensions, savings and bonds. Includes analysis of investments and security markets, and the mechanics of trading and investing. 1 term, 3 semester hours, offered Fall Term days, Spring Term evenings.

FIN 317 — Real Estate
Prerequisite: ACT 212 — Principles of Accounting II.
Focuses primarily on real estate investment; examines related areas of law, finance, insurance taxation, appraisal and brokerage. 1 term, 3 semester hours, offered Fall term days, Spring Term evenings.

FIN 319 — Credit and Collections
Includes principles and practices observed in wholesale and retail credit granting, as well as the organization and operation of the credit department. 1 term, 3 semester hours, offered Spring Term, alternate years, evenings.

FIN 410 — Analysis of Financial Statements.
Prerequisite: FIN 310 — Business Finance
Includes the analysis, interpretation and forms of financial statements. Also covers comparative financial statements, trend and ratio analysis. 1 term, 3 semester hours, offered Spring Term, alternate years, evenings.

FIN 413 — Investment Analysis and Portfolio Management.
Prerequisite: FIN 315 — Principles of Investments.
An advanced course in investment analysis stressing analysis of the economy, industry, and individual firms. Also studies portfolio construction and management; and the trade-offs of risk versus return. 1 term, 3 semester hours, offered annually.

FIN 417 — Multinational Financial Management.
Prerequisite: FIN 310 — Business Finance.
Course deals with the financing, investment and working capital management process of multinational corporations; considering such variables as exchange risk, political risk, accounting regulations and tax laws. 1 term, 3 semester hours.

FIN 419 — Problems of Managerial Finance.
Prerequisites: FIN 310 — Business Finance, in addition to any two finance electives must be taken during the last year.
In-depth study of current finance theory and methodology applicable to the firm through case analyses, a computer simulation game and recent publications. 1 term, 3 semester hours offered annually.
Management Major

Management is concerned with the overall integration and coordination of the functional aspects of an organization. Management's goal is to insure that the planning, organization, integration, and control of the business is such that business may achieve its purpose be it a profit or non-profit organization. A goal of the management curriculum is to develop an awareness in the student of the types of problems faced by managers and to promote an understanding of the tools available for managers to use in making decisions. The highly competitive nature of business places a premium on creativity and innovation. Thus, there is an emphasis on both traditional and new ways of controlling costs and of solving the countless problems that always seem to come up, e.g., from laying out a new production line, selecting and promoting people or deciding where best to put the limited financial and human resources of a company or department. The demand for effective managers is high and likely to continue. Many predict that the major limitation on organizational growth in the future will not be money or materials but managerial resources. Our graduates pursue successful management careers, initially in entry level positions, in a variety of organizations. A significant number further their studies by enrolling in MBA programs here and at other institutions.

The major in Management may be attained by the completion of 18 semester hours of course work.

(Frequency and scheduling of courses subject to change.)

**MGT 110 — Introduction to Business.**

This course is designed to introduce first year business students to the business environment. Introduction to the functional areas of business takes place through an exploration of business careers in finance, accounting, production marketing and general management. Perspective is given through an exploration of business' role (historical and future) in society. Attention is also given to individual life planning in relation to business education and careers. **3 semester hours. Offered each semester.**

**MGT 310 — Principles of Management.**

Studies the principles and techniques underlying the successful organization and management of business activities; including planning and developing the organization; the operation of departmental functions; selection and training of personnel; incentives; and control methods. **1 term, 3 semester hours, offered each semester.**

**MGT 313 — Personnel Administration.**

*Prerequisite: MGT 310 — Principles of Management.*

A study of the modern personnel department in industry, with special emphasis on the techniques and methods of management and utilization of manpower and contemporary human relations problems. **1 term, 3 semester hours, offered Fall Term days, Spring Term alternate years, evenings.**

**MGT 315 — Materials Management.**

*Prerequisites: MGT 310 — Principles of Management, MKT 310 — Principles of Marketing.*

Studies the materials function as it relates to other management activities in the enterprise; including organization for materials; procurement procedures and controls; material requirements planning; appraising materials function performance. **1 term, 3 semester hours, offered alternate years.**

**MGT 317 — Organizational Behavior.**

Explores the application of sociological, psychological and anthropological concepts in business settings. Primary attention is paid to individual and group behavior and interaction, and to how large organizations function from a systems viewpoint. **1 term, 3 semester hours.**

**MGT 319 — Production and Operations Management.**

*Prerequisite: MGT 310 — Principles of Management.*

Emphasizes the universal application of operations management concepts and techniques to a variety of industrial and administrative tasks in commercial and non-profit enterprises. Covers such traditional topics as inventory control, quality control, scheduling and forecasting; as well as applications of such modern analytic techniques as linear programming and learning curves. **1 term, 3 semester hours, offered Fall Term days, Spring Term alternate years, evenings.**
Prerequisites: MGT 310 — Principles of Management, MKT 310 — Principles of Marketing.
Includes the application of all management functional topics to the unique problems of small business. Emphasizes role of the entrepreneur, problems of growth and practical approaches to using modern management techniques in small business. 1 term, 3 semester hours, offered Fall Term evenings, Spring Term days.

MGT 323 — Labor Relations.
Prerequisites: MGT 310 — Principles of Management.
A comparison of union-management objectives, functions and structures and its impact on managerial authority. The collective bargaining process and the problems involved in the negotiation, interpretation and administration of collective bargaining agreements. 1 term, 3 semester hours, offered Fall Term evenings, alternate years, Spring Term days.

MGT 325 — Career and Life Planning for Management.
Prerequisites: MGT 310 — Principles of Management.
The course will provide an opportunity for students to develop self-awareness personal skills and background knowledge necessary for successful personal life/career planning. Students will develop their own life/career plans based upon their learning from this course. 1 term 3 semester hours.

MGT 419 — Problems of General Management.
Prerequisite: MGT 310 — Principles of Management, open to seniors who are majoring in Management.
This capstone course integrates previous course work, and develops analytical and decision-making ability. Case discussions and problem solving exercises help students understand the various functional inter-relationships and the role of top management in decision-making. 1 term, 3 semester hours, offered Fall Term days, Spring Term days and alternate years, evenings.

Full-time day students are expected to enroll in day sections of this course.

MGT 429 — Business Policy.
Must be taken in the last year.
This integrates such functional areas of business as marketing, accounting, management, finance, personnel, production, etc. It also focuses on strategic and policy issues from the viewpoint of senior management. Case discussions help develop the conceptual framework for analysis and implementation of strategy and policy decisions. 1 term, 3 semester hours, offered each semester.
Marketing Major

The Marketing process identifies customer needs and develops the products, services and programs to satisfy them. The analysis, planning and control of these activities is central to the success of any organization, profit or non-profit. Marketing careers take many forms. Entry-level positions in sales, product management or market research exist in most large organizations, and retailing and advertising provide other major career paths. The marketing curriculum introduces the student to the wide range of functions and activities performed in carrying out the marketing task.

The major in Marketing may be attained by the completion of 18 semester hours of course work.

Marketing Courses
(Frequency and scheduling of courses subject to change)

**MKT 310 — Principles of Marketing.**
An introduction to marketing as a functional area of business enterprise, and an analytical survey of problems encountered in developing, promoting and distributing goods and services. 1 term, 3 semester hours, offered each semester.

**MKT 313 — Sales Management.**
Prerequisite: MKT 310 — Principles of Marketing.
Examines the problems of managing a sales force, including sales force organization and recruitment, selection and training, compensation, supervision and motivation. Also covers sales planning, sales analysis and control, and measuring the sales manager's performance. 1 term, 3 semester hours, offered Fall Term days, Spring Term evenings.

**MKT 315 — Promotion Management.**
Prerequisite: MKT 310 — Principles of Marketing.
Studies the role of promotion in the economy and in the marketing mix of the firm. Also examines tools of promotion, the promotional mix, budgeting, media and campaign evaluation. 1 term, 3 semester hours, offered Fall Term evenings, Spring Term days.

**MKT 317 — Consumer Behavior.**
Prerequisite: MKT 310 — Principles of Marketing.
Examines the behavioral aspects of the marketing process and the contributions of psychology, sociology, economics, anthropology and political science as applied to understanding the marketing process. 1 term, 3 semester hours, offered Fall Term evenings, Spring Term days.

**MKT 319 — Marketing Research.**
Prerequisite: MKT 310 — Principles of Marketing.
Fundamental techniques in marketing research including implementing market surveys, questionnaire construction, demonstration of market potentials, selection of territories, sampling theory, interpretation of results and report presentation. The functional areas of advertising research, sales research, new product research, motivation research and market research are explored. 1 term, 3 semester hours, offered Fall Term days, Spring Term evenings.

**MKT 419 — Marketing Policies and Strategies.**
Must be taken in the last year.
Prerequisite: MKT 310 — Principles of Marketing plus 2 of the additional 3 marketing courses, MKT 313 — Sales Management, MKT 317 — Consumer Behavior, and MKT 319 — Marketing Research. Integrates all areas of marketing activity through the analysis of marketing problems and policies. Problem-solving approach is utilized to develop marketing analysis ability. 1 term, 3 semester hours, offered Fall Term days, Spring Term evenings. Marketing majors should take this course in the Fall rather than crowding into the Spring Term.
Options

Required Courses and Electives offered by the College of Liberal Arts and Sciences

Humanities/Philosophy/History/Modern Language Option — 6 credits

Humanities

Humanities 101 & 102 — Introduction to the Humanities I-II
Humanities 111 — Humanities, the Art Mode
Humanities 112 — Humanities, the Music Mode
May be taken in any order or sequence.

Philosophy

Philosophy 115, 116/Introduction to Philosophy I-II
Philosophy 117, 118/History of Philosophy I-II
Philosophy 123 — Ethics
Philosophy 124 — Oriental Philosophy
Students taking only 3 semester hours in Philosophy to satisfy the Humanities/Philosophy/History option may take any one of the six courses. Students taking all six semester hours in Philosophy must take 115 or 117; any one of the other four courses may be taken for the remaining 3 credits.

History*

History 101, 102 Western Civilization I, II
History 121, 122 Foundations of the Modern World I, II
History 151, 152 World Civilization I, II
Students taking six semester hours of History to satisfy the requirement must take both halves of one of the following pairs: 101-102, 121-122, 151-152.
*Transfer students may take other appropriate courses with the permission of the instructor.

Modern Languages

French 209, 210 Contemporary French Civilization I, II
French 211, 212 The French-Speaking World I, II
Spanish 207, 208 Hispanic Culture I, II
These courses may be taken in any order or sequence.

Natural Science Option — 8 credits

Biology

Biology 101-L101, 102-L102
Principles of Biology I, II, and Laboratories**
Biology 113-L113 — Botany and Laboratory
Biology 114-L114 — Zoology and Laboratory
Science 251-L251, 252-L252 Introduction to Coastal Geology I, II and Laboratories
**Biology 101, L101 is a prerequisite for Biology 102, L102

Chemistry

Chemistry 101-L101; 102-L102 Basic Chemistry and Laboratory; Applied Chemistry and Laboratory
Chemistry 111-L111, 112-L112 General Chemistry I and II and Laboratories (Prerequisite: High School Chemistry)
The courses listed above are two-semester sequences to satisfy the Natural Science option. These courses must be taken in order.

Non-science majors may make the following changes in the above sequence.

Students electing to take Chemistry 111-112 may substitute the laboratory sequence and take L101-L102.
Students electing to take 111 may substitute 102, L102 for 112, L112
All other variations must be approved by the chairman of the Chemistry Department.
Physics
Physics 111, L111, 112, L112 College Physics I, II and Laboratories
Physics 151, L151, 152, L152 University Physics I, II and Laboratories
Science 101, L101, 102, L102 Physical Science I, II and Laboratories
Science 111, L111, 112, L112 Planetary Astronomy, the Universe and Laboratories
The above courses are two-semester sequence pairs; a student may not satisfy the Natural Science Option by taking two odd numbered courses from the above list. For non-science majors, the following substitutions are acceptable:
Physics 112, L112 may replace Physics 152, L152
Science 102, L102 may replace Physics 112, L112, 152, L152
Science 112, L112 may replace Science 102, L102; Physics 112, L112, 152, L152
Any other sequencing requires approval of Chairperson of the Physics Department.

Cooperative Education Program
Cooperative Education is an approach to learning that integrates academically relevant work experience with classroom education. Students in the Co-op program work full- or part-time in a job directly related to their major course of study. The Co-op experience allows students to make more realistic career choices; learn through the practical application of their academic study; become more competitive in the job market upon graduation and in many instances earn a significant portion of their college tuition.

All full-time College of Liberal Arts and Sciences and School of Management students are eligible for the Co-op Program if they have completed their freshman year (or one semester for transfer and graduate students) and have earned a grade point average of 2.5 or above. Co-op is an optional, non-credit program and students may choose to enroll in only one as many as five (5) full-time or nine (9) part-time Co-op work terms. Work terms coincide with the school calendar, beginning and ending at the start and finish of each semester — the fall assignment begins September 1 and ends December 31, the spring term begins mid-May and ends August 31. Because Co-op students make use of the summer term to either work or attend classes the longest it will take to complete a degree is 4.5 years for the students who work in full-time Co-op placements. Those who enroll in part-time placements work while attending classes and often graduate in four (4) years.

Co-op placements are available with all types of employers: accounting firms, banks, brokers and retailers, hospitals, universities, government and social service agencies. The specific placement for which students apply depend upon interest, experience and ability. There are placements suitable for sophomores with no employment experience as well as for seniors and graduate students about to enter the professions.

The Cooperative Education Office is open during regular University work hours to answer questions or take applications. An orientation session will be held prior to each work term for all interested students.
Master in Business Administration
Master in Public Administration
Advanced Professional Certificate

Suffolk University’s School of Management offers programs leading to the degrees of Master in Business Administration (M.B.A.), Master in Public Administration (M.P.A.) and the Advanced Professional Certificate (A.P.C.). These programs are offered in the day, late afternoon and evenings. Suffolk University is aware and proud of the diversity among its graduate student population and is constantly striving to accommodate their needs.

The purpose of the Graduate Degree Programs is to offer advanced study in the field of administration in the public and private and non-profit sectors. The facilities and courses offered allow a student to investigate and experience in-depth the knowledge and preparation needed to become a successful career person. A student is encouraged to become deeply involved in course work and projects.

Admission Admission to the M.B.A. and M.P.A. programs is open to qualified men and women holding a bachelor’s degree from a regionally accredited United States College or University or from a recognized foreign institution of higher education.

Application for admission requires the following:

M.B.A. Program: 1) completed application form; 2) official transcripts from all colleges attended; 3) GMAT test scores; 4) typewritten statement of activities and achievements (Also TOEFL if a foreign student applicant); 5) Resume; 6) Statement of Finances; 7) Letters of recommendation; 8) Personal statement.

M.P.A. Program: 1) completed application form; 2) transcripts from all colleges attended; 3) two letters of recommendation; 4) typewritten statement concerning interest in M.P.A. program; 5) Resume.

A.P.C. Program: 1) completed application form; 2) Undergraduate and graduate transcripts; 3) GMAT test scores (also TOEFL if foreign student applicant); 4) Two letters of recommendation; 5) Statement regarding your rationale for pursuing the A.P.C. Please include list of five courses you would like to take and your rationale for this selection; 6) Current resume.

Admission to the M.B.A. program is done on a continuous basis. Admission decisions for the Fall, Spring and first Summer session are made as soon as the application is received and reviewed by the Admissions Office.
International Students  A special information sheet is available for international students from the Admissions Office. The application deadline for the Fall Semester is May 1. All credentials must be received by June 1.

International students applying for the Spring Semester (January) must apply by November 1. All credentials must be received by December 1.

Students may be required to take Eng. 003, English as a Second Language, prior to taking Eng. 001 or 002, if a language deficiency exists as determined through testing by the English Department or the Test of English as a Foreign Language (TOEFL).

Financial Aid  A variety of financial aid is available to graduate students. Please refer to the financial aid section on page 14 for federal and state sponsored aid information. The School of Management provides a number of full and partial tuition Graduate Fellowships to qualified graduate students. These awards, made directly by the School of Management, are based upon merit and need and are awarded to individuals who present a strong academic background.

For information regarding financial aid and deadlines refer to pages 15-17 of this bulletin.

Graduate Academic Standards  Graduate students are expected to maintain satisfactory grades in all courses attempted. Formal guidelines for academic performance as applied to graduate students include both upper and lower level courses and are as follows:

Recommended Action:

For any of the following circumstances:

A. Upon completion of a semester in which the cumulative grade point average falls below 3.0 for the first time: WARNING
B. Upon completion of a semester in which the cumulative grade point average falls below 3.0, 18 or more credit hours have been completed, and a warning has previously been given: DISMISSAL
C. Cumulative total of two C grades: WARNING
   Cumulative total of three C grades: DISMISSAL
D. Receipt of an F grade: The student must petition to the Office of the Dean before taking any further courses. The "F" grade remains in the cumulative grade point average even if the course is retaken.
   Cumulative total of two F grades: DISMISSAL
E. Two or more I grades carried more than one semester following receipt: DISMISSAL

**Degree Requirements** The faculty will recommend to the President and Trustees of the University the award of the Master in Business Administration or Master in Public Administration degree if the following conditions are satisfied.

1. All lower level courses are satisfactorily completed or waived, and all upper level courses satisfactorily completed (minimum C grade).
2. An overall average of 3.00 or higher for the entire graduate program.
3. All degree requirements are completed within five years after the start of graduate work.

**Re-Admission to Suffolk University** Students re-entering Suffolk University after an absence of one semester or more should request a special re-entry form from the Admissions Office. Students seeking re-admission after 12 months will be re-admitted under the current curriculum. Re-entry is on a space available basis.

**Tuition and Costs** For information regarding tuition and costs for graduate studies please refer to the section entitled FINANCIAL INFORMATION, pages 11-14 of this bulletin.
Master in Business Administration Program

The M.B.A. curriculum is divided into a lower level course component and an upper level course component. The lower level courses may be waived if satisfactorily completed with a B- or better, in the undergraduate program of an accredited institution or through satisfactory performance on a CLEP Examination in the subject matter. Undergraduate courses used as waivers must be directly equivalent to Suffolk University courses. Credit is not granted for work experience. All lower and upper level MBA courses are open to matriculated students only. Full-time students are expected to enroll in day courses when possible.

Lower level courses are to be completed prior to enrollment in any upper level courses. Within the lower level courses, Financial Accounting (ACT 611), Quantitative Analysis (MGT 615) and Managerial Economics (FIN 621) should be completed or waived before taking Marketing Principles (MKT 614), Managerial Principles (MGT 616) or Managerial Finance (FIN 613). Legal Environment of Management (BLAW 617) may be taken at any time. Introduction to Computer Information Systems (CIS 610) should be completed or waived before taking upper level CIS courses.

Any waiver of lower level courses must be done during the admission process. Once a student has been admitted into the M.B.A. program, any remaining lower level and upper level courses are to be taken at Suffolk University or waived by the CLEP exam.

Within the upper level courses, Business Policy (MGT 719) must be taken during the final semester. This course builds upon and integrates the work of the other required upper level courses, and it is assumed that the student has taken them all or is taking them concurrently with the Business Policy course. This course is not offered in the summer sessions. Upper level required courses other than Business Policy may be taken in any sequence. This is also true of upper level electives, but it should be noted that many of these courses have prerequisites. See specific course descriptions for details.

Transfer credit may be awarded for up to 6 credit hours of upper level course work prior to matriculation. Students wishing to transfer upper level credits should complete a transfer request form available from the Admissions Office. Courses applied to a previous degree will not be granted toward the M.B.A. degree.

**Waived with two courses of principles of economics (macro and micro) taken in past seven years.

***Waived if undergraduate degree is in Economics completed in past seven years or waived with course work or degree in Business Administration, intermediate economic analysis (macro and micro) and a semester of Money & Banking if taken within the last seven years.

The use of the CLEP exams to waive lower level M.B.A. courses is encouraged. These exams are given during the third week of each month (except December and February) at many convenient test centers, including Suffolk University, Northeastern University and Boston University, 20 other locations in Massachusetts, and 900 throughout the country. Information on the tests, center locations, and application forms are available from: the Admissions Office or the College Level Examination Program (CLEP), The College Board, Box 1822, Princeton, New Jersey 08541. (Telephone #1-609-771-7528.)
The appropriate CLEP exams for the lower level courses at Suffolk University, School of Management to the M.B.A. Program are:

### M.B.A. Course Descriptions

#### Lower Level Courses

*(Frequency and scheduling of courses subject to change)*

**CIS 610 — Introduction to Computer Information Systems.**
A general introduction to data processing concepts, programming concepts, computer hardware and software fundamentals, business applications, management information systems concepts, and statistical applications. 3 semester hours.

**ACT 611 — Financial Accounting.** A basic course encompassing the concepts of accounting fundamentals, external statement reporting, and their interpretation for financial decisions. 3 semester hours. Offered annually.

**ACT 612 — Managerial Accounting.**
*Prerequisite: ACT 611 — Financial Accounting.*
Covers concepts and systems of costs, budgets and control, and the application of accounting information to management control and decision-making. 3 semester hours.

**MGT 616 — Managerial Principles.**
A survey course dealing with contemporary management issues. Course covers a wide range of conceptual and practical materials, including such areas as labor relations, human behavior, organizational structures, personnel systems, organizational development, etc. Conceptual material covered through reading with cases used to bring concepts to life. 3 semester hours. Offered annually.

**MKT 614 — Marketing Principles.**
An accelerated survey course for students without previous marketing coursework. Includes the role of marketing in society and within an organization, the structure of our marketing system, the marketing decision variables, and the marketing management function. 3 semester hours. Offered annually.

**MGT 615 — Quantitative Analysis.**
An introduction to probability and statistics. This course will impart the ability to comprehend and logically use quantitative methods through one of three forms: (1) analysis, 2) the creation of arguments with objective support for various premises, and 3) the systematic application of problem-solving techniques. 3 semester hours. Offered annually.

**FIN 621 — Managerial Economics.**
Develops the basic economic tools of macroeconomics and microeconomics with emphasis on understanding the economic environment of business decision-making. Topics such as price system, market structures, economic systems, labor markets, national accounts, government control, fiscal and monetary policy, inflation, unemployment and the banking system are covered. 1 term, 3 semester hours.
FIN 622 — Applied Economics of Management.
Prerequisite: FIN 621 — Managerial Economics.
Covers the economic aspects of business decisions and the analysis of quantitative economic data. Includes analysis of markets, the theory of consumer behavior, forms of competition, production economics, profit maximization, corporate pricing and technology. Emphasizes application of these topics to management problems. 3 semester hours. Offered annually.

BLAW 617 — Legal Environment of Management.
Introduction to law and judicial procedure as it affects the now common business transactions. Introduction to the substantive areas of Contracts, Agency, Property and Business Associations. 3 semester hours.

FIN 613 — Managerial Finance.
Prerequisite: ACT 611 — Financial Accounting.
Covers working capital management, fixed asset management, and sources of funds to the firm. Concepts of financial leverage, cost of capital, and dividend policy are introduced. 3 semester hours, offered annually.

Upper Level Courses
(Frequency and scheduling of courses subject to change)
All lower level courses must be completed prior to enrolling in upper level courses.

MGT 717 — Organizational Dynamics and the Management Process.
Offers the student an opportunity to understand the genesis of behavioral patterns in organizations as these patterns concern individual, group and intergroup activities, and the effect these activities have on the organization, leading to the development of "emergent behavior." An understanding of and an opportunity to work within the organization will be stressed. Organizational Dynamics and the Management Process offers an opportunity to study the various theories of behavior of people in organizations. The student traces the evolution of behavioral theories from the institution-based ideas up through the latest research-based conceptualizations. Conceptual development and applicability are developed by the use of texts and cases. 3 semester hours. Offered each semester.

MKT 714 — Strategic Marketing.
Examines the tools of analysis, planning and control used in management of the marketing process, beginning with needs assessment and proceeding through formulation of the offering, and the pricing, promotion and distribution decisions. Applications are stressed through case analysis and projects. 3 semester hours. Offered each semester.

MGT 716 — Management of the Production Process.
Emphasizes management of the production process as a universal task for the creation of utility. Develops an analytical ability and an understanding of both the newer quantitative techniques, such as linear programming, simulation, waiting line theory, and the more traditional topics such as work measurement, layout, and inventory control. Conceptual development and applicability are stressed through the use of text and cases. 3 semester hours. Offered each semester. Full-time, Day Students are expected to enroll in day sessions.

FIN 713 — Capital Management.
Covers the analysis, planning and solution of problems in the management of financial assets. Examines funds requirements, capital costs, short and long term financing, planning of the capital structure, use of capital markets, capital budgeting, and the analysis of relevant case studies. 3 semester hours, offered each semester.

MGT 715 — Statistical Analysis for Managers.
This course will provide in-depth knowledge for students in mathematical techniques used in business decision making. Particular effort will be focused on the process of analyzing decisions under uncertainty. Concepts include decision trees, profitability theory, and preference theory. Heavy attention will be given to application of techniques through case studies. 3 semester hours. Offered each semester. This course is not offered summers.

This course deals with the relationship between the internal business strategic process and the external influences on business which come from consumers, government, and society in general. Case situations concerning direct and indirect business/government/societal relations are used in helping the participant identify and learn to cope with the problems facing the business administrator in a highly complex and changing environment. Specific focus is given to the formulation of long-term strategic processes rather than the details of an ever-changing current environment. 3 semester hours. Offered each semester.
MGT 719 — Business Policy. Business Policy offers students the opportunity to develop a general management point of view rather than a functional or departmental orientation. This course builds upon and integrates the other work in the M.B.A. program by means of cases and other materials designed to develop skills in determining and implementing company objectives and policies. **Prerequisite:** this course may only be taken in the final semester of the M.B.A. Program. 3 semester hours. Not offered summers. Day students are expected to enroll in day sections.

Graduate Electives
Electives are open to matriculated M.B.A. degree candidates who have satisfied all prerequisite courses.

**Electives**

**Accounting**
- ACT 810 Taxation for Managers
- ACT 813 Intermediate Accounting
- ACT 815 Accounting for Managers
- ACT 819 Internal Auditing
- ACT 820 Accounting Information Systems
- ACT 823 Current Accounting Theory
- ACT 825 Management Control Systems
- ACT 910 Directed Individual Study

**Business Law**
- BLAW 810 Legal Environment of Business

**Computer Information Systems**
- CIS 810 Management Information Systems
- CIS 813 Business Information Systems
- CIS 815 Data Base Management Systems
- CIS 817 Management of the Information Resource
- CIS 819 Executive Decision Support Systems
- CIS 820 Special Topics in Computer Information Systems
- CIS 910 Directed Individual Study

**Finance**
- FIN 810 Advanced Investment Analysis
- FIN 813 Advanced Financial Management
- FIN 815 Risk Management and Insurance
- FIN 817 Portfolio Management
- FIN 819 Seminar in Finance — Special Topics
- FIN 820 Money and Capital Markets
- FIN 823 Financial and Economic Forecasting
- FIN 825 International Finance
- FIN 910 Directed Individual Study

**Management**
- MGT 810 Management of International Business
- MGT 813 Operations Management
- MGT 815 Real Property
- MGT 817 Organization Development
- MGT 819 Labor Relations
- MGT 820 Careers
- MGT 823 Management of Small Business
- MGT 825 Personnel and Human Resources Management
- MGT 830 Technological and Market Forecasting
- MGT 833 Management of Innovation
- MGT 835 Organization Design
- MGT 837 Organizational Intervention and Problem Solving
- MGT 839 Participative Work Forms
- MGT 840 Power and Influence in Organizations
- MGT 843 Women and Work
- MGT 910 Directed Individual Study

**Marketing**
- MKT 810 Marketing Research for Managers
- MKT 813 Marketing Communication Systems
- MKT 815 Consumer Behavior
- MKT 817 International Marketing
- MKT 819 Marketing Problems Case Seminar — Special Topics
- MKT 820 Sales Management
- MKT 910 Directed Individual Study

**Public Management**
All Public Management graduate courses can be used to fulfill the elective requirements, except for the following: PAD 715, 758, 759, 717, 711, 712 and 713. Any M.B.A. candidate who has previously received credit for Governmental Accounting at either the graduate or undergraduate level may not take PAD 718.

**Accounting**
The prerequisite for the following Accounting Electives is FIN 713.

**ACT 810 — Taxation for Managers.**
Taxation for Managers is designed to bring about an understanding of tax principles relating to specific and pertinent business problems. Practical situations and their impact on business decisions will be discussed as well as estate and trust planning. 3 semester hours.

**ACT 813 — Intermediate Accounting.**
This course develops an understanding of accounting concepts and generally accepted principles; auditing of functions; and an introduction to the reporting requirements of the Securities and Exchange Commission. 3 semester hours.
ACT 815 — Accounting for Managers.
Focuses on budgetary accounting and cost accounting; includes profit planning and control systems; sales and cash budget; accounting systems for job order, process and standard costs and managerial applications; and issues in international accounting. 3 semester hours.

ACT 819 — Internal Auditing.
Appraisal and review of the internal operational performance, effectiveness of financial services, accounting control, and other operations necessary to Management. 3 semester hours.

ACT 820 — Accounting Information Systems.
Provides usable guidance to future "specialists" in the design of accounting information systems of companies and non-profit organizations, to make them aware of practical steps in the design phase and implementation phase. 3 semester hours. Offered annually.

ACT 823 — Current Accounting Theory.
Review and exploration of the concepts and development theoretical aspects of accounting. Recent development and interrelationships of accounting theory to other business activities considered. Current values, index, replacement value, and recent accounting promulgations. 3 semester hours.

ACT 825 — Management Control Systems.
It focuses on the issues relating to controls in an organization. Explores in depth the distinctions between control processes that are found in profit and non-profit organizations. Deals with the use of management accounting tools and techniques in organizational controls. 3 semester hours.

Business Law

BLAW 810 — Legal Environment of Business.
This course is designed to acquaint the manager with the constitutional, legislative and administrative environment within which one must work. Particular emphasis is placed on the problems of partnerships, corporations, sales law, commercial paper, business property and simplified estate planning. 3 semester hours.

Computer Information Systems

The prerequisite for the following CIS courses is CIS 610 — Introduction to Computer Information Systems or instructor's permission.

CIS 810 — Management Information Systems.
Emphasizes philosophies, concepts, approaches and practices common to the development, implementation, and application of management information systems (MIS). A group term project deals with the conceptual design of a computer-based MIS. Roles of the manager and technical staff are examined through readings and case studies. Pertinent MIS concepts, management issues, MIS structure and MIS social-technical development processes are examined.

CIS 813 — Information Systems Analysis and Design.
This course deals with the concepts, techniques, skills, tools and approaches useful for the analysis, design, and implementation of computer-based business information systems. Topics covered: systems concepts, preliminary systems survey, document flow analysis, feasibility analysis, input/output requirements analysis, file design, systems flow charting, systems specifications, systems acceptance testing, implementation strategies, user-interface, project planning and control, and hardware and software acquisition.

CIS 815 — Data Base Management Systems.
Surveys the several conceptual schemes of DBMS, including hierarchical, relational and network designs; discusses criteria for evaluating commercial DBMS packages; reviews applications to management decision support and data processing. A major project involves the application of these concepts to practical information management situations. 3 semester hours.

Surveys important research and case studies on this increasingly critical function; discusses role and tasks of the information executive; examines issues of organizational structure, distributed data processing, long-range MIS planning, MIS personnel management, relations with vendors and consultants, and software project management. A field study project involves practical application of these concepts. 3 semester hours.
CIS 819 — Executive Decision Support Systems.
Surveys recent applications of computer based modeling systems to support senior management decision-making. Examines characteristics of available software packages and criteria for evaluation and selection. A major project involves use of several well known modeling languages on both microcomputers and the University’s mainframe computer. 3 semester hours.

CIS 820 — Special Topics in Computer Information Systems.
Covers unique and timely special material, as announced when the course is scheduled. Such topics planned include microcomputer applications, distribution data processing, comparative computer languages and behavioral factors of MIS. 3 semester hours.

CIS 910 — Directed Individual Study.
Involves a student initiated proposal to a willing and qualified faculty member for a directed study project. Normally, this is for three credit hours, and completed during one semester. The faculty member and student must concur on a written proposal and final report. Approval of the Office of the Dean is necessary prior to registration.

Finance
Prerequisite for the following finance electives is FIN 713.

FIN 810 — Advanced Investment Analysis
Risk-Reward analysis of security investments including an analysis of the national economy, industry, firm and market; portfolio construction and management; emphasis on theory and professional application. Analyses of cases. 3 semester hours.

FIN 813 — Advanced Financial Management
In depth study of capital costs, capital budgeting, leasing, mergers and acquisitions, and other current problems of business finance. Analysis of business cases and problems is supplemented by current readings in theory and practice. 3 semester hours.

FIN 815 — Risk Management and Insurance
A study of property, casualty, life, health and group insurance protection applicable to the firm, risk analysis to determining priorities or allocating financial resources, including self-insurance. 3 semester hours.

FIN 817 — Portfolio Management
Prerequisite: FIN 810. Quantitative and qualitative methods used in portfolio building, maintenance and evaluation; effect of uncertainty; nature and evaluation of selected institutional portfolios and investment objectives and attitudes toward income and risk. Cases. 3 semester hours. Offered annually.

FIN 819 — Seminar in Finance
Prerequisite: FIN 810 and 813. Theory of decision making and current readings in business finance and investments supplemented by special problems and a research project. 3 semester hours. Offered alternate years.

FIN 820 — Money and Capital Markets
Characteristics, structure and function of money and capital markets; sources of funds for small business financing, bond and mortgage financing, and equity financing. Current problems, practices, legal and economic developments. 3 semester hours. Offered alternate years.

FIN 823 — Financial and Economic Forecasting
A study of the nature, techniques, and problems of Business Forecasting. Indicators of business activity. Short-run econometric forecasting models and the construction of aggregate forecasts and of forecasts for major sectors of the economy. Application of aggregate and sector forecasts to particular industries and firms. Long-run predictions. 3 semester hours. Offered alternate years.

FIN 825 — International Finance
An analytical approach to multinational corporations' (MNC's) problems arising from operations in different financial environments and economies; the development of strategies for international financial planning, including such decisive areas as foreign investments, exchange rate fluctuations, currency restrictions, transfer pricing and tax regulations. 3 semester hours.

FIN 910 — Directed Individual Study
This elective course option involves a student initiated proposal to a willing and qualified faculty member for a directed study project. Normally, this is for three credit hours, and completed during one semester. The faculty member and student must concur on a written proposal and final report. Approval by the Office of the Dean is necessary prior to registration.
Management

MGT 810 — Management of International Business. This course focuses on the principles of International Business and the characteristics which distinguish it from domestic U.S. business. It deals with problems of international law, monetary matters, finance and cultural and political matters, considerations of the complexity of multinational corporation formation and operation and the related problems are also covered. 3 semester hours.

MGT 813 — Operations Management. Prerequisite: MGT 716. An advanced graduate elective for those preparing for a career in operations management. The primary objective of the course is to explore the application of operations management to the design and management of service delivery systems. Using the case method, factory derived tools and techniques will be employed to highlight the key considerations in evaluating and implementing alternative equipment and process techniques for delivering a given service. 3 semester hours.

MGT 815 — Real Property. In depth study of the financial and investment viewpoints of real estate. Topics include taxation, government regulation, law, insurance, valuation, syndications and special accounting considerations of cash flow and depreciation. Review of real property and estates. 3 semester hours.

MGT 817 — Organization Development. Prerequisite: MGT 717. The course offers the student the opportunity to utilize the principles and theories of organization behavior to change the beliefs, attitudes, values and structure of organizations so that they may be able to recognize and adapt to new technologies and challenges. 3 semester hours.

MGT 819 — Labor Relations. Prerequisite: MGT 717. This course provides a basic knowledge of Labor Relations by examining, in turn, the historical perspective, legal framework and administrative practices. Class methodology includes lecture, discussion and case analyses. 3 semester hours.

MGT 820 — Careers. Prerequisite: MGT 717. Focusing on the nature of careers, and career development, at the individual, organizational, and societal levels. Students will be encouraged to consider the material from both personal and managerial perspectives. The course will provide an opportunity for personal skill-building and career planning. 3 semester hours.

MGT 823 — Management of Small Business. The purpose of this course is to help prepare yourselves for successful careers as entrepreneurs or as managers in small business. The emphasis will be on the management strategy for the ongoing operations of the small business rather than the start-up or formation of new ventures. 3 semester hours.

MGT 825 — Personnel and Human Resources Management. Prerequisite: MGT 717. This course is offered specifically for the practitioner and student interested in understanding the role and the skills involved in human resources management. The course will have two distinct conceptual themes: 1) the nature and scope of traditional personnel functions, and 2) the role of the newly emerging personnel specialist concerned with recently observed changes in worker attitudes, expectations and education. In covering a broad array of human resource topics, the traditional functions and role will be merged with these recent changes. 3 semester hours.

MGT 830 — Technological and Market Forecasting. Prerequisite: MGT 715. Accurate forecasts are essential to strategic planning and executive decision-making. This course examines both qualitative and quantitative forecasting methods, with special emphasis on: (1) their application to high-technology industries and (2) the effect of existing uncertainties on decision-making. Suffolk's computer capabilities will be used extensively; also available for use in XSIM, a major software package, and access to a major New York bank's data files. 3 semester hours.

MGT 833 — Management of Innovation. Prerequisite: MGT 717. The management of the innovation process, from organizational needs assessment through development and evaluation is the central theme of this course. Innovation is defined here as administrative/policy and internal technological change, as opposed to new product development. This course deals primarily with unique management skills appropriate to an innovative organization. Lecture/discussion, case analysis and guest speakers are the primary teaching methods. 3 semester hours.
MGT 835 — Organization Design. Prerequisite: MGT 717.
Consider the effect of organizations’ structural characteristics upon their efficiency, effectiveness, and adaptability. Organization design management is viewed as a continual process of structural assessment, innovation, implementation, and reassessment. The course will consider empirical studies concerning organization design problems, recent development in improved methodology, implementation problems resulting from change in organization design, and a critical assessment of the field. 
3 semester hours.

MGT 837 — Organizational Intervention and Problem Solving. Prerequisite: MGT 717.
This course will enhance the student’s ability to solve organizational, human resources and general management problems using intervention techniques taught in class. Each student will select an appropriate problem from an organization, develop a change action intervention, and conduct the necessary field research. 
3 semester hours.

MGT 839 — Participative Work Forms. Prerequisite: MGT 717.
The course will survey alternative approaches to worker participation and their relationship to quality of work-life and organizational effectiveness. Topics will include job enrichment, autonomous work groups, quality circles, industrial democracy, worker cooperatives, comparative European and Japanese experiences, and legislative issues. 
3 semester hours.

MGT 840 — Power and Influence in Organizations. Prerequisite: MGT 717. The main purpose of this course is to help the student to identify, understand and manage the behavioral aspects of power and its political manifestations. The course will focus on: (1) sources of power and influence at the macro level; (2) the organization as a political entity; (3) power and influence dynamics; (4) political behavior in relation to organizational structure; (5) intensity and manifestations of political behavior. 
3 semester hours.

MGT 843 — Women and Work. Prerequisite: MGT 717. This course is designed to increase knowledge and understanding of current issues associated with sex roles in management including work/family problems. The primary focus is upon men and women who are currently managers and the issues concerning individuals who are potential candidates for managerial positions will also be discussed. Teaching methods include lecture and discussion, case analysis and guest speakers. 
3 semester hours.

MGT 910 — Directed Individual Study.
This elective course option involves a student initiated proposal to a willing and qualified faculty member for a directed study project. Normally, this is for three credits and completed during one semester. The faculty member and student must concur on a written proposal and final project. Approval by the Office of the Dean is necessary prior to registration.

Marketing
The prerequisite for the following marketing electives is MKT 714.

MKT 810 — Marketing Research for Managers. The role of research in the marketing decision process; the cost and value of information. Problem definition, research design, sampling, questionnaire design, field methods, and data analysis and reporting are investigated through cases and problems. 
3 semester hours. Offered annually.

MKT 813 — Marketing Communication Systems. The role, scope, and tools of promotion; the communication process and the limits of persuasion. The management of the promotional campaign, including formulation of objectives, resource allocation, message and media strategy, measurement and evaluation. 
3 semester hours. Offered annually.

MKT 815 — Consumer Behavior.
Applications of the behavioral sciences to understanding human behavior in the marketplace. Topics include individual and social influences on consumer decision processes, attitudes, persuasion, motivation and other related matters of concern to the marketer attempting to develop and implement strategy. 
3 semester hours. Offered annually.

MKT 817 — International Marketing.
The extension of marketing principles and practices to application in the multinational or world environment. Attention given to the kinds of skills needed by culture crossing marketeers. 
3 semester hours. Offered alternate years.
MKT 819 — Marketing Problem Case Seminar. The course focuses on analysis of complex cases drawn from real consumer and industrial marketing situations. The emphasis is on analysis, decision-making, and implementation of decisions by the marketing manager within the constraints imposed by lack of time and ambiguity of information. Suggested background: marketing experience or one additional graduate marketing course beyond MKT 714. 3 semester hours. Offered evenings alternate years.

MKT 820 — Sales Management. Examines the roles of the sales force and sales manager in implementing marketing programs, with emphasis on the functions and problems of the sales manager. Areas of concern include organization, selection, training, compensation, motivation and supervision of the sales force, measurement of performance, planning and control of the field sales function. 3 semester hours. Offered annually.

MKT 910 — Directed Individual Study. This elective course option involves a student initiated proposal to a willing and qualified faculty member for a directed study project. Normally, this is for three credit hours, and completed during one semester. The faculty member and student must concur on a written proposal and final report. Approval by the Office of the Dean is necessary prior to registration.

Students in the M.B.A. Program may substitute the following courses offered by the Suffolk University Law School for a graduate elective. Permission must be obtained from the instructor.

Law School Courses

Corporate Finance. This course is designed to develop the student's awareness of the legal problems and solutions involved in financing the corporation or similar business entity. Students should have taken Accounting for Lawyers or be able to work with accounting principles in analyzing financial statements. Topics covered will include: basics of evaluating corporations and their securities; the process of designing the right financing for the desired task; packaging and marketing the financing; disclosure duties of public corporations; liabilities of officers and directors; securities litigation; and several special areas such as reorganizations, condominiums and “tax shelter” offerings. The course will familiarize students with basic principles of federal and Massachusetts securities, corporate and other laws related to financing and give students a chance to apply these principles to a number of problems. Prerequisite: FIN 713. 3 semester hours.

Arbitration. Broad, basic course covering both commercial and labor arbitration with the emphasis on the basic aspects. It will not supplant nor infringe on any other courses covering labor law indepth. It is designed for the practical aspects and needs of the business and legal community. Topics covered include the common law and statutory aspects, arbitration agreement, their use and enforcement, qualifications, appointments and powers of arbitrators, the role and functions of the American Arbitration Association, the growing field of public sector fact finding, and arbitration. The class will participate in an arbitration based on a commercial case. Films and guest speakers will be used. 3 semester hours.

Executive MBA Program The Master in Business Administration is available at the Suffolk University School of Management in a uniquely conceived SATURDAY ONLY offering.

The Executive MBA Program is a rigorous, challenging, and unique educational opportunity for men and women who have clear career objectives. Admission is granted on the basis of previous educational and extensive work experience. A minimum of five years managerial experience is required.
This program provides currently employed men and women the opportunity to achieve senior managerial responsibility in business, government and nonprofit organizations.

The Executive MBA Program is designed to accommodate men and women who have had no prior academic training in business related subjects, as well as those who already possess an undergraduate degree in business. The sessions consist of eleven week segments of two courses per session; one in the morning and one in the afternoon. In the upper graduate level students take seven core courses in small, self-contained groups, interacting and learning with the same people throughout the program. In addition, three elective courses chosen from the fields of Accounting, Management and Marketing are required.

Students with no prior academic business preparation, can complete the degree requirements in 110 instructional weeks, while students whose prior record permits admission directly to the upper level, can complete the MBA degree requirements in as few as 55 instructional weeks.

New classes are admitted four times a year — in October, January, April and July.

Additional information about the program can be obtained by contacting the Director, Executive MBA program at (617) 723-4700, extension 308.

Advanced Professional Certificate Program

The Advanced Professional Certificate Program is a pragmatic program designed for those professionals who wish to contemporize or broaden their knowledge of modern business practices, and to assist them in developing a competitive edge in our rapidly changing economic, social and political environment. It is open to qualified graduates of an MBA program.

The A.P.C. is intended to provide today’s executives with an opportunity to obtain advanced management education in areas with which they are unfamiliar, or to update their present base of knowledge. It will provide a foundation and better understanding of concepts and practices for those moving into new areas of management or for those seeking advancement in their current functional or professional areas. The program also enables students to take elective courses they were unable to take during their regular M.B.A. program, and thus acquire a special competency.

The Advanced Professional Certificate program consists of five 3-credit hour M.B.A. elective courses. Students will design their program specifically to satisfy their needs and objectives, with faculty approval and consultation if needed. The A.P.C. program may focus on a particular functional area, or may draw from several areas.

Courses for the A.P.C. program are offered during the day, and in the evening from 4:30 - 7:10 p.m. and 7:15 - 9:55 p.m., Monday through Friday, and on Saturday.

For a list of elective courses please refer to page 57 for a listing and pages 58-62 for a description of these courses. All courses will not be offered each semester. For the most up-to-date listing of courses being offered during any given semester please refer to the course schedules available in the School of Management and Registrar’s Office.
Master in Public Administration Program

The MPA Program is concerned with a pragmatic approach to education in Public Management and Administration.

The program emphasizes and allows for the development of knowledge and expertise so that each student may perform managerial and administrative work at all levels of government or in a public service institution.

Objectives — The major objective is that each student be considered in terms of his/her potential as a public manager. The curriculum has been designed to meet the needs of the students:

... for the preparation of a career in the public service.

... for those now in public service who are interested in further study and advancement, and

... for those in not-for-profit agencies (community as well as voluntary).

The Suffolk University M.P.A. Program appears on the Roster of NASPAA Programs found to be in substantial conformity with standards established for professional master's degrees in public affairs and administration.

The program accommodates both full- and part-time students, offering them a mix of day and evening classes, and on Saturday.

The MPA curriculum is a 48-credit program (16 courses) which provides graduate instruction in all areas recommended by the National Association of Schools of Public Affairs and Administration.

There are eleven (11) required courses and five (5) electives. Foundation courses PAD 711, 712, and 713 must be taken prior to the other required courses. It is suggested that the other required courses be taken in numerical sequence. PAD 758 and 759 should be taken close to the end of the program.

*Students not taking PAD 758 will enroll in a sixth elective.*

**MPA With Concentration in Health Administration**
The M.P.A./Health Administration concentration has been designed to meet the present and expanding needs of managers in the area of hospital administration, public health, research, health planning, medical education, insurance and health care.

The curriculum integrates the disciplines of public management and health administration, providing those skills necessary to deal with the challenges of the political, social and economic environment, and the ever-increasing responsibilities of managers employed in the health field. The program is ideal for those seeking advancement or preparing for careers in public or private health care organizations.

The majority of courses are offered in the late afternoon and evening from 4:30 - 7:10 p.m. and 7:15 to 9:55 p.m., Monday through Thursday.

The concentration in health administration is achieved upon completion of the 7 required health courses and 10 required core courses in the M.P.A. program. All students are expected to complete the Practicum in Health Administration (PAD 759). Only pre-career students are required to take the Internship in Public Management/Health Administration (PAD 758).
To satisfy the requirements for the concentration in health administration, students are required to complete the following seven (7) courses:

Students enrolled in the MPA/H concentration are required to complete the following 10 M.P.A. courses: Please refer to pages 70-72 for course descriptions.

### Master in Public Administration Program

#### Course Sequencing

**Course**

- PAD 718, Governmental & Fund Accounting
- PAD 719, Governmental Financial Administration
- PAD 715, Quantitative Analysis
- PAD 820, Public Management Information Systems
- PAD 816, Analysis of Public Policy

**Required Courses**

*Frequency and scheduling of courses subject to change.*

**PAD 711 — Foundations of Public Organizational Administration.**

The structures, functions, and processes of government organizations at various levels — federal, state, regional and local — will be examined. Students will explore the historical trends and political rationale for the present operations of the public sector. A review of research methods, techniques, and tools will be done, including identification of information sources and communications formats. 1 term, 3 semester hours.

**Prerequisites**

- PAD 713, Foundations of Public Financial Administration
- PAD 715, Quantitative Analysis

**PAD 712 — Foundations of Public Policy Analysis.** This course covers the process of policy formation and elementary techniques of policy analysis. Using the basic principles of public administration as a starting point, a framework for understanding policy as the input as well as the output of the governmental system is developed. Basic models of policy formation and basic principles of public administration are combined to form the framework for the analysis. Descriptive statistics and elementary techniques of economic analysis are used to study a policy which is under current public discussion. 3 semester hours.
PAD 713 — Foundations of Public Financial Administration. This course covers the basic principles and concepts of public sector financial administration. Financial record keeping, statement preparations, resource allocation, and budget cycle are covered as they are to be found in the public sector. The relationship of governmental revenues and expenditures on the federal, state, and local levels are considered in the light of differing fiscal policies. The objective is to provide an understanding of the basic precepts of the fiscal management of government units. 3 credits.

PAD 714 — Legal Basis of Public Management. Review and development of basis for administrative practice. Legal interpretation of statutes, regulations, and proposed legislation with an impact on public administration. 3 semester hours.

PAD 716 — Public Personnel Management. Analysis of such emerging policy areas as equal employment opportunity, workforce planning, and flexitime as well as the traditional functions or recruitment, selection, appraisal, classification, compensation and retention. A balance between theory, issue discussion, and “hands-on” class exercises is maintained. 3 semester hours.

PAD 717 — Organizational Effectiveness in Government. Prerequisite: PAD 711 — Foundations of Public Organizational Administration. Examines small groups and organizations operations and practices; techniques for maximizing efficiency and/or effectiveness; evaluation analysis; concepts and approaches such as those of the Classicists, leadership, organizational development, management by objectives; elements of reorganization, innovation and change. 3 semester hours.

PAD 718 — Governmental and Fund Accounting. Prerequisite: PAD 713 — Foundations of Public Financial Administration. A comprehensive study of fund procedures and cost determination techniques for governmental units and other non-profit entities. 3 semester hours.

PAD 719 — Governmental Financial Administration. Prerequisite: PAD 713 — Foundations of Public Financial Administration. An overview of federal, state, and local governmental budgetary principles and practices. The budgetary process, cycle and system of each will be examined. 3 semester hours.

PAD 758 — Internship in Public Management. A one-semester internship for those students without professional experience in government service or in private organizations working with the government. The internship will form the basis for which must be taken concurrently. 3 semester hours. It is recommended that this course be taken toward the end of your course work.

PAD 759 — Practicum Seminar in Public Management. Using the student’s professional experience in government service or in private organizations working with government, an analysis and interpretation of the problems in public management will be carried out. Relationship of that experience to widely accepted concepts in public administration and management, the behavioral tradition in social science, and normative concepts will be reviewed. Students without the required professional experience must take it concurrently. 3 semester hours.

Electives

PAD 811 — Politics of the Federal Bureaucracy. Evaluation of the interrelationships between the President, legislative committees, constituency groups, and administrative agencies in the formulation and implementation of federal policies. Also discussed are managerial functions — e.g. personnel, regulation, program evaluation, and intergovernmental design. 3 semester hours.

PAD 812 — State and Local Administration. Prerequisites: PAD 711 — Foundations of Public Organizational Administration, PAD 712 — Foundations of Public Policy Analysis. Theoretical and empirical review of the role of state and local government and the impact on administrative practice. Analysis of impact of governmental structural changes and management practice in various geographical and functional areas. Impact on population growth and shifts on service delivery, and introduction to new demands and technologies on management structures will be explored. Detailed review of history and development in one or more policy areas of public management activity. 3 semester hours.
PAD 813 — Administrative Strategies of Local Government. Variations in administrative practice in local government will be described and analyzed. Impact of population growth and shifts on service delivery, and introduction of new demands and technologies on local management structures will be explored. Particular emphasis on one or more of the major areas of local government policy making and service delivery such as public safety, public education, land use, or property tax administration. 3 semester hours. Offered every other year.

PAD 814 — Intergovernmental Relations. Review of patterns of intergovernmental funding and administration. Special emphasis on techniques of intergovernmental grant program funding and administration. Emerging patterns of intergovernmental relations. Issues such as Regionalism, Program Mandates, and Resource Management will be explored. 3 semester hours.

PAD 815 — Client and Community Relations in Public Administration. The relationship between human service agencies, their clients, and the community. The historical background of the current situation will be reviewed. Cases of successful and unsuccessful relationships and interventions by governmental agencies. 3 semester hours.

PAD 816 — Analysis of Public Policy. Prerequisites: PAD 711 — Foundations of Public Organizational Administration, PAD 712 — Foundations of Public Policy Analysis, PAD 715 — Quantitative Analysis. An interdisciplinary conceptual/analytical inquiry into the content and techniques associated with ongoing public policy decision making. Includes applied field research, and computer/statistical processing of survey data. 3 semester hours.

PAD 818 — Public Sector Labor/Management Relations. Prerequisites: PAD 711 — Foundations of Public Organizational Administration, PAD 712 — Foundations of Public Policy Analysis. Detailed study of the public sector labor/management relations at the federal, state and local levels. Provides developmental analysis, trend data, conceptual frameworks and management techniques regarding collective bargaining, strike management, and contract management from a public management perspective. 3 semester hours.

PAD 819 — Administrative Strategies of Grants-in-Aid. Prerequisites: PAD 811 — Policies of the Federal Bureaucracy, PAD 814 — Intergovernmental Relations, PAD 713 — Foundations of Public Financial Administration, PAD 718 — Governmental and Fund Accounting, PAD 719 — Governmental and Financial Administration. The labyrinth of federal and private grants-in-aid will be examined. The course will stress the understanding and skills needed in locating a grant source, how to obtain funds, grant preparation, how to program and manage a grant. 3 semester hours.

PAD 820 — Governmental Decision Making. Prerequisite: PAD 711 — Foundations of Public Organizational Administration. Institutional and behavioral analysis of decision tools, techniques, and approaches with public sector applications. Particular effort will be placed on the analysis of decisions using modelling, decision trees, c.p.m., choice and utility options. Case study method incorporated. 3 semester hours.

PAD 821 — Human Services Integration. An overview of the major characteristics of and trends in the planning, delivery and management of human services explored in the context of the public and private sectors. Particular attention to the service integration movement, and to selected issues, such as deinstitutionalization. 3 semester hours.

PAD 822 — Public Management Information Systems. This course examines systematic approaches to the management of data and information and its integration into governmental operations. Emphasis will be on the analytic skill and expertise needed for use of PMIS as a decision-making system and on the role of the manager in technological applications. 3 semester hours.

PAD 823 — The U.S. Health System. An introduction to the health system, its origins, its components, how they are organized and interrelate; determinants of health and disease; the role of professions, institutions, consumers, and government; landmark legislation; and societal responses to the system. 3 semester hours.
PAD 824 — Health Financial Management. An investigation and analysis of the financing of health care delivery and the related problems in the financial management of health care institutions. Topics include: cost-funding concepts; reimbursement alternatives; budgeting principles; financial consideration in certificate of need, planning and governmental rate-setting; cost-containment strategies; health insurance trends. 3 semester hours.

PAD 825 — Health Politics and Law. An analytical investigation of the structural and functional aspects of the legal, institutional, and political factors which condition the character of the American health care industry, the role of the health care manager, the legislative process, administrative policymaking, and national trends related to political parties, and interest groups. Topics in health care law include medical malpractice, informed consent, confidentiality of patient information, health care liability, and administrative law. 3 semester hours.

PAD 826 — Health Systems Analysis and Planning. This course deals with the application of analytical concepts, information systems, and planning processes to representative aspects of health services management. Readings, cases, and projects will examine how relevant quantitative and judgmental models can effectively aid in the analysis, planning, control, and evaluation of various health institutions and agencies. 3 semester hours.

PAD 827 — Financing State and Local Government. Prerequisites: PAD 713 — Foundations of Public Financial Administration, PAD 718 — Governmental and Fund Accounting, PAD 719 — Governmental and Financial Administration. In this course we shall review the macroeconomics of the political economy and their interrelationships: federal, state, and local. Within this frame of reference the management of state and local financial administration will be analyzed. Stressed will be the analysis of the revenue, taxation, and borrowing functions.

PAD 828 — Change in Public Policy: The Disability Rights Movement. The process of change in public policy is one of the least understood parts of the study of policy. This course will examine them within the context of the Disability Rights Movement. 3 semester hours.

PAD 829 — Environmental Policy and Administration. Analysis of the formulation and implementation of environmental protection and energy policies. Discussion of the economic, political and health-related consequences stemming from attempts to achieve a workable balance between energy sufficiency and environmental protection. 3 semester hours.

PAD 830 — Public Liaison Strategies. Techniques and directives related to communication processing; both interpersonal communication and high speed information flow will be examined. Communication skills, styles, and strategies will be stressed through the use of all forms of media. The role of Information Officers in the public sector and public affairs managers in the private sector will be examined and contrasted. The management of public documents and the issues involved in "Sunshine Laws" and Privacy Acts will be included. 1 term, 3 semester hours.

PAD 831 — Disability Rights Implementation. The purpose of this course is to investigate the rights of disabled persons from the perspective of public policy. In the American system the understanding of civil rights is necessary to comprehend existing public policies and the service delivery problems connected with them. Only in such a context can the policies which effect disabled person be understood. 3 semester hours.

PAD 832 — Rehabilitation Programs. This course reviews the present state of public policy in the area of rehabilitation of disabled persons. This review will be done from the viewpoint of the policy analyst, the agency responsible for carrying out the program, and the disabled person. 3 semester hours.

PAD 833 — Special Topics in Public Administration.

PAD 834 — Disability and Public Policy. An examination of the administration and impact of public policy toward disabled persons. The course will provide a knowledge of the disabled community and the policies which impact on it. 3 semester hours.

PAD 910 — Directed Individual Study. This elective course option involves a student initiated proposal to a willing and qualified faculty member for a direct study project. Normally, this is for three credit hours, and completed during one semester. The faculty member and student must concur on a written proposal and final report. Approval by the Office of the Dean is necessary prior to registration. 3 semester hours.

</table>
As a commuter institution, Suffolk University urges students to use public transportation whenever possible. The University is adjacent to the Massachusetts State House and near the “New Boston” Government Center, only a short walk from MBTA subway stations at Park Street, Government Center, Bowdoin, North Station, and Charles Station. It is also readily accessible by major buslines and railroads.

Students who must commute by automobile may park at the Charles River Plaza Garage, Boston Common Garage and the Government Center Garage.

Persons traveling by car to Suffolk University from outside of Boston should use the following directions:

**From the South** — Southeast Expressway to the Causeway Street exit; Causeway Street to Staniford Street; right onto Cambridge Street to a public parking garage adjacent to Holiday Inn.

**From the North** — Expressway south to Haymarket Square exit; Government Center Garage at exit; or take New Chardon Street to Cambridge Street; right on Cambridge to public parking garage.

**From the West** — Massachusetts Turnpike and Turnpike Extension to Expressway; Expressway north to Causeway Street exit; Causeway to Staniford Street; right onto Cambridge Street to public parking garage.

**To Friedman Lab** — Maine Turnpike to Augusta; Rt. 3 to Belfast; from Rt. 3 Belfast to Rt. 1 North to R.S. Friedman Cobscook Bay Lab, Edmunds, Maine.

**Public Garages** — Boston Common Garage to Charles Street; Longfellow Towers Garage at Staniford Street; Charles River Plaza Garage at Cambridge Street; Government Center Garage at New Sudbury Street; Charles River Garage at Lomasney Way.

**Key to Suffolk University Map**
