THINKLiSH

English: LOWEST MAN IN THE COMMENCEMENT CLASS

THINKLiSH is an institution. The only courses this bird absorbed were the ones served in dinner hall. The only examinations he passed were the ones his dentist gave him twice a year. After three years of wok in a two-room village, he finally got his diploma. Officially, the word for this fellow is graduate. Of course, being a ThinkLiSH student means he returns to society with a certain amount of dignity. On the other hand, he will probably need to go to work to make ends meet.

Letters to Editor

Dear Editor,

I feel that at this late date I ought to express my appreciation for the honest taste of a Lucky Strike. The social functions sponsored by the hostel and the smoke-filled dinner hall have always been an enjoyable feature of my college life. In fact, I cannot imagine going through the college years without spending some time in one of the small rooms in the basement of the hostel.

NANCY MOULDS CROWNED AT 1959 JR. - SR. PROM

The Junior Prom at Suffolk Junior College was held in the campus gymnasium on Friday, May 15, 1959. Nancy Mouls, shrill and loud, and barely capable of carrying on a conversation, was crowned by the President of the Junior College, Robert L. Wettlaufer. The Junior Prom is one of the highlights of the Junior College year and is always eagerly awaited by the students. The Junior Prom is considered to be one of the most important events of the year, and the Junior College students take great pride in their annual prom.
