2 Notables Named Business Advisers

The appointment of Dr. Raymond W. Miller of Washington, D. C. and S. Abbot Smith of Cambridge as members of the advisory council to the Suffolk University College of Business Administration, is announced by Dr. Dennis C. Haley, president of the university.

Newly-elected to the post of chairman of the council is George C. Seybolt of Dedham, president of the William Underwood Co., Watertown, nationally-known food processing and canning firm, and of the Massachusetts Taxpayers Fed. eration, and a member of the U.S. Banking and Currency Commit tee's Advisory Board for the Study of Export-Import Bank and the International Bank for Recon struction and Development.

Dr. Miller, a public relations and legal trade consultant, is president of the Public Relations Research Associates, Inc., and is a director of the World Trade Relations, Ltd.

He is a visiting lecturer at the Harvard Graduate School of Busi ness Administration since 1948 and is a trustee of the American Institute of Cooperation, of which he served as president and general counsel in 1945-48. A consultant to the United Nations, he was recipient of the Boston Conference on Distribution Hall of Fame Award in 1953.

Dr. Smith, a director and president of Thomas Strahan Co., Chelsea, internationally-known wallpaper manufacturing firm, is a Harvard Phi Beta Kappa, Class of 1918, and has served as executive director of the Smaller Business Association of New England and during World War II was a director of the Smaller War Plants Corp. He has also been president of the Wall Paper Institute and is a director of several firms and groups, including the American Mutual Liability Insurance Co., Wakefield, and the Sheraton Corporation of America.

Seybolt Elected Chairman

Dr. Miller Gives Public Address

Here Feb. 27

Dr. Raymond W. Miller, newly-appointed member of the advisory council to the Suffolk University College of Business Administration, will deliver the first of a series of public talks by prominent persons in the S.U. Auditorium on Feb. 27.

The 11:45 a.m. address is entitled “What Price Success?”

Dr. Miller, president of Public Relations Research Associates of Toronto and Washington is an interna tionally-known agricultural economist and a former consultant to the U.N., and author of the book “Can Capitalism Compete?”

Dr. Haley points out “that we are extremely fortunate to have a man of Dr. Miller’s calibre as a member of our advisory council,” and he expressed the wish that all Suffolk students and faculty members who are able to attend the talk, do so.

SIX FINALISTS CHOSEN

The annual Miss Suffolk contest will reach its climax during the next few days, when Miss Suffolk for 1962 will be chosen from the field of six finalists.

The voting, which will end Wednesday, Feb. 21, will cul mine with the coronation of the new Queen that evening at the Parker House roof. The coronation dance, sponsored by the junior class, is one of the biggest annual events of Suffolk University.

The finalists, as chosen by the student body during a week long balloting, include Anne-Marie Fitzpatrick, Janet Karle, Janet Skow, Barbara Burak, Nancy Walk, and Louise Moran.

Miss Suffolk Coronation To Be Held February 21

Dr. Miller, president of

4 Students Cited For Welfare Work

Four Suffolk University students have been cited by United Community Services of Metropolitan Boston School Bureau with citizenship commendations in the U.C.S. Operation Kindness program.

The Suffolk students, who were cited for their work in behalf of two of 106 Greater Boston Health and Welfare agency members of U.C.S., a Red Feather-United Fund service, are Naomi Michelin, John Kenson and Alan Chapman, for their volunteer work with the Morgan Memorial Youth and Children’s Center, and Richard Bates, for his work with the Outer Roxbury Young Men’s Christian Assn.

Announcement was made by Dr. Thomas J. Curtiss, chairman, U.C.S. Advisory Committee.

“HO, HO, HO!” — Dr. and Mrs. William S. Sahakian, both ordained ministers of the Congregational denomination, of Dedham, and their three children, and Dr. and Mrs. Dennis C. Haley of West Roxbury, and their daughter-de-law, second right rear, wife of Dr. Robert Warren Haley of West Roxbury, and her four sons, at Christmas party for Suffolk University faculty and administrative staff and their families held in the S.U. library. The Sahakian children, left to right, Barbara, 9; Richard, 11, and Paula Sahakian, 6. The Haley children, starting from Santa’s left knee: Robert, 4; Paul, 2; James, 3, is in front of Dennis, 6. Dr. Sahakian, second left rear, is professor of philosophy in the college of liberal arts, and Dr. Haley, of course, is university president. Santa’s “helper” is student James McMahon of Bedford, a pre-legal junior.

SUFFOLK JOURNAL

Winter dinner of the Suffolk Law principal speaker at the annual mid-preshape. Dinner chairman is Atty. bly from the middle-west side of was elected a justice of the New York Supreme Court, will be Manhattan. Supreme Court in 1953.

Plan to Further Your Education?

College students who plan to go on to graduate or law school after completing their present studies are advised that they should, if at all possible, take the Graduate Records Examination or the Law School Placement Examination while still in college.

Further information on these exams may be obtained from Dean Frederick A. McDe- rnon's office in regard to the law school test, and from the college administration offices for information on the Graduate Records Examination.

Mr. George Higley, university placement director, may also be able to help students in this matter.

Law Library Accessions

Mr. Richard J. Sullivan, Suffolk University director of libraries and chairman of the Massachusetts Law Library commissioners, announces the following accessions to the Suffolk Law Library.

The list is published here by request so that students may be made aware of their availability.

The books:

- Gray, John Chipman. The nature and course of the law, Columbus, 1909.
- Karlson, Philip. The Supreme Court Re- view, Univ. of Chicago, 1960.
- Miller, Vernon X. Selected essays on trusts, Dennis, 1960.
- Nicholson, Lowell S. The organized bar in Massachusetts, 1932.
- Oppenheim, Lass F. L. International law, revised by Horst Lauterpacht.

PAGE TWO

N.Y. Supreme Court Judge is Alumni Speaker

Owen McGivern, judge of the New York Supreme Court, will be principal speaker at the annual mid-winter dinner of the Suffolk Law School Alumni Assoc., on Thursday, March 1 at 7 p.m. at the Parker House.

Lawrence W. Cameron, assistant Suffolk County district attorney and president of the alumni, will preside. Dinner chairman is Atty. Robert L. Steadman.

He is a member of the Judicial Conference of the State of New York representing the board of Justices of the Supreme Court for the First District.

He began his judicial career as a judge of the City Court of the City of New York in 1950 and was elected a Justice of the Supreme Court in 1953.

7. Goodrich & Blaur — American Art in Our Century
8. Hindus, Maurice — House Without a Roof
9. Kantor, MacKinlay — Spirit Lake
10. Warren, Robert Penn — Wilderness

Expect more, get more, from L&M

There’s actually more rich-flavor leaf in L&M than even in some un-filtered cigarettes. You get more body in the blend, more flavor in the smoke, more taste through the filter. So get lots more from filter smoking with L&M... the cigarette that smokes heartier as it draws freely through the pure-white, modern filter.

Check your opinions against L'M's Campus Opinion Poll #16

1. How would you spend a $5000 inheritance?
   - more education   - European tour   - stocks   - sports car

2. Should the faculty have the power to censor campus newspapers?
   - Yes   - No

3. What's your favorite time for smoking?
   - during bull sessions   - while studying   - during a date   - anytime there's stress & strain

Expect more, get more, from L&M
Can’t Find a Place to Park in Boston?

Well You’re Not the Only One!!

BY JAMES S. KULOTSKY

This issue’s question presented to Suffolk students is, “What do you think of the parking situation that commuting students have?” The answers were controversial, but all agreed that the parking situation is serious.

George A. Keller, of 10 Bald Rock Road, Coddituate, feels that the situation is “quite deplorable.” George also believes that the parking problem is “one principal cause, if not the main one, of the current transportation problem in this city which is causing the falling off of business. The problem is somewhat alleviated by the new parking accommodations used in the hospital. However, there is no more that can be done about this.”

George also feels that “the parking situation in the city was better, we wouldn’t have all the deficits with the M.T.A. with the result in great expenditures by the city of Boston.” George stated that “if the city would sell and offer some money for better parking, they would save a lot because they wouldn’t have to make up all the M.T.A.”

George concludes with a wording on the influence of politics on the parking situation. “We always hear the politicians and people of this metropolis complaining and prevailing the current demerit of Boston industry and commerce. If these individuals and groups wanted to do something about this problem, they could consider increasing parking facilities for employees and customers so that industries would both come to and remain in the city. By using this concept they could encourage Boston industry without having to give special tax favoritism and advantages to certain insuring companies.”

“A quite obvious that the parking situation in Boston is serious,” this is the observation of William II. Celata, of 442 Broadway, Somerville.

Bill thinks that the main reason for the parking problem is “because some politicians in the city have neglected their duty.” Until we feel that it is time to elect a man that problem will incorporate in his platform new methods of solving the situation and bringing them out the situation will remain the same.

Bill feels that the solution to the parking problem rests with the people. The people of Boston vote in the parking and administration they want. It is up to them to solve the problem.

A discussion of the parking situation as it exists downtown as in Suffolk was Lawrence M. Starn’s Perspective. Since the Vets Club has just opened students should not stand idly by and investigate this problem for themselves. Larry does mean “there will be fixed price for all garages and parking lots, whether the time be one hour or one day. The rate should be standard all over the city.”

Larry goes on to say “this is one problem that I have seen discussed on the Boston City Council. I feel that shop owners and the fear of having their cars towed away can be done away with by permitting all parking on the side streets or by the building more parking facilities. I believe the Boston Common Parking Lot that has just opened should have been a city project. This would provide the city with a new source of income. This new source of income would possibly alleviate the already overburdened taxpayers.”

Larry feels that “the limited parking for shoppers and the fear of having their cars towed away can be done away with by permitting all parking on the side streets or by the building more parking facilities.” Larry concludes with a searing comment on the influence of dormitory facilities as such, let it be known that students have a vote in the parking and administration they want. It is up to them to solve the problem.

Suffolk students aredevoting great shares of their time to glean new bits of evidence with which to improve the already capable arguments of both the affirmative and negative teams.

Letters to the Editor

Dear Miss MacNamar:

On behalf of the Sophomore Class, we would like to extend to you our deep appreciation for your patience and consideration during the month of December, 1961.

Respectfully,
The Dance Committee
Class of 1964

Mr. Arig Kriges
67 Winchester Street
Brookline, Mass.

Dear Mr. Kriges,

The party you gave to the patients at the Children’s Hospital, complete with hand-picked presents, was a high spot in their Christmas season.

We appreciate your planning and thank you for your help in making this an enjoyable event for the children.

Sincerely yours,

Mr. Allan Duckworth
2nd Derne St.
Boston, Mass.

Dear Sir:

I would like to commend you on the article “Civil Defense Serious Business”, that appeared in the January issue of your paper. It was very enlightening to see a college paper supporting Civil Defense, which is so vital to our government not only in the event of war but also in natural disasters.

With the federal government spending much more money on Civil Defense it is imperative that we support Civil Defense and realize that Civil Defense is total defense.

Sincerely,

Steven W. Cashman
Assistant Director
Wellesley Civil Defense

A Personal “Thank You”:

The Vets Club takes this opportunity to thank all who helped with the Christmas party for the hospitalized children of the Children’s Hospital Medical Center. Without your financial support and generous suggestions the party would not have enjoyed its great success.

Special “thanks” are extended to the volunteers from G.S.U., who gave of their time to purchase and wrap the children’s presents, and to the many thoughtful people who supported our efforts through the purchase of raffle tickets.

Respectfully,

Jay Merritt, V. Pres.
Veteran’s Organization of Suffolk University
Merrill, MA in Ed 1959, superintendent of the Amesbury system.
Edward Nicolas, AB 1950, MA in Ed 1953, is superintendent of the Plymouth school system. William Rocha, AB 1950, MA in Ed 1954, is the superintendent of schools in Merrills, MA in Ed 1989, former assistant superintendent of schools in Scituate, now superintendent of the Amesbury system.

Education Assoc. Spring Schedule

The Education Association of Suffolk University has announced tentative plans for the spring semester. The program, under the direction of President Anthony DiLeo, will include speakers discussing various aspects of the teaching profession. There will also be at least one field trip. The schedule is as follows:

Feb. 8 — 11:30 a.m., Mr. Frier, Director of Division of Research for the State Dept. of Education, will discuss "The Role of Education in Automation". A field trip to the North Bennett Industrial School.
Feb. 15 — Mr. Sullivan of the National Education Association will discuss "National Problems Facing the Teaching Profession."
Mar. 1 — John B. Davis, Supt. of Schools for Lincoln, Mass., will speak.
Mar. 15 — Meredith Price, Asst. Director of Admissions, Harvard Univ., will discuss "Federal Aid to Integrated Schools."
Mar. 20 — Speaker will be Robert E. Binnewangi of Harvard Univ.
Apr. 12 — Leslie M. Touville, Principal of Lincoln-Sudbury Regional High School, will discuss "Merit Salaries."
May 10 — The speaker will be Thomas Hasenflug.

Cheerleaders — (fr. r.): Marie Giordano, Leslie Brooks, Capt. Linda Cutler, Judy Crowley, Debbie Kinner, and (front) Ilanae Nancy Walk are leading the Suffolk Rams to another victorious season. (Not present was Caroline Celhurn.)
**Political Science Review**

BY ALAN DUCKWORTH

Gabriel F. Piermonte, Boston City Councilman, has urged that it be made mandatory for high school and college students to attend a session of their city council and state legislature during the school year.

**The Eye of the Public**

Speaking before the members of the Political Science Club of Suffolk Univ., Mr. Piermonte said that such student activity would create a "greater awareness in government" and that it would also let the legislature know that they are "forever under the public's scrutiny."

As a former member of the legislature, the councilman expressed his concern for the voting public’s apathy toward government mental problems. These required trips by the students would stir interest for the show is high, due to the stimulating discussion.

**"J.B." Underway**

The cast for J.B. has been selected (with a few minor roles yet to be filled), and rehearsals are under way.

Director Peter MacLean will direct Ed Genest, George Donetz, Jerry Bethoney, and Joe Busiek in the lead roles.

Interest for the show is high, due to the stimulating discussion.

Last seen in the Boston Public Library (of all places) with M.W. Cheryl, D.B.A.T.S.O.

We'll close with a question of the month. What girl has been leaving notes on the editor’s desk for me, and why? The answer to the notes is maybe.

Welcome back to the Walled Off Astoria! It’s nice to see all the smiling faces still after finals. As you know (you probably don’t but it’s a good psychological trick to get you on my side), the spring semester will be full of wonderful little goodies for all the kiddies, such as the Prom, the crowning of Miss Suffolk, Senior Week, and more finals. We hope the response to these activities will be an improvement over last semester.

Appropos to nothing, why has Charlotte been leaving school so early these past few weeks? Janet Karle, congratulations, you’re a beautiful Rose. Speaking of birthdays over last semester.

Jane, you’ll never get away with the nth. What’s your boyfriend early these past few weeks? Janet Charlotte been leaving school so way. They only make the finals, Sklow will be celebrating hers on such as the Prom, the crowning of Miss Suffolk, Senior Week, and semester will be full of wonderful little goodies for all the kiddies, but it’s a good psychological trick to get you on my side), the spring smiling faces still here after finals. As you know (you probably don’t.

**Seniors & Graduates**

Are you planning your Life Insurance Program as carefully as you are choosing your career? You should be!

The Lincoln National Life Insurance Company, America’s ninth Largest Insurance Company, has THE plan that grows WITH you.

We will GUARANTEE your insurability regardless of future contingencies.

I WILL PERSONALLY FUND QUALIFIED APPLICANTS AT NO INTEREST!

**PLACEMENT CALENDAR**

General Foods Corporation, Thursday, February 1. All Majors.

Haskins & Sells, Friday, February 2. Accounting Majors only.

Army Audit Agency, Tuesday, February 6. Accounting Majors only.

Girl Scouts of America, Wednesday, February 7. Young women only.

Naval Air Cadet Program, Wednesday, February 7. All Seniors.

Associated Spring Corporation, Friday, February 9. All Business Majors.

FBI will speak to Law School Seniors on Friday, February 16 and.

J. J. Newberry Company, Tuesday, February 20. All Majors.

It is the opinion of the Placement Director, Mr. George Highy, that students should take advantage of the interviews that are being held on campus because there might be opportunities in areas of these companies that the student never thought existed.

These interviews are being held for your benefit and, therefore, you should take advantage of them as much as possible.

This is the easiest way to find out what many companies need and are looking for in a college graduate.

Mr. Highy said there is an abundance of literature on many companies in his office available to all students and graduates of Suffolk University.
Dear Aggie,

By Agatha Von Bureau

Dear Aggie:

Recently there was a controversy in our sociology class as to the origin of social customs. Could you please clear this matter once and for all.

P. C.

Dear P. C.,

Most of us take the ordinary things in our life too much for granted. We don't stop to think that many of our everyday customs were the results of hard work by obscure people. We know all these social institutions, but few people know how they got started.

Within the last year, our sociology instructor, Philip J. Mulvey, and Professor Russell Howland, they are especially interested in the origin of life inside biology. Under the tutelage of Dr. Robert S. Friedman, Dr. Philip J. Mulvey, and Professor Russell Howland, they are being instructed in the many facets of biology. There are sixteen courses in biological science offered by the department, with another, Advanced Botany, to be introduced next year.

The biology department has been quite selective in choosing its students. This has proven to benefit him and enhance the prestige of the university.

Research work in cancer studies, gnotobiotics, (germ free studies), immunological and virus studies, and research using radioactive isotopes is also being done by the students.

The department has been quite successful in choosing its students. This has proven to benefit them and enhance the prestige of the university.

JUNIORS AND SENIORS of Suffolk University.

Remember that date, Wednesday, April 18, 1962 (Wednesday evening) prom night to be a memorable day for the juniors and seniors of Suffolk University.

Apr. 18, 1962. Just to make sure you don't forget. We offer this famous line to help your memory: "Twixt the 18th of April is . . . "

By Paul P. Mahoney

Biology, Anyone?

Many students at Suffolk have taken the required introductory science course as freshmen and despised it. It was a course to get out of the way, to spend more time on a desired subject.

For others, the introductory course was a beginning, a stepping stone into a more advanced study of science.

Afterwards, Mr. Zilch net up with a bear who had just invented a Man Hug. Nothing has been heard of any subsequent Zilch inventions.

The introduction of "Togetherness," as it were, has reached Suffolk University. The idea of "togetherness," as it were, has found its way into the prom plans of the junior and senior classes of this school.

The program for the night, and especially the music for this festive occasion will be none other than Boston's own Ruby Newman and his orchestra.

The "new frontier" has finally reached Suffolk University. The idea of "togetherness," as it were, has found its way into the prom plans of the junior and senior classes of this school.

APRIL 18th

APRIL 18th

The "new frontier" has finally reached Suffolk University. The idea of "togetherness," as it were, has found its way into the prom plans of the junior and senior classes of this school.

With no classes scheduled for the following two days, April 18, 1962 (Wednesday evening) promises to be a memorable day for the juniors and seniors of Suffolk University.

We'll be there, hope you will.

Remember that date, Wednesday, April 18, 1962.

Up front you get rich golden tobaccos specially selected and specially processed for filter smoking.

WINSTON TASTES GOOD like a cigarette should!
Recently, Boston University staged Jean Anouilh's "The Lark" as adapted by Christopher Fry. Unlike the well-known adaptation by Lillian Hellman, the Fry version scorns Anouilh's style and theme. The play becomes a vehicle for farce comedy and anglophile philosophy in the hands of Mr. Fry. Joan is no longer a Rousseau-like creature fighting the enslavement of humanity but now a willful complex who almost becomes the mistress of a Falstaffian Beaudricourt and a pompous Warrick.

It is unfortunate that the people at B.U. spent so much time on this but it has a message. It is unfortunate that the people at B.U. spent so much time on this but it has a message. It is unfortunate that the people at B.U. spent so much time on this but it has a message.
