William White, President of Suffolk College, was one of the speakers at the meeting. Other speakers included Dr. Donald B. Hoffman, President of the College of the Holy Cross, and Dr. Charles Farley, Professor of History at Suffolk College.

McLaughlin to Lead '62-'63 Hoop Team

The election of George R. McLaughlin, Jr, of West Roxbury, as Suffolk University basketball captain for the coming season is announced by Charles E. Watson, coach and director of athletics, N.Y.

The new captain of the Suffolk Rican team, John McMahon, was chosen by the players of the team for this past season, in recognition of his leadership qualities, and also played full time with an 82 percent average.

McLaughlin, a junior majoring in Government in the College of Liberal Arts, was a member of Rosdell Hall, Suffolk's honor men's dormitory, and was also the leader of the Air Force band.

Friend Gases Pending

In the wake of recent events, there has been much speculation about the future of our society. Some are concerned that the recent rash of events may lead to a breakdown of our social fabric. Others believe that these events are simply an expression of the underlying tensions that have existed for some time. Whatever the case, the fact remains that we are facing a serious challenge. We must be prepared to deal with this crisis, and we must do so in a responsible manner.

EDUCATIONAL TV: ITS CAUSE AND CURE

A great deal of nonsense has been written about educational television. The following is my contribution.

It has been said that television can replace formal education. This is simply not true. For instance, one study has shown that 80% of the students who watch television every day learn more than the students who do not. So, although television may be a useful tool, it cannot replace formal education.

What is better than a Mattson?

A Mattson and a match, perhaps.

And lock and key make trouble and proceed to entice.

The contest is open to all students of matriculated. All entries should be submitted to the Political Science Department by April 15, 1982. The winners will be announced on May 1, 1982. The judges will be the faculty members of the Political Science Department.

PACIFISM CONSIDERED

Pacifism, no matter what other name is given to it, is always with us. It takes a peak when there are events to cause us to evaluate something. Sometimes, in this era, Britain seems to have become its own worst enemy, with philosophies, playwrights and other notables going to jail, and the like. The British Empire stands on London streets.

Note, all the Commonwealth and the rest of the world, and here in Britain and elsewhere desire the fulfillment of justice and peace. So we shall see the reaction of mankind that is going to happen to any nation that goes unchallenged.

For us, as a people, in this great responsibility. Yet refer to the majority of people and nations. What are we the only people left to stand up in the defense of freedom? We hold defense, not armed forces, yet our armed forces are the primary means to accomplish that. Defense is not just a question of armament. It is the first line of defense. Our equipment is the first line of defense. Our ability to be prepared is the first line of defense. Our training and our organization is the first line of defense.

New Reading Club
For The Arts

The Reading Club for the Arts has been organized at St. John's Church. Its purpose is to cooperate with the various cultural and artistic organizations of the city.

Not only will the members enjoy the arts, but they will have an opportunity to participate in various cultural events at the church.

The first meeting will be held at the school on the evening of April 4th. The club will be open to all interested parties.

A word of thanks to the club for giving us a chance to express our ideas and thoughts. We believe it is important to keep abreast of the latest developments in the world of art and culture.
REVIVALS SAVE SEASON FROM TOTAL COLLAPSE

With all the talk about the new Helena, one would naturally guess that the administrative people would name the play a flop and the season all over again. The Helena High Dramatics Club has just completed a most outstanding production of "Within the Fox's Den." The final performance was held Saturday night, concluding a most successful season of the Helena High School Drama Club. The play was directed by Paul Markel and the cast was made up of many talented high school students.

"HELENA'S HUSBAND" NEXT DRAMA CLUB OFFERING

"Helena's Husband" next to "Within the Fox's Den," both being the first productions of the new season, will be staged by the Helena High School Drama Club. The play is a comedy written by Ethel Merman and is directed by Paul Markel. The cast is made up of many talented student actors and actresses.
