SUFFOLK HAS CHANGE OF ADMINISTRATION

The school year, 1970-71, has seen some major changes in the administration of Suffolk University. On September 10th, Judge John E. Fenton, President of Suffolk since 1965, presented his resignation to the Board of Trustees. President Fenton, who successfully completed many programs during his administration, including the construction of a six-story building, stated that he had reached a point in his career when he felt he should step down.

Mr. Thomas A. Fulham, a prominent Boston businessman and member of the Board of Trustees for ten years, was named to succeed him.

At the same time, George C. Seybolt announced that he was stepping down as Chairman of the Board of Trustees and Judge Fenton was named to succeed him.

Mr. Fulham has long been active in business and civic affairs, and is president of five Boston based companies. A native of Winthrop, President Fulham was educated in the public schools there, was graduated from St. John's Prep in Danvers, and received his AB degree from Holy Cross in 1937. He also holds an Honorary Doctor of Commercial Science from Suffolk.
