## THE HISTORY OF SUMMA

In the 10th century, companies of scholars began to live and work together in guilds, following the custom of craftsmen and merchants. Every guild was then known as a *universitas*. As the reputation of the first scholarly guilds began to spread, the word *universitas* became the exclusive property of the academicians.

Before the settlers of Boston arrived from the Old World in the 17th century, it had long been the habit and privilege of princes and prelates to found, build, and endow colleges and universities. What had been the privilege of a few in Europe became the personal responsibility of many in New England.

Suffolk University, founded in 1906, is clearly a link in the chain that stretches back over ten centuries. Suffolk further resembles the earliest European universities in that its graduate faculty preceded its undergraduate.

Another ancient tradition associated with higher education is the granting of honors at various levels to students upon graduation, the highest honor being *summa cum laude*. As the word *summa* denotes academic achievement of the highest distinction, by extension *summa* can also mean leadership and outstanding example. Suffolk University chooses to recognize as members of Summa those alumni and friends who, by their generosity, deserve this distinction.

## MEMBERSHIP

Alumni and friends who become members of Summa demonstrate exceptional pride and confidence in Suffolk University, both to the "inner family" and to the outside community. The University's stature is thus greatly enhanced by their support.

The funds made available by Summa members are invaluable to the University and provide support to programs that will advance the institution's mission. Summa contributors make a difference by providing resources for scholarships, financial aid, faculty research and writing; by sustaining and upgrading library resources; by maintaining and enhancing the physical plant, and by offering extra-curricular programs, all of which provide a well-rounded educational experience for students at Suffolk University.

Donors who contribute \$1,000 or more to any fund (capital campaign, annual operating, and

restricted or endowments) in a given fiscal year (7/01-6/30) to Suffolk University are designated members of Summa. Within Summa, the following clubs are acknowledged:

President's Circle \$25,000 or more annually  
Fellows \$10,000 - \$24,999  
Founders \$5,000 - \$9,999  
Benefactors \$2,500 - \$4,999  
Members \$1,000 - \$2,499.

The Patrons of Summa title is conferred on donors once their actual cumulative lifetime contributions to any fund (campaign, annual fund, restricted or endowments) at Suffolk University reach or surpass \$50,000.

## A TRADITION OF OPPORTUNITY

The Campaign for Suffolk: A Tradition of Opportunity is a five-year comprehensive campaign that began on July 1, 1994. The purpose of this Campaign is to raise funds for building and other capital improvements and to establish new scholarships and endowments for the three individual schools as well as the University as a whole.

In this listing, the University wishes to acknowledge Summa-level, cumulative gifts and/or pledges (e.g. \$5,000 or more over a five-year

campaign period) made by individuals, foundations or corporations from the beginning of the campaign through May 11, 1998. Donors after May 11 will be recognized in our annual Donor Listing.
