Who We Are...

NESAD was founded in 1923, and has prepared students for careers in professional art and design for over 70 years. The school is housed in a handsome brick and marble building, which is an outstanding example of Classical Revival architecture. This site was originally the home of the American Academy of Arts and Sciences, and continues to lend its stately presence to Newbury Street, in Boston's Back Bay.

Since its establishment, NESAD has been dedicated to providing our students with excellent instruction, professional courses of study, small classes, and personalized attention.

The Continuing Education Division at NESAD was developed to provide classes for both matriculated and non-matriculated students. Classes include sections conveniently run as evening and weekend workshops, to accommodate those of you with full weekday schedules.

Come visit NESAD at 28 Newbury Street, and discover your own talents for creating innovative art and design!
Welcome to Summertime in Boston:

Sipping iced tea at an outdoor cafe on Newbury Street,
strolling by the lush green lawns and colorful flower beds of the Public Garden,
sailing a boat on the Charles, cheering for the Red Sox at baseball game at Fenway Park.

Summer is a season for enjoying yourself, for putting those woolen coats and gloves in the closet (finally!) and celebrating the sun. Take a breather from the busy schedules which kept you in all winter, and allow your curiosity to lead you outdoors — learn how to paint a landscape, a seascape, a cityscape, a meadow. Work from nature while you're standing right in it, surrounded by it!

Discover your ability to set your thoughts, your feelings, and your observations free on paper with paint or charcoal or pencil. Your creativity will surprise and delight you!

Continuing Education courses at NESAD are designed to encourage and cultivate the freedom and creativity of summer! Our classes are college-level courses open to the public. Classes are small, with relaxed and supportive atmospheres, and they fill up rather quickly, on a first-come, first-served basis (so try to register early!)

Our Evening Degree Program allows you to study for a BFA or Diploma in Interior Design in the evening, after work, when it's convenient.

And take a look at our special Fine Arts courses for summertime:

Summer weather allows us to open our doors, and offer "Landscape Painting Intensives" and "Drawn to Nature" courses in the most picturesque spots in Boston and its lovely suburbs. Or broaden your view of contemporary art with our new "Issues and Isms" seminar, and visit current gallery and museum exhibits hosted by local artists and curators. Or explore the possibilities of abstraction and interpretation with mixed media in our "Beyond Realism" course.

Try something new!

Get in touch with the arts this summer!

If you have questions, or need more information about our programs, come to our Information Sessions and Open House days. Call (617) 536-0383 for dates and times.

Director of Continuing Education
Visit one of Boston's hottest art galleries . . . on your way to class!

"Gallery 28 is a show place, an exhibition space, somewhere to look at work from the inside out. as the psychological, emotional, spiritual, physical energy and experience that it really is, not the packaging passed around in the marketplace. We want the work to be raw, stripped down, naked to the eye. Soul food."

—Addison Parks.

Gallery Director Addison Parks invites you to visit NESAD's own art gallery and multi-media center. Located on Newbury Street, on the first floor of NESAD's stately Classical Revival building, Gallery 28 showcases the work of students, faculty, alumni, and area artists in a variety of exciting and provocative solo and group shows. The Gallery also hosts opening receptions, symposia on arts-related issues, performance-art pieces, and readings.

Gallery 28 acts as a gathering place for students, staff, art critics, collectors — all members of Boston's art community. It has been reviewed in The Boston Globe and The Improper Bostonian.

Come see the fresh, new works of contemporary art in Gallery 28, under the direction of Addison Parks, which art critic Charles Giuliano calls "hot, hot, hot!"

*Exhibits change every three weeks. Call the Gallery 28 Office for information and hours: (617) 536-0383 ext. 20. Printed Gallery Guidelines are also available for those of you who'd like to submit works to Addison for possible inclusion in future shows.

Bulletin:
Attention Corporate Artists, Designers, Illustrators!
Do you see a class in our catalogue that you think would improve your art and design skills in the office or studio? Why not ask your company to sponsor you? Each semester, area industries send us their employees who want to improve their art or design or computer skills. The company covers the costs, and the employee acquires hands-on experience which benefits both the business and the individual. Think about it. The process is called “Third Party Billing” (we’re the first party, you’re the second, and the company is the third) and all it requires is a letter of intent, or a purchase order from the business, stating that it will assume the cost of the class and registration fee. You get excellent instruction free of charge, and your company gets a new and improved you. It’s a good deal. Ask about it. You have nothing to lose, and may have a lot to gain!

If computers make you nervous, or you simply haven't used a Mac before, now is the perfect time to start! Join our introductory course on the Apple Macintosh, and learn what this "user friendly" computer is all about. This course will give you an overview of the Mac as an artistic tool; you will learn the versatility of SuperPaint, an object-oriented graphics package. Techniques covered will include freehand and fixed-shape drawing, reducing, enlarging, duplicating, patterning, and text manipulation. Weekly assignments will allow you to prepare deadline-driven projects similar to those expected in the Graphic Design industry. (Depending upon the skills and interests of the participants in each class, more advanced software may be incorporated into the course.) Take your first step toward joining the "computer age" with Mac Basics! * Please Note: class size limited to 8 students.

Quark XPress
Quark XPress is the software package of choice for many of today's leading ad agencies and desktop publishing firms — find out how this versatile program can work for you! If you are familiar with word-processing and PageMaker, and feel comfortable moving up to the next level of computer literacy, then join our Quark XPress class. This program enables you to merge graphics and text in a variety of sophisticated ways. In the first half of this course, you will learn about the special strengths of this software, which allow it to handle precise typographic refinements. Short tutorials on word-processing (using Adobe Illustrator) are included. Each class session allows time for each student to receive individual attention from the instructor. Each student is also assigned computer-lab time outside of class, in order to complete assignments. In the second half of the course, you will become familiar with more complex techniques and commands, and produce more advanced documents. Leave this class with a sound foundation of the intricacies of desktop publishing! * Please Note: Prior Macintosh experience, especially with word-processing and graphics, is required. Class size limited to 8 students.

Create full-color logos, impressive letterheads, funky labels, book covers — let your imagination run wild! Welcome to Adobe Illustrator software, which goes beyond the simplicity of computer ‘paint’ programs, and takes you to the world of high-resolution imagery and reproduction. Using Illustrator, you will be able to "preview" artwork on the screen, before it is output to a color film recorder (for color prints or slides) or to a laser printer (for prints or color-separated negatives.) If you have experience using one of the Macintosh graphics packages, come explore the next stage of computer illustration, and complete a variety of portfolio-quality projects! *Please Note: Prior Macintosh experience, especially with a graphics package, is required. Life Drawing

Working from life is not an exercise, it is a privilege. What we gather from drawing the nude is much more than the training of hand and eye. We are nurtured by the infinite expression of the human form, showered with its radiance, blessed by its magic. Drawing the human figure is as effortless and rewarding as a walk in the park, a day at the beach. Informal individual and group critiques in class will expand your understanding of translating subject to paper. Initially, charcoal and pencil on newsprint are the materials used, but you will also be encouraged to experiment with other media (pastel, chalk, ink, etc., and/or a variety of papers.)

Paper-Making Studio

Papyrus, hemp, sugar cane, bamboo — all of these plant fibers have, from the earliest of centuries, supplied us with paper! Today, hand-made decorative and writing papers are made from a variety of natural and synthetic materials, producing unique textures and pigments. Explore these processes of paper-making in our hands-on studio course. Using natural fibers, including cotton, abaca, and flax, you will learn traditional sheetmaking techniques, as well as using paper in more sculptural ways. Try your hand at decorative "paste papers," create personal stationery, and also explore simple book-making techniques. Enhance your papers with threads, ribbon, glitter, even spices and herbs! Paper is a dynamic and versatile material, and you can incorporate your paper-making skills into print-making, painting, and drawing. Leave this course with a unique set of hand-made paper projects suitable for inclusion in a portfolio! *Please Note: a materials list is available at time of registration.

Oil Pastels & Paint Sticks

Painting without a brush? Yes! Discover the versatility and ease of oil pastels and paint sticks! Far less expensive than (and not as untidy as) traditional oil painting materials, pastels and sticks offer the same vibrant colors, luxuriant textures, and rich glazes of oil paint — but need only a fraction of the drying time. Blend the fluid paint sticks to create a foundation or base for your paintings, and then layer and define with the oil pastel. Work on a variety of surfaces, including masonite, canvassboard, and textured papers, to achieve a number of different effects. This class will explore the range of the pastel and stick within the contexts of still-life, landscape, and self-portraiture. Individual and group critiques will provide supportive guidance and instruction. You will leave this class with portfolio quality pieces rendered in a unique and enjoyable medium!

The School

NESAD was founded in 1923 as the New England School of Art, and for more than seventy years has provided educational opportunities for students seeking to enter the professional worlds of art and design.

Located at 28 Newbury Street in Boston's Back Bay district, the School is in the heart of the city's art gallery and design studio center, and is easily accessible via public transportation.

NESAD is a non-profit educational institution incorporated under Chapter 180 of the General Laws of the Commonwealth of Massachusetts, and is recognized by the Internal Revenue Service as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code.

NESAD is licensed by the Commonwealth of Massachusetts, Department of Education.

The Diploma Programs are accredited by the Accrediting Commission of Career Schools and Colleges of Technology. The Interior Design Diploma Program is accredited by the Foundation for Interior Design Education Research (FIDER), a specialized accrediting body recognized by the U.S. Department of Education.

NESAD admits students of any race, color, sex, creed, national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the School. NESAD does not discriminate on the basis of race, color, sex, creed, national or ethnic origin in the administration of its educational policies, admissions policies, scholarships, and loan programs, and other School-administered programs.

Public Transportation and Parking Information

NESAD is located at 28 Newbury Street in Boston's Back Bay. We are a one-minute walk from the Arlington stop on the Green Line of the MBTA, and a five-minute walk from the Back Bay Bus and Train Station.

Since on-street parking is limited, and metered spots are available for two-hour intervals, students who are driving should park in the Back Bay Garage, located opposite Trinity Church in Copley Square. The garage has entrances on Clarendon Street and St. James Avenue. Validation for Back Bay Garage parking slips is available at the NESAD reception desk for Evening and Saturday classes only. Parking costs are only $6 with a validated slip. *Please Note: Daytime parking validation is not available.

The Continuing Education Division

The Continuing Education Division at the New England School of Art & Design offers introductory art and design classes, specialized professional development courses, and selected courses from the BFA and Diploma Programs for both academic credit, and Continuing Education (non-credit.)

The diversity of Continuing Education attracts students with a wide range of interests and abilities. Some are considering careers in the visual arts, and want to explore their creative potential; others are working professionals who need to learn new skills and techniques, others are completing BFA or Diploma Programs in Graphic Design, Interior Design, or Fine Arts.

Continuing Education Programs consist of three terms (Fall, Spring, and Summer) and one-month Intensive Computer Graphics sessions (Winter and Spring.) During the Fall and Spring terms, most classes meet once per week, between 6:00pm and 9:00pm, or on Saturdays. The summer term offers a wide selection of courses during both day and evening.

Although the Continuing Education Division courses (excluding the Evening BFA and Diploma Programs) do not constitute vocational programs, they are closely allied with NESAD Degree Programs, and draw course contents and faculty from the Degree programs. Continuing Education courses (excluding Evening BFA and Diploma Programs) may not be applied toward Requirements for Graduation, until such time as the student has been accepted as a BFA or Diploma candidate. Continuing Education students may apply to the Admissions Committee for recognition as a BFA or Diploma candidate.
and, if accepted, all applicable Continuing Education courses may be applied toward Requirements for Graduation after a change in tuition and credit status has been completed. Please consult the current General Catalogue for details regarding both full and part-time BFA and Diploma Programs.

Suffolk University

In 1991 NESAD joined with Suffolk University to offer a Bachelor of Fine Arts Degree Program. The objective of this program is to provide students with an intensive professional art and design education from NESAD combined with a strong liberal arts component from Suffolk University.

Founded to overcome barriers of income and discrimination, Suffolk University has a proud history of enabling its students to become honored members of the academic community and the business world. The College of Liberal Arts and Sciences, founded in 1934, was one of the first institutions of higher education in New England which offered a Bachelor of Arts Degree entirely through evening study. In recent decades, Suffolk University has continually updated and expanded its curriculum and buildings to fulfill its commitment to respond to the changing needs of its students, and to new developments in various fields of study. The University is located on historic Beacon Hill, near the State House, government agencies, courts, and business and financial centers.

BFA and Diploma Programs (Day)

BFA and Diploma Degree options are available through the NESAD Day Program. The BFA is offered in conjunction with Suffolk University. Major areas of study are Graphic Design, Interior Design, and Fine Arts. The department and course requirements of the Evening BFA Degree are identical to those required of students in the full-time Day Program.

3. Financial Aid:

Interview

Applicants to the Evening BFA or Diploma Programs in Interior Design are strongly encouraged to have an interview with a member of the Admissions Committee.

The primary purpose of the interview is to make sure that a particular course or program of study is appropriate for the specific needs and background of each applicant. During an interview, applicants are given the opportunity to explain their goals and objectives. The Admissions Officer will clarify the content and format of the courses which are being considered. In some instances, a portfolio is required and may be presented at this time.

Previously enrolled students in good standing are not required to have another interview. To schedule an interview, please call: (617) 536-0383.

Matriculation

Students who have registered for and have attended classes are considered matriculated. Students may not attend classes until they have completed all registration procedures and paid all tuition and fees due for the term.

Attendance

Attendance is the responsibility of the student, and will be a factor in determining final standing. Students with 5 or more absences in a single term will be automatically considered to have failed the course.

Student Responsibility

All students are responsible for knowing and adhering to currently published requirements, regulations, and policies. On request, students may obtain information and counsel relative to their progress and status from faculty, Department Chairpersons, or members of the Administration.

Credit Designation

Courses in the Continuing Education Division are offered for academic credit or Continuing Education (non-credit.) Students choose the credit designation at the time of registration. During the first week of classes, students may change their credit designation, however, any additional fees must be paid before the next scheduled class.

Continuing Education or Non-Credit Courses

Continuing Education is a nationally recognized standard which indicates that a student has participated in a non-credit form of study. NESAD maintains a permanent record of a student's completion of a Continuing Education course and upon the student's request, will send a copy of this record to employers and/or educational institutions. Continuing Education courses which are not part of the Evening Degree Programs cannot be applied to the BFA or Diploma Degree Requirements for Graduation, and are not transferable to other institutions for academic credit.
