Suffolk University Annual Commencement

College of Arts and Sciences and Sawyer School of Management

*Sunday, May 20, 2001
Two-thirty o'clock in the afternoon
The FleetCenter
Boston, Massachusetts*

Suffolk University

Suffolk University is a dynamic urban university with more than 6,500 students of all ages enrolled in day and evening programs in its College of Arts and Sciences, Frank Sawyer School of Management and Law School. The University is located on Beacon Hill in the heart of Boston and is accessible from all parts of the metropolitan area.

Founded as a law school in 1906, the University developed by adding a College of Arts and Sciences in 1934 and a School of Management in 1937. On April 29, 1937, the Law School, College of Arts and Sciences and the School of Management were chartered as Suffolk University by the Massachusetts General Court. The University is accredited by the New England Association of Schools and Colleges.

The Law School, accredited by the American Bar Association and the Association of American Law Schools, awards the juris doctor (JD) degree to its graduates. The College of Arts and Sciences awards degrees as the associate in arts (AA), the associate in science (AS), the bachelor of arts (BA), the bachelor of fine arts (BFA), the bachelor of science (BS), the bachelor of science in general studies (BSGS), the bachelor of science in journalism (BSJ), the master of arts in communication (MA), the master of arts in psychology (MA), the master of arts in interior design (MAID), the master of science in education (MS), the master of science in computer science (MSCS), the master of science in criminal justice (MSCJ), the master of science in international economics (MSIE), the master of science in political science (MSPS), the master of education (MED) and a doctor of philosophy degree in clinical psychology. A certificate of advanced graduate study (CAGS) is awarded for study beyond the master degree in several fields of education and human services. The master of public administration and master of science in mental health counseling (MPA/MS) are jointly offered by the College of Arts and Sciences and Sawyer School of Management. The master of science in international economics and the juris doctor degree are jointly offered by the College of Arts and Sciences and the Law School (MSIE/JD).

The Frank Sawyer School of Management, accredited by AACSB, the International Association for Management Education and by the National Association of Schools of Public Affairs and Administration (NASPAA), conducts both undergraduate and graduate programs in management. In April 2001 the Sawyer School of Management was awarded special accreditation of its accounting programs by the AACSB, the only institution in Boston to have this recognition. The undergraduate program leads to the degree of bachelor of science in business administration (BSBA). Graduate programs lead to master's degrees of business administration (MBA) and public administration (MPA). Special master's degrees offered include the master of science in accounting (MSA), the master of science in finance (MSF), the master of science in financial sciences and banking (MSFSB), the master of science in taxation (MST), the master of science in philanthropy and media (MSPM), and the master's degree in health administration (MHA). Undergraduate certificate programs in accounting and a graduate diploma in professional accounting (GDPA) are offered. The advanced professional certificate (APC) in business and certificate of advanced study in public administration (CASPA) and certificate of advanced study in finance provide study beyond the master's degree. Joint Degree programs leading to the bachelor of science in business (BSBA/JD), master of business administration (JD/MBA), master of public administration (JD/MPA) or master of science in finance (JD/MSF) and the juris doctor degrees are offered by the Frank Sawyer School of Management and the Law School.

Since 1906, when Gleason L. Archer established a law school for working adults, Suffolk University has graduated close to 40,000 students who have taken their places in the professional world. Among the University's alumni are some of New England's outstanding jurists, attorneys, businessmen and women, teachers, writers and scientists.

During its 95 years, Suffolk University has grown in size and in the scope and quality of its academic programs. Suffolk now maintains campuses in Madrid, Spain and Dakar, Senegal as well as operating a biological/scientific fieldstation in Edmunds, Maine. As it develops new programs to meet emerging needs, Suffolk University remains guided by Gleason Archer's commitment to the community and to its people, and by a concern for access, success and excellence.

Board of Trustees

William J. O'Neill, Jr., Esq., *Chairman*
Carol Sawyer Parks, *Vice Chairperson*
Joseph B. Shanahan, Jr., Esq., *Clerk*

ACADEMIC ATTIRE

The academic attire worn during the commencement exercises by the graduates, faculty members, deans, trustees, the president, and the other members of the academic procession, had its origin during the Middle Ages at the medieval universities. The long black gown, the basic garment of the academic attire, was worn for warmth and to conceal food and sometimes wine to be consumed during lecture recesses. The square cap, the shape of which resembles a book, a mason's mortarboard, or the quadrangle shape of the Oxford University campus, usually has a black tassel indicating a bachelor's or master's degree, or a gold tassel indicating a doctoral degree. The hood, which is the most colorful raiment, was used as a cowl, a cape, an alms sack or to protect the wearer's wig from the elements.

In modern times, the wearing of academic attire was codified by the American Council on Education. Contemporary guidelines specify that the standard color for caps and gowns is black, that the material be cotton poplin, that there be no trimming on the gowns worn by recipients of baccalaureate or master's degrees, that the doctoral gown may be faced with black velvet trim with three bars of black velvet across the sleeves, that the trimming of the doctoral hood be of velvet and signify the academic area of the degree, and that the hood lining reflect the official color or colors of the college or university conferring the degree. The hood trimming color white designates bachelor of arts; yellow: bachelor and master of science; magenta: bachelor of science in journalism; drab olive: bachelor and master of business administration; peacock blue: bachelor and master of public administration; blue: master of education and certificate of advanced graduate study in education; and purple: juris doctor (law) degree.

Within certain permissible limits, universities may vary the style and color of the caps and gowns worn by their graduates. These variations may be noticed in the academic procession.
