Suffolk University is a dynamic urban university with more than 6,500 students of all ages enrolled in day and evening programs in its College of Arts and Sciences, Sawyer Business School and Law School. The University is located on Beacon Hill in the heart of Boston and is accessible from all parts of the metropolitan area.

Founded as a law school in 1906, the University developed by adding a college of arts and sciences in 1934 and a school of management in 1937. On April 29, 1937, the Law School, College of Arts and Sciences and the School of Management were chartered as Suffolk University by the Massachusetts General Court. The University is accredited by the New England Association of Schools and Colleges.

The Law School, accredited by the American Bar Association and the Association of American Law Schools, awards the Juris Doctor (JD) and the Master of Laws (LL.M) degrees to its graduates.

The College of Arts and Sciences is accredited by the New England Association of Schools and Colleges, the American Bar Association, the American Psychological Association, the Joint Review Committee on Education in Radiologic Technology, the Massachusetts Department of Education, the National Association of Schools of Art and Design, and the Council for Interior Design Accreditation. The College awards the following degrees: the bachelor of arts (BA), the bachelor of fine arts (BFA), the bachelor of science (BS), the bachelor of science in engineering (BSE), the bachelor of science in general studies (BSGS), the bachelor of science in journalism (BSJ), the associate of arts (AA), and the associate in science (AS). The College offers graduate degrees in the following areas: the master of arts in communication (MA), the master of arts in graphic design (MAGD), the master of arts in interior design (MAID), the master of arts in psychology (MA), the master of education in administration of higher education (MED), the master of education in foundations of education (MED), the master of education in middle school teaching (MED), the master of education in secondary school teaching (MED), the master of education in school counseling (MED), the master of science in adult and organizational learning (MS), the master of science in criminal justice (MSCJ), the master of science in computer science (MSCS), the master of science in economic policy (MSEP), the master of science in human resources (MS), the master of science in international economics (MSIE), the master of science in mental health counseling (MS), the master of science in political science (MSPS), the doctor of philosophy in economics (PhD) and the doctor of philosophy in clinical psychology (PhD). A certificate of advanced graduate study (CAGS) is awarded for study beyond the master degree in political science and in several fields of education and human services. The College offers a joint degree in the master of science of criminal justice and master of science in mental health counseling (MSCJ/MS). The master of public administration and master of science in mental health counseling (MPA/MS), the master of science in criminal justice and the master of public administration (MSCJ/MPA), as well as the master of science in political science and master of public administration (MSPS/MPA) are jointly offered by the College of Arts and Sciences and the Sawyer Business School. The master of science in criminal justice and the juris doctor degree (MSCJ/JD), as well as the master of science in international economics and juris doctor degree (MSIE/JD) are jointly offered by the College of Arts and Sciences and the Law School.

The Sawyer Business School, accredited by AACSB International, the Association to Advance Collegiate Schools of Business and the National Association of Schools of Public Affairs and Administration, conducts both undergraduate and graduate programs in management. In April 2001, the Sawyer Business School was awarded special accreditation of its accounting programs by the AACSB, the only institution in Boston to have this recognition. The undergraduate program leads to the degree of bachelor of science in business administration (BSBA). Graduate programs lead to master's degrees of business administration (MBA), Global MBA and Executive MBA and public administration (MPA). Special master's degrees offered include the master of science in accounting (MSA), the master of science in finance (MSF), the master of science in financial sciences and banking (MSFSB), the master of science in taxation (MST), and the master's degree in health administration (MHA). Undergraduate certificate programs in accounting and finance (CFA) and a graduate diploma in professional accounting (GDP) are offered. The advanced professional certificate (APC) in business and certificate of advanced study in public administration (CASPA) and certificate of advanced study in finance provide study beyond the master's degree. Joint Degree programs leading to the bachelor of science in business administration (BSBA/JD), master of business administration (JD/MBA), master of public administration (JD/MPA) or master of science in finance (JD/MSF) and the juris doctor degrees are offered by the Sawyer Business School and the Law School.

Since 1906, when Gleason L. Archer established a law school for working adults, Suffolk University has graduated close to 40,000 students who have taken their places in the professional world. Among the University's alumni are some of New England's outstanding jurists, attorneys, businessmen and women, teachers, writers and scientists.

During its 100 years, Suffolk University has grown in size and in the scope and quality of its academic programs. Suffolk now maintains campuses in Madrid, Spain and Dakar, Senegal as well as operating a biological/scientific field station in Edmunds, Maine. As it develops new programs to meet emerging needs, Suffolk remains guided by Gleason Archer's commitment to the community and to its people, and by a concern for access, success and excellence.

ACADEMIC ATTIRE

The academic attire worn during the commencement exercises by the graduates, faculty members, deans, trustees, the president, and the other members of the academic procession, had its origin during the Middle Ages at the medieval universities. The long black gown, the basic garment of the academic attire, was worn for warmth and to conceal food and sometimes wine to be consumed during lecture recesses. The square cap, the shape of which resembles a book, a mason’s mortarboard, or the quadrangle shape of the Oxford University campus, usually has a black tassel indicating a bachelor’s or master’s degree, or a gold tassel indicating a doctoral degree. The hood, which is the most colorful raiment, was used as a cowl, a cape, an alms sack or to protect the wearer’s wig from the elements.

In modern times, the wearing of academic attire was codified by the American Council on Education. Contemporary guidelines specify that the standard color for caps and gowns is black, that the material be cotton poplin, that there be no trimming on the gowns worn by recipients of baccalaureate or master’s degrees, that the doctoral gown may be faced with black velvet trim with three bars of black velvet across the sleeves, that the trimming of the doctoral hood be of velvet and signify the academic area of the degree, and that the hood lining reflect the official color or colors of the college or university conferring the degree. The hood trimming color white designates bachelor of arts; yellow: bachelor and master of science; magenta: bachelor of science in journalism; drab olive: bachelor and master of business administration; peacock blue: bachelor and master of public administration; blue: master of education and certificate of advanced graduate study in education; and purple: juris doctor (law) degree.

Within certain permissible limits, universities may vary the style and color of the caps and gowns worn by their graduates. These variations may be noticed in the academic procession.

The ceremony will last approximately 2 hours, beginning at 2pm. You are expected to remain in your seat through the entire ceremony. Your official diploma will be distributed after the ceremony ends.
PREPARING FOR COMMENCEMENT

Tickets and Invitations
Each graduating student will be allotted five (5) guest tickets along with engraved invitations as mementos. Extra ticket(s) from the lottery/waitlist will be distributed at the time of the Commencement packet pick-up. Please understand that invitations are provided as commemorative items and CAN NOT be used for entry. One ticket will be required for each guest age three and over for admission to the Bank of America Pavilion.

When and where should students arrive?
Please plan to be at the Bank of America Pavilion NO LATER THAN 1:15PM on SUNDAY, MAY 21.
You will enter through the left side of the main entrance, and ushers will direct you to the Student Robing Area. In the Student Robing Area, you will go directly to the Registrar's table to receive your name card.
After receiving your name card, you will be directed to line up for the Commencement Processional by degree group. Please stay in this area, as you will have to be robed and in line when we give the signal to march at approximately 1:55pm.

When and where should guests arrive?
Guests will enter the Bank of America Pavilion through the main gate, which will open at approximately 1pm. Upon passing through the turnstiles, guests will receive a Commencement program. To the right of the turnstiles, there will be a Suffolk University Information table for those who may have questions or need of special accommodations.
Line-up

At the Registrar's table, you will have been handed a 3 x 5 typed index card bearing your name, degree, and appropriate honors. This card is numbered so that you will be in alphabetical/numerical order within your degree group and within your school. Please line up in that sequence. Do not make ANY changes or additions on this card. You must present it to Dean Stoll when you approach the stage to be recognized.

College department lines will be formed with candidates for the degree of:

**COLLEGE OF ARTS & SCIENCES**
1. Associate in Arts (AA)
2. Associate in Science (AS)
3. Bachelor of Arts (BA)
4. Bachelor of Fine Arts (BFA)
5. Bachelor of Science (BS)
6. Bachelor of Science in General Studies (BSGS)
7. Bachelor of Science in Journalism (BSJ)

**SAWYER SCHOOL OF MANAGEMENT**
1. Bachelor of Science in Business Administration (BSBA)

Important notes

• Keep noise at a minimum in the Robing Area to facilitate last minute instructions.

• DO NOT LEAVE ANY PERSONAL ITEMS IN THE ROBING AREA. PLEASE GIVE THEM TO FAMILY MEMBERS OR FRIENDS BEFORE PROCEEDING TO THE ROBING AREA.

• PLEASE DO NOT USE CELL PHONES AT ANY POINT DURING THE CEREMONY.
When your degree group is called

When the degree that you are to receive is announced by Dean Greenberg of the College of Arts & Sciences or by Dean O’Neill of the Sawyer School of Management, please stand up together. Under the direction of an usher, proceed to the stage one row at a time and keep a continuous flow to the foot of the stage.

Receiving your diploma

When the degrees are awarded, you will march up the left front stairs as you face the stage, hand the typed card with your name on it to Dean Stoll at the microphone, who will announce your name and appropriate honors. Be sure the student in front of you has had adequate time to ascend onto the stage.

A diploma will be handed to Dean Greenberg (CAS) or Dean O’Neill (SSOM) who will hand it to you. Accept the diploma with your left hand and shake right hands with the Dean. Your picture will be taken. You then walk across the stage, walk down the second set of front stairs and return to your original seat.

After receiving your diploma

Return to your seat and be seated. The President will ask you to stand as a degree group to be recognized. You will then sit down as a group.

Recessional

The University marshal will raise the baton to signal the stage party and students to stand for the Recessional. The stage party will process down the main aisle, and the graduates will move out in two lines following the faculty. Go slowly and remain in line.

The ceremony will conclude by 4:30pm.
To Recieve Your Official Diploma

To facilitate an orderly process, during the formal Commencement Exercises you will receive an alumni welcome scroll instead of your actual diploma. At the conclusion of the ceremonies, you will return to the Robing Area for receipt of your official diploma. (Only May 2006 graduates will receive their diplomas at the commencement ceremony. All others should contact the registrar’s office with any questions.)

Photography During Commencement

Guests will be restricted from approaching the stage area to take pictures or to make congratulatory gestures. Security personnel will strictly enforce this restriction. There will be a professional photographer taking pictures as you receive your diploma. Information about purchasing these photos will be sent to you.

Webcast

A live online Webcast of the College of Arts and Sciences and Sawyer School of Management ceremony will be available on and after May 21st. Please visit the Web at www.suffolk.edu/commencement/webcast.

Take the MBTA subway, commuter rail, or bus to South Station* and connect with the new Silver Line Waterfront service.

- The Silver Line Waterfront is located one level above the MBTA Red Line, one level below the Food Court at South Station.
- If you are connecting via the Red Line, there is no additional charge: monthly MBTA subway, combo, and commuter rail passes are accepted as fare. Otherwise, the Silver Line Waterfront service costs $1.25 each way, and guests will want to have exact change for the return trip, as the drivers do not make change.
- The Bank of America Pavilion is located one block away from the Silver Line Way stop.

* Please note: Suffolk will provide limited shuttle service between South Station and the Bank of America Pavilion. Information will be posted at both locations the day of the event.
