HISTORY OF SUFFOLK UNIVERSITY

From its earliest incarnation, Suffolk University was seen as offering a beacon of hope to people aspiring to better their lives through education.

Founder Gleason Archer had worked his way through college when a benefactor loaned him money to pursue the study of law. He asked only that Archer pass along the favor. In 1906 Archer began teaching law in the evenings in his home, providing access to professional higher education for those with limited time and financial resources. He believed that the growing waves of immigrants coming to America deserved educational opportunities that would lead to personal and professional growth.

The young law professor soon moved the school into his downtown Boston office, a centralized location that made the school more convenient to students and, in time, opened doors to innumerable collaborations with government, business, and cultural entities.

After machinist and Suffolk student Roland E. Brown passed the bar in 1908, registration surged, so Archer gave up his law practice to devote himself full-time to the law school.

Suffolk Law School received its charter in 1914 and was the largest evening law school in the United States by 1930.

THE UNIVERSITY TAKES SHAPE

The College of Liberal Arts and Sciences—later renamed the College of Arts & Sciences—was founded in 1934 in response to the recommended standard that law students possess a college degree and because Archer wanted to create “a great evening university” that working people could afford.

Three years later, in 1937, the College of Business Administration—now the Sawyer Business School—was established.

The three academic units were incorporated as Suffolk University in 1937. As time passed, the University evolved to offer a complete range of full- and part-time programs and an increasingly active campus community.

PREPARING TOMORROW'S LEADERS

Building on the promise of its founding, Suffolk University continues to inspire and engage its diverse student body. Through carefully designed curriculum, internships, mentoring, and networking, the University creates opportunities that enable students to meet their goals.

The scope of academic offerings has broadened to include new programs at the baccalaureate, master, and doctoral levels, and Suffolk University faculty are just as absorbed in teaching as they are in scholarly work.

The University's residence halls now allow students living on campus to fully realize the academic and cultural promise of the urban environment. Classrooms, libraries, theaters, galleries, and offices are housed in buildings clustered in downtown Boston, and the historic Boston Common serves as the unofficial campus quad.

Students today hail from across the nation and around the world. A campus in Madrid and partnerships with institutions throughout the globe allow for a broad range of international study and internship opportunities.

SUFFOLK UNIVERSITY MISSION

Suffolk University is a talent catalyst that recognizes and develops student potential. Leveraging our location in the heart of Boston, our faculty, staff, and alumni work together to provide a student-centered experience. This diverse community builds on its dedication and excellence in education and scholarship to empower graduates to be successful locally, regionally, and globally.

ACADEMIC ATTIRE AND SYMBOLS

The academic attire worn during commencement originated in medieval universities. The long black gown was worn for warmth and to conceal food—and sometimes wine—to be consumed during lecture recesses. The hood, which is the most colorful raiment, was used as an alms sack or to protect the wearer's wig from the elements.

The velvet trimming of the doctoral hood signifies the academic area of the degree, and the hood lining reflects the official color or colors of the college or university conferring the degree. The hood trimming color white designates bachelor of arts and master of arts in psychology; yellow, bachelor and master of science, master of arts in interior design, and certificate of advanced graduate study; magenta, bachelor of science in journalism; light blue, master of education and certificate of advanced graduate study in education; blue-violet, master of arts in graphic design; copper, master of science in international education; dark blue, master of science in political science and master of science in ethics and public policy; and salmon, master of arts in women's health. The larger dark blue hoods designate the doctorates in clinical psychology and in economics.

Colored cords are worn by bachelor's degree candidates who have been awarded graduation honors. Gold cords signify *summa cum laude* honors, silver denotes *magna cum laude* honors, and bronze indicates *cum laude* honors. Those who transferred to Suffolk as undergraduates wear blue-and-gold cords for highest distinction, blue-and-silver cords for high distinction, and blue-and-bronze for distinction.

The marshal leads the procession carrying a mace. The mace originally was a weapon, and its ceremonial descendant confers an air of authority on those leading formal pageants.

The Suffolk University seal features the University motto *Honestas et Diligentia*, or Honesty and Diligence, and the founding date, 1906. The image is composed of a standard and torch flanked by single stars, and Beacon Hill is pictured in the background.

KEYNOTE SPEAKER CAROLYN MUGAR

Carolyn Mugar is the executive director of Farm Aid, which raises awareness and funds in support of family farmers. She joined Farm Aid after its first concert fundraiser three decades ago. Mugar has long been an activist engaged with issues that include labor, the environment, literacy, toxics, and community empowerment. She initiated the Armenia Tree Project, a reforestation, poverty reduction, and environmental advocacy project in Armenia, and serves on its executive committee. She is the president of the board of the Armenian Assembly of America and serves on the boards of the Labor Institute and *Mother Jones* magazine.

KEYNOTE SPEAKER THE HON. CHARLES D. BAKER

Charlie Baker is the 72nd governor of the Commonwealth of Massachusetts. As governor Baker has pledged to work toward a growing economy with family-sustaining jobs, to ensure that schools provide opportunity for every child; and to partner with local governments to create safer and thriving communities. Baker has been a leader in both business and in government. As secretary of Health and Human Services in the Weld administration, he led efforts to make Massachusetts' social service system more humane, cost-effective, and responsive. As secretary of Administration and Finance under Weld and Cellucci, he oversaw cost-saving reforms that modernized state government and made it more efficient. His efforts were recognized with the National Governors Association Distinguished Service Award in 1998. Baker later led Harvard Pilgrim Health Care out of receivership as the company's chief executive officer. Harvard Pilgrim became the top health care plan in the country for member satisfaction and clinical effectiveness and was named one of the *Boston Business Journal's* "Best Places to Work" for seven years in a row. Baker is a graduate of Harvard College and holds an MBA from the Kellogg Graduate School of Management at Northwestern University.

Inclusion in the commencement program does not indicate degree conferral. Degrees will be awarded when all University requirements are fulfilled. Academic honors listed in the program are based upon the earned grade point average at the end of the fall term. Final academic honors are calculated upon degree conferral.

A SUFFOLK UNIVERSITY ALMA MATER

Over the cobblestones of Boston,
And down the city's lamp-lit streets,
Over the rivers, bays, and oceans,
We journeyed here, to learn and teach.

*Gladly did we learn,
And gladly did we teach.*

Guided by the beacon on our Hill,
And the Archer's starry reach,
From every continent and every shore,
We journeyed here, to learn and teach.

*Gladly did we learn,
And gladly did we teach.*

In all the many ways we grew,
And amid the wonders we would see,
We were partners on a journey,
Whether the path was smooth or steep.

*Gladly did we learn,
And gladly did we teach.*

As the road unfolds before us,
And in the hopeful words we speak,
We honor and remember Suffolk
Where we all came to learn and teach.

*Yes, gladly did we learn,
And gladly did we teach.*

*Gladly did we learn,
And gladly did we teach.*

c. Music by E. Aragón

c. Lyrics by F. Marchant and S. Rubin
