Suffolk Receives Grants

Mr. Boston Distiller Gives Scholarship

A new scholarship has been established at Suffolk University. Mr. John E. Boston, owner of the Boston Distiller, has established a scholarship to be awarded to the student who demonstrates outstanding leadership qualities and has made significant contributions to the community.

The scholarship of $5,000 will be awarded annually to a full-time undergraduate student. The recipient must have a minimum GPA of 3.5 and be nominated by a faculty member or administrator.

Technology Program With V.A. Hospital Established

Suffolk University has established a joint program in medical technology with the Veterans Administration Hospital, at West Roxbury, Massachusetts. The program is designed to prepare students for careers in medical technology.

The program will include coursework in medical terminology, anatomy, physiology, and pathology. Students will also complete clinical rotations at the V.A. Hospital.

C.F. Jailliet Named To Suffolk Business Council

Mr. C.F. Jailliet has been named to the Suffolk Business Council. Mr. Jailliet is the president of the Suffolk Industrial Supply Company.

The Suffolk Business Council is a group of business leaders who work to promote the economic development of the area.

Biological Dept. Gets National Science Foundation Grant

Suffolk University has been awarded a grant of $10,000 from the National Science Foundation to support the biological sciences program.

The grant will be used to support research in the areas of botany, zoology, and microbiology. The grant will also provide funding for graduate students to attend seminars and conferences.
Grad Study
Guides In Dean's Office

We are delighted to tell you that Dr. Dean Sullivan has been added to the faculty of our biology department as a guest editorial.

Dr. Sullivan has been a renowned biologist and has made significant contributions to the field of genetics. With his expertise, we are confident that he will provide valuable guidance and mentorship to our students.

As a guest editor, Dr. Sullivan will be working closely with our student body, offering lectures and tutorials. He will also collaborate with our faculty members to enhance our academic programs.

We are excited about this new addition to our department and believe it will greatly benefit our students and our institution as a whole.

Letters to The Editor

With the recent changes in our curriculum, we have received many letters from our students expressing gratitude for the new opportunities. We are glad to hear that our students are enthusiastic about the changes and feel that they are well-prepared for the future.

One student wrote, "I am grateful for the new classes being offered. They have been very helpful in expanding my knowledge and understanding of the subject."

Another student added, "The changes have been beneficial and I feel more prepared for my future career.

We would like to thank our students for their feedback and continue to strive for excellence in our academic programs.

S.A.M. Elects A Queen

Madelyn "Babe" Elliott Chosen

In keeping with the custom, the Student Association (S.A.M.) of St. Johnsbury Academy had its annual election on December 7, 1961. Madelyn Elliott was chosen king of S.A.M. The original class of Class of 1961, S.A.M. president, and "Club 5," has its annual election on December 1, 1961.

Elliott, a pleasant type of student, was nominated by John Heil, president of S.A.M., and Professor H. A. Wheelock, of the psychology department. He is a member of the psychology department and a member of the student association. He has been a member of the psychology department and a member of the student association since 1958.

S.A.M. President Writes

Dear Mr. Elliott,

I am writing to congratulate you on your election as S.A.M. president. Your leadership and dedication to the organization are greatly appreciated. I am confident that you will bring strong and innovative ideas to the role.

Sincerely,

[Signature]

**FOOTNOTE:** Seed Spread

4 oz. 8% fat cheddar cheese
8 oz. chopped chives
1/4 cup butter

**DIRECTIONS:** Let cheese stand at room temperature until softened. Mix the cheese and butter together in a mixer until well combined. Add the chives and mix thoroughly with a spoon. Store in a covered container in the refrigerator for about 1 week.
RACE RIOT

RACE RIOT (2)

During the past summer's "Festival of Race Riot," we sent our men when we had covering the 20th Annual International Piano Festival and Drug Law Enforcement Legislation to discuss Race Riot of the past riot, so while everywhere was about "burn, baby, burn," we sent out "burn, baby, burn," about race riots in hands.

The riot broke out at 7 p.m. Tuesday, and it was a wild and crazy scene. The rioters were mainly young people, and they were trying to get at the police station. They were throwing rocks and bottles, and they were setting fires in the streets. The police were trying to hold them back, but they couldn't get through.

The riot lasted for about an hour, and then it died down. The police were able to clear the streets, and the rioters were arrested. The city was left in a state of chaos.

The riot was sparked by the murder of a young black man. His name was John Brown, and he was found dead in the street. The police said that he had been shot, but they didn't know who had done it. The city was in a state of shock, and the rioters were angry.

The riot was a turning point in the history of the city. It showed that the police were not able to control the streets, and that the city was not safe for its citizens. It was a wake-up call for the city, and it forced them to take action.

The Stars Are "Out"

Jay Crowley, Suffolk's 67th semester forward, became the university's first 1,000 point career scorer when he scored 21 points in the Blue Devils' 78-57 home victory over Nassau College of Bournemouth on Dec. 11.

Crowley was presented a plaque by Assistant President Donald Wurberg in a ceremony after the game, which was played as a preliminary to the Collegetown-New York anniversary contest.

Coach Jack Stranathan, who started for the Blue Devils, who are off to the best start in the school's history, Suffolk has won six, lost one, and is hoping for a bid in a small college tournament, should they maintain their present pace.

Their only loss to date, was a 113-40 defeat to Hartford University after a 29-day layoff by the Blue Devils.
