McCarthy Takes Choice '68 Here

Senator Eugene McCarthy has won Choice '68 as announced by TIDC magazine and Sperry Rand UNIVAC early last week. The primary was held simultaneously at 1600 colleges on April 28.

Nationally, McCarthy received a plurality of 25,000 votes. All votes in places where no formal contest was arranged or where McCarthy was not listed were credited to him.

In general, McCarthy did well in the states of the South and West.

Controversy Is Not A Four-Letter Word etc.

The JOU RNAL

To the Editor:

There has been more criticism recently, both in the columns and on the editorial pages of this newspaper, about the handling of certain aspects of the student movement. I am sure that this is a reflection of the general feeling among the students, parents, and educators about the current situation.

I would like to express my own views on this topic. I believe that the student movement has been handled with a great deal of care and sensitivity. The administrators and faculty members have worked very hard to understand the students' concerns and to find solutions that would be acceptable to both sides.

I also believe that it is important to remember that the student movement is only one aspect of the larger issue of education. We must continue to focus on the quality of education and the needs of all students, regardless of their ethnicity, race, or background.

I hope that this will help to bring some understanding and cooperation to the current situation.

Sincerely,

Student Government Gets Increase In Activities Fee

The Student Government Association recently met to present its agenda for the spring semester, which included a proposal for an increase in activities fee.

There are several reasons behind the need for this increase. First, the SGAs need funds to cover the cost of operating various activities, including sports, cultural events, and community service programs. Second, the increase will help support the SGAs' efforts in providing services for the student body, such as academic support programs and counseling services.

ITEM: COST OF OCCUPANCY

As a result of the increased costs associated with operating the SGAs, the Office of Student Activities has proposed an increase in the activities fee. This fee would cover the cost of occupancy expenses, such as rent, utilities, and maintenance.

ITEM: THE DIFFERENTIAL TANGIBILITY

In the past, SGAs have been able to cover the cost of occupancy expenses through a mix of budgeted funds and donations. However, due to changes in the market and increased costs, the SGAs now need additional funds to cover these expenses.

ITEM: THE FACILITIES AND GARDENING

The SGAs have also proposed an increase in the activities fee to cover the cost of facilities and gardening expenses. This includes the cost of maintaining the SGAs' facilities, such as the SGAs' offices and meeting rooms.

ITEM: ARCHER RECOGNITION PROPOSED

The SGAs have also proposed an increase in the activities fee to cover the cost of Archer Recognition, a program that recognizes students for their contributions to the SGAs.

ITEM: THE STUDENT ADVISORY BOARD

The SGAs have also proposed an increase in the activities fee to support the Student Advisory Board, which provides input and feedback to the SGAs on their activities and programs.

ITEM: THE STUDENT GROUPS

The SGAs have also proposed an increase in the activities fee to support the SGAs' student groups, which provide opportunities for students to engage in meaningful activities and build communities within the SGAs.

ITEM: THE RELATIONSHIP BETWEEN THE SGAS AND THE UNIVERSITY

Finally, the SGAs have proposed an increase in the activities fee to support the relationship between the SGAs and the University, which includes the SGAs' efforts to advocate for student rights and interests.
Dear Uncle...

Dear Uncle...

Just a quick note to say how much I enjoyed reading your letter from last week. You always have such good stories about your travels and adventures, and it's always a pleasure to read them. I hope you are well and that you are enjoying your retirement after many years of hard work. We miss you at the office, but we know you are having a great time exploring new places and meeting new people.

The Revenge of the Crowd" is a short story by Jack London, set in the early 20th century. The story follows the life of a young man named Jack, who is a member of a group of young rebels called the "Crowd." The group is dedicated to revolution and overthrowing the existing social order. Jack and his fellow rebels are tired of the dull, mundane lives of their middle-class family members and seek to create a more exciting and stimulating existence for themselves.

Jack, who is described as a "wild and reckless" young man, becomes involved with a group of other rebels who are also disillusioned with the status quo. The group spends their time engaging in various forms of rebellion, including arson, theft, and vandalism. They are determined to create a new world order and are willing to do whatever it takes to achieve their goals.

The story is a classic example of the rebellious spirit of the early 20th century and is a testament to the enduring appeal of the idea of revolution and the desire for change. It is a story of young people who are dissatisfied with the way things are and are determined to make a difference, no matter the cost. The Revenge of the Crowd" is a powerful and compelling story that has remained relevant to this day.

"Star-Spangled Girl" At Shubert Theatre

By Linda Prentel

George S. Kaufman's 1926 hit musical based on the story of the national anthem underwent a musical staging by the Stuart Ross Revival, featuring the Boston Symphony Orchestra. The show featured a cast of over 100 performers, including the American contralto Beatrice Wooding, who played the role of the national anthem. The show ran for 239 performances, and the national anthem was sung at the end of each performance. The show was a commercial success, running for over a year and establishing the stars of "The Other Bohemian Girl."
