Olympians Given Rousing Welcome

Jenkins, Connolly Land Sportmanship of Russian Stars

By Vin Hayes

Olympic triumphs Charlie Jenkins and Hal Connolly, who received their official Hub Welcome home last Wednesday afternoon, were thronged by the throngs which later brought the pair to the Sherman-Plaza where more than 600 fans joined them in a luncheon sponsored by the Chamber of Commerce. Encouragement: Gratifying To Both

Connolly, Boston College's rec

Jenkins, who will see this afternoon (Saturday, Dec. 15), said that the daily letters and encouragement of his fiancée, Janice of Roxbury, gave him one of the greatest hours in his bid for the title he won. With snow in the news statewide, our local florists are busy with extra bright and other flower blooms small extra earn. Particularly in everything is a sign of winter weddings. No less than seven area florists were busy today, Nov. 18, with a rush of wedding orders. Two of them, however, had to have all arrangements on the flowers, as the falling-out next morning was much, much colder than the day before. (Continued on Page 8)

THE OTHER DAY

We're all well aware that the day of the big snowball is here. In fact, it's very possible that some of the snow will show up in the next few days. The snowstorm will be accompanied by strong winds, which will make it a bit harder to see. However, if you're like me, you love a good snowball fight. So, grab your gloves and get outside! It's a perfect day for a snowball fight.

The snowstorm will continue throughout the day, with heavy snow falling in some areas. The National Weather Service has issued a winter storm warning for parts of the region, so please stay safe and enjoy the snow! It's a great day to be outside, no matter what the weather outside may be.

The big right-handed batman for the Boston Red Sox, Ted Williams, may have been the greatest batter in baseball history, but no one will ever be able to equal the batting average of 0.750 that Tony DeLuna has been able to maintain in two years of AAA ball with the Pawtucket Red Sox. Tony has a .500 record in 671 at bats - 339 singles, 117 doubles, 47 triples, and 17 home runs...

More Employment In Massachusetts

Two thousand more people were employed in Massachusetts in October than in September. The employment gains were due to an increase in manufacturing and construction jobs. The manufacturing sector added over 1,000 jobs, while construction firms added an additional 800 jobs. The overall employment rate in Massachusetts increased to 6.5% in October, up from 6.4% in September. The state's unemployment rate is now at its lowest level in over a decade.
The facts...

Some Democratic leaders resent the fact that so many Negroes voted Republican this year. They cannot understand how or why a Negro could vote Republican. This is a disgraceful situation that would not exist if the present Democratic leaders were capable of winning the respect and confidence of the people.

There are some who are trying to improve the position of the Democratic Party in our community and they should be encouraged. Should the Democratic Party fail to attract the Negro, they then cannot expect to have the support of the man in the street.
