Recessional
KEYNOTE SPEAKER & HONORARY DEGREE RECIPIENT:
TIM RYAN

Boston native Tim Ryan is a business leader, relationship builder, and innovator committed to building trust and solving important problems.

As US chair and senior partner of PwC, he is credited with reimagining the company for the modern era, leading a complete digital transformation to get ahead of the rapid pace of change in the industry by bringing people, capabilities, and technology together to support clients in trust-centered, long-term relationships.

During his first week as PwC chair in 2016, Ryan saw the need for more explicit conversations around diversity, inclusion, and equity in business and opened a firmwide conversation about race in the workplace.

He went on to found CEO Action for Diversity & Inclusion, the largest CEO-driven business commitment to advance diversity, equity, and inclusion in the workplace. In 2021, he renewed the firm’s commitment to Access Your Potential, to support a more equitable future for 25,000 Black and Latinx college students—10,000 of whom PwC US aspires to hire within the next five years—through advanced mentorship, technology, and career-readiness training.

Ryan serves on the boards of the Brookings Institution and the Financial Accounting Foundation. He is also chair of the Center for Audit Quality’s governing board, a nonpartisan, nonprofit group dedicated to enhancing investor confidence and public trust in the global capital markets. He earned his BA from Babson College.

Recessional
Manuel A. (Manny) Lopes has a long history of working to improve healthcare quality, access, and equity for residents of the Commonwealth.

Since 2021, he has served as executive vice president for public markets and government relations for Blue Cross Blue Shield of Massachusetts, the largest private health plan in Massachusetts.

Previously Lopes served as president and chief executive officer of East Boston Neighborhood Health Center, the largest community health center in Massachusetts and one of the largest in the US. Under his leadership, the center increased its number of patients served by nearly 40% and added two new state-of-the-art facilities.

Lopes is the cofounder and founding chair of the Community Care Collaborative, the largest Medicaid accountable care organization in Massachusetts, and cofounder of Advocates for Community Health, a national advocacy organization for innovative health centers focused on equity and impact.

A former chair of the Boston Public Health Commission Board, he serves on both the Greater Boston Chamber of Commerce and the Institute of Contemporary Art’s board of directors. He received his MBA from Northeastern University’s D’Amore-McKim School of Business.

From its roots in an evening law class with a handful of students, Suffolk University has evolved into a global institution blending traditional and experiential learning with strong ties to partner organizations and mentors in Boston and beyond.

Creating Opportunity
From its earliest incarnation, Suffolk University has opened doors to students determined to better their lives through education.

Founder Gleason Archer hailed from rural Maine and worked hard to support his law school aspirations. He was fortunate in meeting a benefactor, George Frost, who paid for Archer’s education and asked only that Archer pass his generosity along to others. Archer took this advice to heart and in 1906 began teaching law in his home in the evenings.

Commitment to Diversity
Suffolk was a school at the forefront of embracing a diverse student population, with Black, Asian, Native American, and women students finding a home here since its earliest days. Celebrating diversity has always been at Suffolk’s core, making it the rich institution it is today.

The school now known as the College of Arts & Sciences was founded in 1934. Two years later the predecessor to the Sawyer Business School welcomed its first students. That same year all three schools were incorporated as Suffolk University. In time the University expanded from a night-school format to comprise a range of full- and part-time programs.

A tradition of public service was firmly established in Suffolk University’s earliest days. Many alumni have been elected to public office at the state, local, and national levels; some began their terms in office while studying at Suffolk. And Suffolk alumni work diligently on behalf of their fellow citizens in nonprofits, the judiciary, and policy-making positions at every level.
SUFFOLK UNIVERSITY MISSION STATEMENT

At Suffolk University we are driven by the power of education, inclusion, and engagement to change lives and positively impact communities. Committed to excellence, we provide students with experiential and transformational learning opportunities that begin in the center of Boston, reach across the globe, and lead to extraordinary outcomes for our graduates.

THE UNIVERSITY TODAY

Building on the promise of its founding, Suffolk University continues to anticipate and respond to the needs of a diverse student body. Through carefully designed curricula, mentoring, networking, and service learning, the University creates opportunities that help students meet their goals.

Students combine classroom studies with experiential learning opportunities and career-shaping internships at influential institutions, and they forge strong, essential connections with professional mentors. Suffolk students benefit from their close proximity to Boston’s top employers, including the key business, health care, biotechnology, and start-up industries that define the city. Partnerships with the Museum of African American History, Boston Public Schools, the judiciary, Habitat for Humanity, and many other entities engage faculty members and students in groundbreaking scholarship and community participation. Upon graduation, Suffolk students are well prepared for success.

INTERNATIONAL EDUCATION

The University’s reputation for excellence draws students from across the nation and around the world to its urban campus. Students come from a variety of economic and cultural backgrounds to contribute to and engage in a vibrant campus environment, with programming that enriches not only the academic, but also the social and personal experiences of all students.

In addition, they gain international experience as they study at the University’s Madrid campus and take advantage of additional study abroad programs, global travel seminars, and faculty-led study tours.

STRONG ALUMNI NETWORK

When they graduate, Suffolk students join a proud alumni community of more than 86,000 members who span the globe and are innovators and leaders in their fields. These Suffolk alumni are deeply invested in the success of today’s graduates.

For 116 years, Suffolk University has been transforming lives through its rich learning environment that positions students for professional and personal success. Those who best know the University realize that its success is driven by its dedicated community—the administrators, faculty and staff members, alumni, and students who create an exceptional academic environment.
The academic attire worn during Commencement originated at medieval universities. The long black gown, the basic garment of academic attire, was worn for warmth and to conceal food (and sometimes wine) to be consumed between lectures. The hood—the most colorful raiment—was used as a cowl, an alms sack, or to protect the wearer’s wig from the elements.

The color of the hood trimming signifies the wearer’s academic degree, and the hood lining reflects the official color or colors of the college or university conferring the degree. Here are the colors you’ll see at today’s ceremonies:

- White—Bachelor of Arts
- Yellow—Bachelor of Science or Master of Science in Mental Health Counseling, Mental Health Counseling/MSCJS, Mental Health Counseling/MPA, Crime & Justice Studies, Crime & Justice Studies/MSCJS, Crime & Justice Studies/MPA, Crime & Justice Studies/JD, Medical Dosimetry, Applied Developmental Psychology, or Clinical Psychology
- Copper—Master of Science in Economics
- Crimson—Master of Arts in Communication
- Magenta—Bachelor of Science in Journalism
- Sage Green—Master of Healthcare Administration
- Drab Olive—Bachelor of Science in Business Administration or Master of Business Administration, Executive Master of Business Administration, or Master of Science in Business Analytics, Accounting, Finance, Marketing, or Taxation, or Master in Management and Organizational Leadership
- Dark Blue—Master of Arts in Applied Politics, Applied Politics/MPA, Global Public Policy, or Global Public Policy/MPA, or Master of Science in Ethics & Public Policy, Political Science, or Political Science/MPA
- Peacock Blue—Master of Public Administration
- Light Blue—Master of Education in Administration of Higher Education or Certificate of Disability Services in Higher Education
- Blue/Violet—Master of Arts in Interior Architecture or Graphic Design
- Purple—Juris Doctor

Business students inducted into the Beta Gamma Sigma International Honor Society wear a royal blue satin honor stole outlined in gold with the Beta Gamma Sigma key logo. Public administration students inducted into the Pi Alpha Alpha National Honor Society for Public Affairs and Administration wear blue-and-gold cords.

Other colors and patterns of stoles represent Suffolk University’s veteran population and student leadership and cultural groups.
THE MACE

For each school ceremony, an alumni marshal leads the academic procession carrying a mace. The mace originally was a weapon; its ceremonial descendant confers an air of authority on those leading formal pageants. Student marshals also participate in the academic procession and carry smaller versions of the mace.

THE UNIVERSITY SEAL

The Suffolk University seal features the University motto, *Honestas et Diligentia*, or Honesty and Diligence, and the founding year, 1906. The image comprises a standard and torch flanked by single stars, and Beacon Hill is pictured in the background.
ALUMNI ASSOCIATION WELCOME

Congratulations on your academic achievements and your graduation from the University.

Welcome to the Suffolk University Alumni Association. You are joining a network of more than 86,000 Suffolk graduates who are making extraordinary contributions to the life of Boston, the Commonwealth, the nation, and the world. This is only the beginning of a lifelong relationship with your alma mater.

We invite you to stay connected and show your Suffolk pride!

PLEASE NOTE THIS PROGRAM IS NOT AN OFFICIAL GRADUATION LIST. While every effort is made to ensure accuracy in this Commencement program, printing deadlines may result in the omission of some names and inclusion of names of persons not completing graduation requirements as intended. Academic honors listed in the program are based upon the earned grade point average at the end of the fall term. Final academic honors are calculated upon degree conferral. This printed program, therefore, should not be used to determine a student’s academic or degree status.
