Previously, he served as the chair and CEO of the global financial services firm UBS Americas and the president and COO of UBS Investment Bank.

In November 2022, Wolf was appointed by President Biden to the Pentagon’s Defense Business Board. He also served on the Homeland Security Advisory Council’s Border Infrastructure Task Force. He currently serves on the board of directors of the Obama Foundation, on the alumni board of the Wharton School, and on the leadership council of NYC’s Robin Hood Foundation, and formerly served as vice chair of the Robert F. Kennedy Center for Justice & Human Rights.

Wolf has served as a contributor to Fox News/Fox Business since 2016 and has been named multiple times to Worth Magazine’s 100 Most Powerful People in Finance.

Recessional
Kimberly S. Budd has served as the 38th chief justice of the Massachusetts Supreme Judicial Court since December 2020. She is the first Black woman to hold this position, as well as the youngest chief justice in Massachusetts in more than 100 years.

She was appointed as an associate justice of the Massachusetts Superior Court by Governor Deval Patrick in 2009; in 2016 Governor Charlie Baker nominated her to serve as an associate justice on the Massachusetts Supreme Judicial Court.

Chief Justice Budd started her career as a law clerk to Chief Justice Joseph P. Warner of the Massachusetts Appeals Court. She then worked as a litigation associate at the Mintz law firm, before serving as an assistant US attorney in the US Attorney’s Office for the District of Massachusetts in the major crimes and drug units. She later served as a university attorney for Harvard University in the General Counsel’s Office and as director of the community values program at Harvard Business School.

Chief Justice Budd also teaches in Massachusetts Continuing Legal Education and Bar Association programs, is a former adjunct instructor at New England Law, and has taught trial advocacy at Harvard Law School.

She holds a bachelor’s degree in English from Georgetown University and a law degree from Harvard Law School.

HISTORY OF SUFFOLK UNIVERSITY 1906–2024

From its roots as an evening law school with a handful of students, Suffolk University has evolved into a global institution blending traditional and experiential learning with strong ties to partner organizations and mentors in Boston and beyond.

Creating Opportunity
From its earliest incarnation, Suffolk University has opened doors to students determined to better their lives through education.

Founder Gleason Archer hailed from rural Maine and worked hard to support his law school aspirations. He was fortunate in meeting a benefactor, George Frost, who paid for Archer’s education and asked only that Archer pass his generosity along to others. Archer took this advice to heart and in 1906 began teaching law in his home in the evenings.

Commitment to Diversity and Public Service
Suffolk was a school at the forefront of embracing a diverse student population, with Black, Asian, Native American, and women students finding a home here since its earliest days. Celebrating diversity has always been at Suffolk’s core, making it the rich institution it is today.

The school now known as the College of Arts & Sciences was founded in 1934. Two years later the predecessor to the Sawyer Business School welcomed its first students. That same year all three schools were incorporated as Suffolk University. In time the University expanded from a night-school format to comprise a range of full- and part-time programs.

Suffolk has a long, well-established tradition of public service. Many alumni have been elected to public office at the state, local, and national levels; some began their terms in office while studying at Suffolk. And Suffolk alumni apply their skills to benefit their fellow citizens in nonprofits, the judiciary, and policymaking positions at every level.
SUDDOLK UNIVERSITY MISSION STATEMENT

At Suffolk University we are driven by the power of education, inclusion, and engagement to change lives and positively impact communities. Committed to excellence, we provide students with experiential and transformational learning opportunities that begin in the center of Boston, reach across the globe, and lead to extraordinary outcomes for our graduates.

THE UNIVERSITY TODAY

Building on the promise of its founding, Suffolk University continues to anticipate and respond to the needs of a diverse student body. Through carefully designed curricula, mentoring, networking, and service learning, the University creates opportunities that help students meet their goals.

Students combine classroom studies with experiential learning opportunities and career-shaping internships at influential institutions, and they forge strong, essential connections with professional mentors. Suffolk students benefit from their close proximity to Boston’s top employers, including the key business, healthcare, biotechnology, and start-up industries that define the city. Partnerships with the Museum of African American History, Boston Public Schools, the judiciary, Habitat for Humanity, and many other entities engage faculty members and students in groundbreaking scholarship and community participation. Upon graduation, Suffolk students are well prepared for success.

INTERNATIONAL EDUCATION

The University’s reputation for excellence draws students from across the nation and around the world to its urban campus. Students come from a variety of economic and cultural backgrounds to contribute to and engage in a vibrant campus environment, with programming that enriches not only the academic, but also the social and personal experiences of all students.

In addition, they gain international experience as they study at the University’s Madrid campus and take advantage of additional study abroad programs, global travel seminars, and faculty-led study tours.

STRONG NETWORK OF GRADUATES

When they graduate, Suffolk students join a proud alumni community of more than 89,000 members who span the globe and are innovators and leaders in their fields. These Suffolk alumni are deeply invested in the success of today’s graduates.

For 118 years, Suffolk University has been transforming lives through its rich learning environment that positions students for professional and personal success. Those who best know the University realize that its success is driven by its dedicated community—the administrators, faculty and staff members, alumni, and students who create an exceptional academic environment.
ACADEMIC ATTIRE AND SYMBOLS

The academic attire worn during Commencement originated at medieval universities. The long black gown, the basic garment of academic attire, was worn for warmth and to conceal food (and sometimes wine) to be consumed between lectures. The hood—the most colorful raiment—was used as a cowl, an alms sack, or to protect the wearer’s wig from the elements.

The color of the hood trimming signifies the wearer’s academic degree, and the hood lining reflects the official color or colors of the college or university conferring the degree. Here are the colors you’ll see at today’s ceremonies:

- **White**—Bachelor of Arts
- **Yellow**—Bachelor of Science or Master of Science in Mental Health Counseling, Mental Health Counseling/MSMHC, Mental Health Counseling/MPA, Crime & Justice Studies, Crime & Justice Studies/MSMHC, Crime & Justice Studies/MPA, Crime & Justice Studies/JD, Medical Dosimetry, Applied Developmental Psychology, or Clinical Psychology
- **Copper**—Master of Science in Economics
- **Crimson**—Master of Arts in Communication
- **Magenta**—Bachelor of Science in Journalism
- **Sage Green**—Master of Healthcare Administration
- **Drab Olive**—Bachelor of Science in Business Administration or Master of Business Administration, Executive Master of Business Administration, or Master of Science in Business Analytics, Accounting, Finance, Marketing, or Master in Management and Organizational Leadership
- **Dark Blue**—Master of Arts in Applied Politics, Applied Politics/MPA, Global Public Policy, or Global Public Policy/MPA, or Master of Science in Ethics & Public Policy, Political Science, or Political Science/MPA
- **Peacock Blue**—Master of Public Administration
- **Light Blue**—Master of Education in Administration of Higher Education or Certificate of Disability Services in Higher Education
- **Blue/Violet**—Master of Arts in Interior Architecture or Graphic Design
- **Purple**—Juris Doctor

Business students inducted into the Beta Gamma Sigma International Honor Society wear a royal blue satin honor stole outlined in gold with the Beta Gamma Sigma key logo. Public administration students inducted into the Pi Alpha Alpha National Honor Society for Public Affairs and Administration wear blue-and-gold cords.

Other colors and patterns of stoles represent Suffolk University’s veteran population and student leadership and cultural groups.

THE MACE

For each school ceremony, an alumni marshal leads the academic procession carrying a mace. The mace originally was a weapon; its ceremonial descendant confers an air of authority on those leading formal pageants. Student marshals also participate in the academic procession and carry smaller versions of the mace.

THE UNIVERSITY SEAL

The Suffolk University seal features the University motto, Honestas et Diligentia, or Honesty and Diligence, and the founding year, 1906. The image comprises a standard and torch flanked by single stars, and Beacon Hill is pictured in the background.
