Four Major Airlines Accused Of Job Bias

New York--The State Commission Against Discrimination is investigating complaints that major airlines operating in and out of the city no longer refused to hire qualified Negro applicants for jobs.

Commissioner Nicholas J. Pinto indicated yesterday that the inquiry is being made into the hiring policies and practices of four airline companies against which a large number of personal complaints have been made. These airlines are Pan American World Airways, Trans World Airlines, American Airlines, and United Airlines.

Charles A. Abrams, the commission chairman, discussed a general study of the hiring procedures for eight airlines to determine whether they followed a "set" policy of excluding Negro employees.

Mr. Pinto's investigation will center on complaints by ten Negro applicants that employment was denied them in the following categories: steward, stewardess, police, co-pilot, and engineer.

Peoples Baptist Church celebrates 20th Anniversary

The congregation of Peoples Baptist Church is celebrating its 20th anniversary this Sunday. The church was founded in 1936 with a small group of believers who had a vision for a church that would reach out to the community with a message of love and redemption. Over the years, the church has grown to become a vibrant community of faith, serving not only its congregation but also the larger community around it. The anniversary celebration will include a special service, a look back at the history of the church, and an opportunity for members and guests to reflect on the impact that Peoples Baptist Church has made in the lives of those it has served over the past two decades.

Parked Moving van annos Pastor

A moving van parked in front of the church this morning surprised Father John O'Connor, pastor of St. Mary's Church. The van was filled with boxes and appeared to be loaded with furniture and other household items. Father O'Connor was initially concerned that the van might be causing a traffic hazard, but upon further investigation, he discovered that it was indeed a moving van. The driver of the van explained that they were in the process of moving into a new home and had stopped to rest for a moment. Father O'Connor invited the driver to come inside and have a cup of coffee, and the driver gratefully accepted.
