Congressman Diggs In African Confab

FOR DISTINGUISHED SERVICE TO HUMANITY

Gold Medal Award—Recipients of the 1956 Gold Medal award for the Institute of Social Science, honored President John F. Kennedy, on the occasion of his second visit to the United States. President Kennedy was accompanied by his wife, Jacqueline, and their son, John Jr.

Michigan Negro Congressman Charles H. Diggs, Jr., is now attending the All-African People's Conference as an observer for the United States Government.

The historic meeting has drawn delegations from Morocco, Tunisia, Liberia, Libya, Sudan, Ethiopia, and the United Arab Republic, and it is being held now in Accra, Ghana, from December 5 to 12.

The purpose of the conference, according to Ghana's President Kwame Nkrumah, is to explore some sort of blueprint which will serve as a guide for the struggle for independence in the dependent territories of Africa.

This was the second trip to Ghana for Congressman Diggs, who was a member of the official United States delegation at the Young African Republic's First Independence Celebration in March of 1957.

NEW HOUSING LAWS Sought

With pledges of bi-partisan support, a move is underway to extend Bay State laws against discrimination in housing, which were launched in the 1955 session of the state legislature.

Lawrence W. Wallace, president of the New England Regional American Jewish Congress, noted that, in its recently issued report, the Congress of Racial Equality and American Civil Rights legislation are on the agenda.

In the wake of the recent integration of housing in the Commonwealth, the General Assembly is expected to convene in March.

The last time the Assembly met was in April 1954.

Christian Science Service

The fact that God's care is ever present and ever available will be brought out in the Lesson ser-

essions entitled "God the Preserver of Man" at Christian Science services Sunday.

Proof of this divine protection is emphasized in the Scriptural account of Elijah's deliver-

ance in the wilderness (1 Kings 19).

Passage from "Science and Health with Key to the Scriptur-

al Parables" by Mary Baker Eddy, in-

clude this, (34:4-8): "The divine Love, which made harmless the poisonous gibe, which delivered men from scolding oil, from the fury of the storm, from the laws of the lion, can heal the sick in every age and triumph over sin and death." The Golden text is from Psalms (89:11). "He shall give his an-

gels charge over thee, to keep thee in all thy ways."

We suggest a testimonial for these Quaker friends.
