United Nations

By Samuel P. Petry.

Marian Anderson spoke behind and from her heart this week as member of the U. S. delegation to the United Nations.

Miss Anderson, noted contralto, was representing the U. S. at the meeting of the Fourth (Trusteeship) Committee of the UN General Assembly.

The issue before the committee was the political fate of Africans in the British-Administered British and the French Cameroons. In the light of the political developments of the African continent, delegates of Asian, African, and Latin American countries voted against postponement of a discussion.

However, the U. S. Delegation reportedly had instructions to vote against such resolutions and postpone further discussion until February 1959. (No reason for the instructions have yet been given by U. S. diplomatic sources.)

Miss Anderson followed the instructions and voted against the resolutions. However, in view of private protests registered with her by other delegates, Miss Anderson interpolated her formal speech with the words: "There is no one in this room who is more interested in the people whose lives we are trying to determine

CHRISTIAN SCIENCE SERVICE

The imperative need for spiritual alertness as our defense from evil will be stressed in Christian Science services Sunday.

Bible readings in the Lesson-Sermon entitled "Ancient and Modern Necromancy, also Mesmerism and Hypnotism," De-nounced" will include the following from James (1:5, 8, 12):

"My brethren, count it all joy when ye fall into divers temptations; Knowing this, that the trying of your faith worketh patience. . . . Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him."

A correlative passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, declares: "Christians must take up arms against error at home and abroad. They must grapple with sin in themselves and in others, and continue this warfare until they have finished their course. If they keep the faith, they will have the crown of rejoicing" (29:1).

BIG SISTER ASSOCIATION

The Young Adult Department of the Massachusetts State Women's Club, Inc. met at the home of Miss Bernetha Floyd Monday evening where they had a guest speaker, Miss Alice B. Miffin, Executive Director of the Big Sister Association of Greater Boston. She spoke on what the P. E. Sister Association is and the need for Big Sisters.

The Big Sister Organization started in 1950 when a small group of women from Cambridge and Boston united with the idea of giving friendship to young girls who needed it. These young girls, who are below 18, older ones, are considered Little Sisters.

This group was incorporated in 1951, and offices are located at 72 Tremont Street, Boston, with a professional staff. The organization relies on the generosity of thoughtful civic-minded citizens to provide the working capital for this project.

Mrs. Judy Mezzaf, a member of the staff of the Big Sister Association, was present and told about the organization and some experiences relating to it. Mrs. Barbara Harris, who is a Big Sister, very enthusiastically talked about her role as a Big Sister and what fun and happiness she and her little sister got in doing things together.

Anyone who would like to be a Big Sister and is 21 years of age or over, may contact Miss Miffin at 73 Tremont Street or telephone LA 3-6426.

Edward Bennett Williams, a noted Washington lawyer and champion of civil liberties, will be the featured speaker at the Ford Hall Forum Sunday evening, November 30, in Jordan Hall. Atty. Williams will discuss "The Supreme Court Under Fire and American Civil Liberties: An Inventory for 1958." Judge Bushen L. Lurie will moderate the program beginning at 8:00 p. m.

His interest in principles involved in civil liberties causes has led Mr. Williams to defend such differing personalities as the late Senator McCarthy, Frank Costello, James R. Hoffa, and Aldo L. Leard whom he defended on grounds that he had been abused by a Congressional Committee.

Deeds open at 7:45 p. m., and the public is cordially invited.

Norman Cousins, editor of the "Saturday Review," will open the December program with a lecture on December 7. He will discuss "The War Against Man" as the George W. Coleman Memorial Lecture in honor of the Forum's founder.

MEL TOON PACES MEMORIAL TO WIN IN FINAL GAME

With Roxbury Memorial's athletic forces weakened by the absence of sophomore and freshman strength, halfback Mel Toon scampered for a pair of touchdowns to lead the Greenies to a 20-8 victory over Dorchester, marking their first triumph of the season. It was Memorial's final football game.

Due to relocating in the school system Memorial's doors will close for good in June of next year and as a result their team was comprised of juniors and seniors only. With no strength in reserves they have gone luckless in all encounters until meeting Dorchester.

Fredericks Scores

Quarterback Ken McKinnon's pitching shared the highlight with Toon's chases. In the second period McKinnon went to the air during a 77 yard drive which was climaxed by Charlie Fredericks' three yard buck for the first score.

Toon, who has been among the leading City League scorers despite the previously winless mark of his team, became McKinnon's target in the third stanza to advance the ball deep into Dorchester territory. The speedster dashed for six yards and the second score then followed with a plunge for a two point conversion.

Tom Sweeps End

In the final period he reeled off 16 yards afoot and to wrap up the Greenies' scoring before Dorchester finally broke the ice in their own behalf.

In the second of a double header, Boston Trade, who began to taste the fruits of victory following a poor first portion of their slate, took advantage of injury-ridden Tech to register a 25-8 win.

Fresh Faces Trade

Freshman Otis Coleman did a lot of legging for Trade, going 53 yards for a tally and setting up quarterback Bob Caporale's score with a 21 yard scamper. Caporale scored twice and George Blissett tallied once to put Trade out in front. Tech's West Wallace ticked in a pass for a 16 yard touchdown play for the losers' only score.

BRANDEIS MEETS SUFFOLK FIVE IN HOOP OPENER

Brandeis University's varsity basketball squad, now under tutelage of 21 year old Rudy Fiedorow, last year's star who is presently the youngest collegiate varsity coach in the nation, opens its 19 game slate against Suffolk University on December 3.

Among veteran players returning to take part in the schedule which will feature ten home games is Bob Fowler, who has overcome the handicap of a back injury by use of a special corset. A junior, Fowler will be vying for starting slot at center.

SIDE GLANCES

By Vin Hayes

By the time this hits the street the English - Latin Thanksgiving classic will be over but one thing is certain it will have been a tremendous game. Rounding out glish, particularly, because their schedules before Thursday's meeting, both teams roared. En route Dorchester 36-0. On the other hand, Latin came from behind to tip Tech 22-18. And the Purple left their mark because Tech's key stars wound up on the injured list.

Link Chandler, who has been sharing a lot of the limelight with the other halfback of the starting squad, Dick Arvidson, turned in the thriller, when he launched 74 yards to score on a punt return.

Fellows Dad

A touch of history, father and son type, that is, came about with the final game for Memorial last Tuesday. Nearly thirty years ago Harold Hector, Sr., captained the first Roxbury Memorial football team. In Memorial's final grid appearance, Harold, Jr., captained the football squad.

Celts High

Have you noticed how post basketball scoring has soared? Well, statistician Allen Roth reveals in the current issue of SPORT Magazine that all teams in the '57-'58 season averaged over 100 points per game for the first time in the league's 12 year history.

The Boston Celtics who set the old record for team scoring at 109.9 in '55-'56 was second last shattered the former Boston mark season with 109.1. New York 112.1.

Women In Bowling

By Harriette Harkins

The second place Melvins and Pins put on one of the most exciting exhibitions of her current season. The first string ended in a tie and from then on the scores were so close that it was anybody's game right up until the last ball was bowled. Both teams went on the theory that all is not lost until then. Marion Walters was the gun for the Pins. It was mainly because of her fine bowling that the Pins were able to get a split.

A few seasons ago, one would express surprise if the Wores lost two points to a team who didn't have a chance. "Then days is a gone forever." No one with an ounce of grey matter goes in a match these days with the foolish notion that they are going to have a snap. The Wores had their hands full with those battling Braves and had all they could do to take a split decision. All other teams should take heed. The Braves are out for scalp.

The Comets, an up and coming and much improved quintet, lost 4 to the Flashees but they were magnificent in defeat. They lost the first by 24 pins; the second by only 6 and tied the third to give their opponents an anxious moment or two until they were let the roll off. The Flashees are striving for every point to put them back on top. They have climbed steadily and are but one point from second and three from first place.

The Arrows took all 4 points after being in a slump too long, to elevate them from seventh to fifth place. Mary Nelson, Gennell Bennett, Louise Stokes, Pearl Little and Joyce Trill will take on the Fletcher Five at the State Alleys next Sunday afternoon. Be sure to come out at 2 o'clock. Your comment will be welcome.

The annual scholarship was founded in memory of the late Executive Secretary of the NAACP, an alumnus of the university.

NEW ORLEANS — Now is the time to "begin preparing for 1960," Clarence Mitchell, director of the NAACP Washington bureau, declared recently in an address at a crusade for voters meeting here. The NAACP spokesman analyzed the results of the election and warned that "you cannot wait until mid 1959 or the spring of 1960 to get citizens registered to vote."
