$6.4m financial aid appeal denied by fed. government

By Joe Barron

The university's appeal to the federal government for $6.4 million in financial aid for its students was denied. The university had argued that it was entitled to the funds because of its low-income student population.

Mail-in voting was supposed to be a fast and efficient way for voters to cast their ballots, but many were faced with long wait times and confusion over how to submit their ballots.

The season officially started on Tuesday, October 16, but the date was not
officially the beginning of basketball season. On that day, the Suffolk women's
basketball team squared off against the Old Dominion University women's
team. The game itself was far from the level of play seen in the final game of the
tournament at the World College Invitational Tournament. Suffolk lost 91-39,
reflecting clearly the level of play among the teams.

Rams' Remblings

Greek tragedy compelling epic

MOVIES

By: Mike Williams

First-yearilmington Tarlton, Pappi longs to play beyond Cape Cod and gives up his music to Prospects for Music Scholarship

The first-year Tufts student in 1967 put on a show that was anything but a performance. The show was the student's attempt to produce a musical, which was a sweeping look at the history of Greek tragedy. The show was so successful that it was put on again in 1968. The show was titled "The Greek Tragedy," and it was about the life of a young Greek man who falls in love with another man and is forced to choose between his love and his country.

Southern rock: concert vs. record

RECORDS

By: Frank Lowe

Southern rock group, Blackwater, recently released its first album, which is a combination of live music and studio recordings. The album is called "Blackwater," and it features songs that were recorded in the studio and at a concert in the town of Blackwater. The album is produced by the group's lead singer, who also wrote the songs. The album was released in 1967, and it was successful in both the concert and studio market.
