Program Council off prophecy

Bonnie Bell race: ‘Just Swell’

By Lisa Comer

With 700 women in camp and the Columbia Mentor at the top of the heap, each team had its chance to impress. But this year’s race had more than just the usual excitement. It was also a chance for the students to impress the Program Council about their support for the event.

The race was held on the track at the university, and each team had to finish before the next team could start. The teams were divided into four groups, and each group had to run three laps. The first group started at 10 a.m., and the last group started at 2 p.m.

The race was won by the Columbia team, with Columbia Mentor in second place and the Program Council in third.

Parking problems continue for students

By Mrs. VT Date

The state of the art of the new department store at the Suffolk University, the only new department store at the area, has been improved. The store is now open, and the renovation will be completed by the end of this month.

Parking problems continue for students because of the new store and the market. The new store is located right next to the Suffolk University and the market.

The Suffolk University parking lot was closed for renovation. The new store is located right next to the Suffolk University parking lot.

Oktobefest '82 - a touch of Germany

By Joelle Mattezzato

What a fun tradition! Germany's favorite holiday. Oktoberfest, the official Bavarian beer festival. And this year, the festival comes to America.

The festival takes place in various locations across the United States, including Boston. The festival features traditional Bavarian food, music, and of course, beer.

The festival is a great way to experience German culture and try some of the delicious food and drink that the country is famous for. So if you're a fan of Oktoberfest, be sure to check out the festivities in Boston this year.

Wilson sisters rock with ‘Heart’

by Karen Conroy

The Wilson sisters continue to please the audience with their latest release, ‘Heart’. Their harmonies and melodies are as beautiful as ever, and their songs are filled with emotion and meaning. The cover of the album is black and white, with the sister’s faces looking out from it, giving it a classic and timeless look. The album opens with the title track, ‘Heart’, which sets the mood for the rest of the album. The sisters’ voices blend perfectly, creating a beautiful sound that is both soothing and uplifting.

‘Heart’ is an album that is sure to please fans of the Wilson sisters and anyone who appreciates good music. It is a testament to their talent and their ability to connect with their audience. The album is available now, and we highly recommend that you give it a listen.

Album Review

by Jeff Scott

It should be said that Bethany Wilson’s voice has never sounded better. Her range is vast, and her delivery is spot on. She has a quality that is truly unique, and it is one that shines through in every song on the album.

The album opens with a cover of Stevie Wonder’s “Superstition,” which is a great way to get the audience engaged. The sisters then move on to their own material, and it is here that they really shine. Their harmonies are impeccable, and their songs are filled with emotion.

‘Heart’ is a fantastic album that is sure to please fans of the Wilson sisters and anyone who appreciates good music. It is a testament to their talent and their ability to connect with their audience. The album is available now, and we highly recommend that you give it a listen.

‘Split Image’ presents a clear view of cults

by Jeff Scott

This is a difficult topic to write about, but it is one that needs to be discussed. Cults can be a dangerous and destructive force, and it is important to understand their nature and their impact.

Cults are groups that are formed around a common belief or idea. They are often led by a charismatic leader who uses manipulation and intimidation to control their followers. Cults can be found in all parts of the world, and they can be found in all walks of life.

The book ‘Split Image’ is a fantastic read that is sure to give you a clear view of cults. The author, Jeff Scott, is a journalist who has written extensively about cults, and his knowledge is evident throughout the book.

The book is well-written and easy to read, and it is a great way to learn about the world of cults. It is a book that you will want to read, and we highly recommend it.
McHoul going strong

Catchphrasing position is crowded

The Ramasket team proved to be its best this season by capturing right wing Bob McHoul for a second straight year. McHoul scored 12 goals and added 8 assists to lead the Rams in scoring. The Rams are off to a good start in the 1982-83 season, and McHoul is expected to continue his scoring streak.

Soccer team wins first

The Suffolk University soccer team won its first game of the season against the Curry College Panthers by a 2-0 margin. The match was played at the Suffolk University Soccer Stadium in Boston. The win was the first for the Rams this season.
