**ROTC cadet wants out**

Suffolk ROTC Program Director Captain Joseph Paddock said Matt Atwood, the Army ROTC cadet, wants out. Atwood joined the program in 1979 and was commissioned in 1981. He said he wanted to leave the program because the Army ROTC program was not as challenging as he thought it would be. Paddock said he understood Atwood's decision and wished him well in his future endeavors.

WSUB back in style

The WSUB news team works hard to bring you the latest and most accurate information about your campus. They are committed to providing you with up-to-date information on all aspects of college life. If you have any questions or concerns, please feel free to contact them.

If you have a news scoop or an idea for any department, come down to the Journal (RL19) and share it with Suffolk's leading paper.

As for now

The VCR question

by John Abdus

I, as a consumer of VCR's, would like to see the availability of VCR's increased. This would allow more people to enjoy the benefits of having their own VCR. In addition, it would help to reduce the amount of VCR related dust in our homes.

‘Frances’ is memorable

by Mark O’Connor

When the Rolling Stones’ 1981 tour of America was dubbed "The United States of America," the tour was far from just another tour. It was a tour that defined the band’s sound and reputation, and it was a tour that was loaded with hits and classics that have become some of the most iconic songs in rock history. The tour was a huge commercial success, grossing over $100 million in ticket sales and setting records for attendance and profitability. The tour was also a critical success, receiving glowing reviews from fans and critics alike. The Stones’ iconic status and their ability to deliver a high-energy live performance were on full display, and the tour was a testament to their enduring popularity and influence in the world of rock music. The Rolling Stones’ 1981 tour was a momentous event in the history of rock and roll, and it remains a shining example of what can be achieved through hard work, dedication, and a commitment to excellence. The Stones’ legacy is secure, and their influence continues to be felt in the world of music to this very day.
