Canada's Bear of Beers is here!

Down from the North Woods of Canada comes Grizzly Beer. Not just another Canadian beer, but a rare breed of brew. An authentic Canadian lager—naturally aged, so it's remarkably smooth. With a flavor no other Canadian beer can stand up to. The bear of beers is here!

SUGGESTS SGA serves students

Letters to the editor must be typed and in RL 19 by Monday at noon for publication in that week's issue.

THE DRINKING AGE IS GOING UP!!
YOU CAN HELP STOP IT!

1. Encourage the Legislature to toughen penalties for drunk driving and illegal drinking. Also stricter enforcement of existing laws.

2. Remind Senators that surrounding states have lower drinking ages which may encourage students to leave Massachusetts to drink and have to drive home back to Massachusetts.

3. Encourage the Legislature to emphasize an educational program for high school students alerting them to the dangers of driving while under the influence.

4. Remind Senators that anyone who wants liquor will find a way to get it, and if they can't drink legally in a bar or their home, they may use a car as an alternative.

5. Let the Legislature know how your university will be affected if the drinking age is increased.
