Caporale defeats Pasquarrello for SGA President

By Michael Coakley

Junior City Assemblyman George Caporale was elected president of the Student Government Association (SGA) in a close race on Tuesday of this week. Caporale defeated Junior Class President Edward Pasquarrello, 226-220.

In his brief inaugural speech, Caporale raised the question of whether he would make him an ideal president. The new president is not a South Shore native, but does have a background in political action.

I feel that the SGA president needs to be chosen on both I desire to continue the SGA tradition of advising students, and I will be one part that is dedicated to advising students.

In his speech, Pasquarrello said the need for the SGA students charter to be kept good. He also said that the SGA needs to be kept good, as well as keeping the SGA members.

In the end, Caporale had the support of two high and low student body members.

The results of the SGA president election were:

Caporale - 226
Pasquarrello - 220

Program Council party bumped by Collins

By Sandra Miller

Program Council was preparing to host a spring party on April 15th when it was canceled by the Student Government Association (SGA). The event was scheduled to take place at the Pier on March 16th.

According to SGA President George Caporale, the party was canceled due to the lack of a permit and a lack of funds. The SGA is preparing a spring party that will be held on April 15th at the Pier.

The SGA has scheduled the party for April 15th at the Pier and has set up a committee to handle the event. The committee is made up of members from the SGA and the Program Council.

In the end, Collins had the support of two high and low student body members.

Oodles.

In the team hall, the slogan "Oodles" is displayed, symbolizing the spirit of unity and camaraderie expected from the student body. The presence of "Oodles" in the hall serves as a reminder of the collective effort required to achieve success.

IF YOU NEED MONEY FOR SCHOOL, SEND FOR H.E.L.P.
HELP is the Higher Education Loan Plan available from Patriot Bank. Extremely low interest loans that you don't have to start paying back until after you've finished school—and could take up to 10 years to repay. (Even as low as $30 a month.) If you're a college or grad school student whose family resides in Massachusetts, you could qualify for up to $2,500 or $5,000 respectively. And families of any income bracket are potentially eligible. It's certainly worth a 25¢ stamp to find out.
