Judge calls temporary halt to rule linking draft, financial aid

By Julie Carlin

The U.S. District Court has issued a temporary restraining order to halt the implementation of a rule that would have linked eligibility for financial aid with the question of military service. The ruling was issued after the court heard evidence that the rule was discriminatory and violated constitutional rights.

Friday the 13th predictable but entertaining

HALF OF THE NIGHTLY program of the Awful Awfuls, the house band for 1979, consisted of a single guitarist playing the same song over and over again. The guitarist was the only member of the band who was not suffering from an alcoholic or drug problem. The others were temporarily hospitalized. A grinning, laughing, smoking guitar would be their lifelong companion. The Awful Awfuls, a local rock band, played their last show at the Paradise Lanes bowling alley in Allston last Saturday night. The last show was taped for an upcoming record release.

The Awful Awfuls are a local band that has been playing together for about three years. They came together after a series of personnel changes in other local bands.

The Awful Awfuls' music is a mixture of rock, folk, and country. They are known for their humorous lyrics and silly stage antics. Their most recent album, "The Awful Awfuls: The Best of 1979," was released last month.

Golfers are subpar again

By Paul Doncaser

The United States Golf Association National Junior Golf Championship, held at Redwood Park in Danvers, Mass., attracted some of the country's top junior golfers last week. The event was open to golfers aged 18 and under, and featured participants from all over the United States.

Among the participants were several players from the Greater Boston area, including two members of the Danvers High School golf team. Peter Doncaser, one of the team's captains, was one of the players who competed in the tournament. He was pleased with his performance, saying, "I'm satisfied with my score, but I wasn't expecting to do too well. It's always hard to compete against the best in the country, but I'll be back next year to try again."
