March of Dimes rep addresses SGA

What do you think about the possibility of another four years of Ronald Reagan?

Poll and pictures by Karen Mulroy

The following article is a paid advertisement from the Student Government Association. Its function is to help us keep you informed of the issues facing Suffolk students, such as financial aid cutbacks, the Ridge Way expansion project, and future student unity. For the rest of the semester, this space will feature a combination of editorials and news. We hope to generate controversy and discussion because that will bring forth new ideas. Most of all, we hope this S.G.A. addition will motivate you to become involved in the Suffolk student movement.

The Suffolk Student Movement is one issue that the S.G.A. has attempted to publicize recently. We have attempted to generate a feeling of oneness between all the student groups. We feel we are successful thus far since relations between the S.G.A., Program Council, and the Council of Presidents has never been better. A recent example was the Fall Concert which was co-sponsored by S.G.A. and the Program Council and was a great success in many ways, especially in bringing the two groups together.

The S.G.A. is faced with the problems of reaching a commuting student body, thus we are constantly searching for new sources to keep you informed. This section will be reserved weekly to do just that. To reach you and keep you informed while giving you a say in university issues. Stay tuned with S.G.A. for bigger and better things.

PMS: A nightmare experience for some women

By Karla Burger

Women suffer a variety of symptoms that are often labelled PMS, but what does PMS really mean and what can be done about it? Can this phenomenon be curbed or is it a time to simply suffer through? These questions have been on the minds of many women and they are trying to find out what they can do about it.

Many women have experienced different symptoms that have been linked to PMS, such as bloating, chest pain, mood swings, and irritability. These symptoms can be relieved by taking certain medications or by seeking professional help. However, there are also some women who have experienced severe symptoms that have been linked to PMS, such as mood swings, depression, and anxiety. These symptoms can be relieved by taking certain medications or by seeking professional help.

In this issue, we will explore some of the different symptoms that are often linked to PMS and the options that are available for dealing with these symptoms. We will also look at some of the latest research on PMS and what is being done to understand this phenomenon better.

Is there life after a morning on the T?

By Karla Burger

There is a lot of speculation and debate about the potential of life after a morning on the T. Some people believe that there is no life after a morning on the T, while others believe that there is. Some people believe that there is life after a morning on the T because they have seen a lot of people who have been on the T for a long time, while others believe that there is no life after a morning on the T because they have seen a lot of people who have been on the T for a long time and have not seen any sign of life after a morning on the T.

In this issue, we will explore some of the different beliefs about the potential of life after a morning on the T and the evidence that supports these beliefs.

**Riding Home from War**

by Ruth Orman

Huey Lewis is known for the snarky, backhanded casualness of his songs. But on "Riding Home from War," his lyrics are far from casual. Lewis addresses the brutal reality of war in a way that is poignant and thought-provoking. The song's title is a metaphor for the way war can leave a lasting impact on those who experience it.

Hamilton, Piracini net two each for icemen

by Robert Olds

Icemen forward Tom Hamilton and centre Ted Piracini each scored twice in Hamilton’s 16-2 win over Metropolitan. 

Less than a minute into the game, Hamilton drew first blood when centre Ted Piracini beat Metropolitan goalie Paul Hutchinson to score on a breakaway. Piracini’s goal was unassisted, and the Icemen had the lead for good.

Almost four minutes later, forward Tom Hamilton gave the Icemen a 2-0 lead when he took a pass from centre John Rackley and beat Paul Hutchinson with a low shot.

The Icemen continued to dominate and dashed the Icemen hopes of a comeback in the second period with three more goals. 

Derek Winter, Dan Smale and Bill McLin each scored for Hamilton. Winter and McLin were assists from centre John Rackley.

The third period was all Hamilton as they scored four goals to put the game out of reach for Metropolitan. 

Goals were scored by forward Paul Smith, centre Ted Piracini, and forwards Dan Smale and Derek Winter.

Hamiltom goalie John Shier made 22 saves to help his team improve to 12-7-1 on the season.

ALL PRO SPORTS

by Bob Germain

The Rams lost their first game of the season to Bates, 78-71, at the YMCA in Cambridge.

The Rams were led by guard Rich Nelson, who scored 21 points. Nelson also had six rebounds and four assists. 

Forward James McGee led the Rams in rebounding with 11. He also had six points and two assists.

Forward Billy Parker had a double-double with 12 points and 10 rebounds. He also had two assists.

The Rams opened the game with a 10-0 run, but Bates soon regained the lead. 

The game was tight for the first half, with Bates leading 37-32 at halftime.

In the second half, Bates pulled away with a 26-17 run to take a 63-49 lead. 

The Rams were unable to come back and lost by 17 points.

Rams head coach Frank Feeney said, "We had a lot of opportunities to make plays, but we didn't take advantage of them. We need to be more aggressive and take better shots." 

The Rams will look to rebound in their next game against Williams College on Friday.

Hoop fans, now it's your turn

by Paul Varcaro

The Icemen are the winners of the game, with Ted Piracini scoring two goals and Tom Hamilton scoring one goal.

The game was a close one, with the teams trading goals throughout. 

The Icemen had a 12-10 lead after the first period, but Bates came back in the second to tie the game at 22-22.

In the third period, the Icemen regained the lead and held on for the win.

Piracini was the Icemen’s leading scorer with two goals, while Hamilton scored the other goal.

The Icemen are now 13-5-1 on the season, while Bates is 16-4-1.

The Icemen will look to keep their momentum going as they prepare for their next game against Metropolitan on Saturday.
The existing Ridgeway building which Suffolk hopes to replace with a larger structure will be torn down this March. Four new buildings will be erected at an estimated cost of $7.5 million. Suffolk University has purchased the property and will be responsible for the construction. The campus will have a new student center, a library, a science building, and a hall for performing arts. Suffolk University has already begun raising funds for the project, and the university is optimistic about the outcome. The new buildings will be designed to fit the university's needs and will provide a more modern and functional campus.
