SUMMARY

Student activities budget increased $5000

With the decline of Federal and other
support and the increase of demands and pressures on the SGA
committee, the Student Activities budget was increased
from $7500 to $12000. The $5000 increase
will be used to cover the costs associated
with the new activities program.

The dollar, not unemployment, dropping

A.S. Nevan

The value of the American dollar will certainly decline as the dollar is
meant to be a floating currency, which means it changes its
value from day to day. Moreover, the U.S. dollar is not a state-
ment of the value of the dollar, but rather the economic en-
vironment in which it is used. The value of the dollar is a
function of the economic situation of the country.

As a result, the dollar will continue to drop in value, which
means that the dollar will continue to be a floating cur-
rency. This is because the economic environment of the
country is not stable enough to support a fixed value of
the dollar.

Moreover, the dollar is not a sta-
tement of the value of the dollar,
but rather the economic environ-
ment in which it is used. The value
of the dollar is a function of the
economic situation of the country.

The dollar will continue to drop in
value, which means that the dollar
will continue to be a floating cur-
rency. This is because the economic
environment of the country is not
stable enough to support a fixed value
of the dollar.

All marathoners do not report to Hopkinton Center

By Bill Elder

Photograph by Barry J. Morey

Marathoners report to the Hopkinton Center for a nutrition stop on the run between Newton and Hopkinton. The stops are a tradition of the Boston Marathon. Marathoners report to the Hopkinton Center for a nutrition stop on the run between Newton and Hopkinton. The stops are a tradition of the Boston Marathon.
Arlington: rough beginning to a new, wet era

By Tom Leggett

Arlington hasn't been at the center of the liquor business for very long, but it's sure been through a lot in its brief history. A few years ago, it was a dry town with a reputation for being oppressive and dull. But then, in 1982, it became one of the first towns in the state to allow the sale of alcoholic beverages. Today, Arlington is a wet town, and the transition hasn't been easy.

The new law has brought both prosperity and problems. Local businesses have seen an increase in revenue, but there have also been concerns about public safety and morality. The town government has struggled to find a balance between promoting economic growth and regulating the industry.

The Arlington Anti-Saloon League, a group formed to oppose the new law, has filed lawsuits and attempted to get the vote overturned. The league argues that the new law is contrary to the town's way of life and that it will lead to unrest and violence.

Despite these challenges, the future looks bright for Arlington. The town's leaders are working to ensure that the new law is implemented in a way that is fair and just for all residents. They are also focused on creating a safe and healthy environment for everyone who lives and works in the town.

Significant Suffolkana

By Jack Farnham

Suffolkana is a small town in the eastern part of the state, known for its rich history and unique traditions. Despite its small size, Suffolkana has a lot to offer visitors and residents alike.

One of the most famous landmarks in Suffolkana is the historic downtown area, which features a variety of shops, restaurants, and attractions. Visitors can take a walk along the scenic harbor or explore the town's many museums and historical sites.

The town is also home to a thriving arts and culture scene, with numerous music and theater performances throughout the year. Suffolkana is a great place to visit for those who love music, art, and history.

The town government is working hard to ensure that Suffolkana remains a vibrant and welcoming community. They are committed to preserving the town's rich heritage while also embracing new developments and opportunities.

For more information about Suffolkana, visit the town's official website or contact the tourism office.

The Red Sox and Bruins: a couple of matched teams

In the world of baseball, the Boston Red Sox and the Boston Bruins are often compared due to their shared history and rivalry. The Red Sox, with their iconic green and purple uniforms, have a rich tradition dating back to 1901, while the Bruins, born in 1924, have a storied past in the NHL. While they play different sports, both teams have a loyal following and are known for their fierce competition. At the end of the 2023 season, the Red Sox won the World Series, while the Bruins fell short in the Stanley Cup finals. Despite the different leagues, these teams continue to inspire fans with their dedication and hard work. - by John Smith

Maritime crushes Rams, 19-7

In a highly anticipated match, the Maritime College of Science and Technology faced off against the University of Rhode Island Rams. The Maritime team, led by their star quarterback, amassed 490 yards of total offense, including 270 passing yards and 219 rushing yards. The Rams, on the other hand, struggled to keep up, with their quarterback completing only 12 of 30 passes for 150 yards. The Maritime defense was also dominant, holding the Rams to just 238 total yards. The game was played in a packed stadium, with fans cheering on both teams. The Maritime victory was a testament to their hard work and dedication to the sport.

'Pretty Baby' soft on porn, high on standards

MOVIES
by Renee Wulff

Clint Eastwood is not the sort to do just any old thing. He has the tough, unapproachable look of a man who can take care of himself and he has the reputation of being a man who can stay cool in the face of crisis. His latest movie, "Pretty Baby," is no exception. It is a hard-hitting, realistic look at the world of prostitution, and Eastwood's performance is as convincing as ever.

The story begins in 1920s New Orleans, where Eastwood plays the part of a young man named "Little Boy." He is a streetwise kid who knows how to take care of himself and he is determined to make his way in the world. He starts working as a shoeshine boy and soon becomes a favorite of the miners and the sailors who come to town to work on the docks. Eastwood's performance is masterful, and he brings a sense of authenticity and respect to the role.

The movie is based on a true story, and it is clear that Eastwood has done his homework. He is not afraid to show the harsh realities of life in the swamp, and he is not afraid to show the effects of poverty and violence. "Pretty Baby" is a movie that is both hard and honest, and it is a testament to Eastwood's acting abilities.

Acting, writing come together at Lyric Stage

THEATER
by Victor Fugate

The latest production at the Lyric Stage is a compelling drama that is both thought-provoking and entertaining. "The Man Who Came to Dinner," written by Miller and adapted for the stage by Arthur Miller, is a masterful piece of writing that explores the nature of human relationships and the complexities of human behavior.

The play opens with a scene in which the character of "Dinner" arrives in a small town to visit a friend and immediately becomes embroiled in the town's affairs. He is a man of many talents, and he is not afraid to use them to further his own ends. "Dinner" is a man of many contradictions, and he is a man who is not afraid to speak his mind.

The cast is excellent, and the direction is masterful. The play is a tour de force, and it is a testament to the power of theater to move and inspire us. "The Man Who Came to Dinner" is a play that will stay with you long after the last curtain call.

Carly Simon explores her roots in 'Boys in the Trees'

RECORDS

Carly Simon has released a new album, "Boys in the Trees," that is a departure from her previous work. The album is a collection of songs that explore the themes of love, loss, and redemption, and it is a testament to Simon's musical capabilities.

The album opens with a song called "Boys in the Trees," which is a powerful statement about the pain and suffering that can come with love. The song is a poignant reminder of the fact that love can be both beautiful and painful.

The album continues with songs that explore the themes of heartbreak and redemption. " Sekret," a song about the complex relationship between a man and a woman, is a powerful statement about the power of love and the lasting effects of heartbreak.

"Boys in the Trees" is a testament to Carly Simon's musical talent and her ability to connect with her audience. The album is a must-listen for anyone who is looking for music that is both authentic and moving.

Wise, Trumbull 'Star Trek' bound

MEDIA

The "Star Trek" franchise has been a part of popular culture for over 50 years, and it has produced some of the most iconic characters in television history. The latest addition to the "Star Trek" universe is "Star Trek: Beyond," which is set to premiere in theaters on July 23. The movie is a sequel to the 2013 film "Star Trek Into Darkness," and it continues the adventures of the USS Enterprise and its crew.

The cast is excellent, and the direction is masterful. The movie is a tour de force, and it is a testament to the power of cinema to move and inspire us. "Star Trek: Beyond" is a movie that will stay with you long after the last curtain call.

BSC’s ‘As you like it’ original and entertaining

THEATER

By Thomas M. Arruda

In the latest production at the University’s Performing Arts Center, students interpreted Shakespeare’s comedy in a fresh and original manner.

The set was simple and effective, utilizing minimal props and scenery to enhance the performance. The costumes were designed to reflect the period, with period-specific fabrics and colors.

The acting was commendable, with each actor delivering their lines with energy and conviction.

The audience was thoroughly entertained, with many expressing interest in attending future productions.

The performance concludes tonight and tomorrow night, don’t miss this opportunity to experience a creative and engaging interpretation of a classic work of literature.
